Freethinking Mystics With Hands Exploring The Heart Of Unitarian Universalism:

Freethinking Mystics with Hands Tom Owen-Towle, 1998 Owen Towle's inspiring essays balance Unitarian Universalism's rational mystical and activist sentiments. An excellent introduction to Unitarian Universalism for newcomers as well as a valuable resource for personal reflection, family sharing, and Sunday worship. **Exploring** Richard S. Gilbert, 2005

Growing a Beloved Community Tom Owen-Towle, 2004 Violent Trauma, Culture, and Power Michelle Walsh, 2017-02-16 This book is an interdisciplinary exploration of the intertwining impact of violent trauma, culture, and power through case studies of two ministries serving in different demographic contexts within the United States. Mass shootings continue to rise in the United States, including in religious and school contexts, and the U.S. also is ground zero for the now international Black Lives Matter movement. The author shows how all forms of violent trauma impact more than individuals: devastating communal relationships and practices of religious or spiritual meaning-making in the aftermath and assesses how these impacts differ according to lived experiences with culture and power. Looking at the two ministries: an urban grassroots lay ministry organization that serves surviving family members in the aftermath of homicide and a denominational ministry that served a church in the aftermath of a political and religiously motivated shooting, the author develops trauma-specific interdisciplinary tools for lived religion studies. This book powerfully utilizes an intersectional lens to highlight the interconnections to be found for those working in faith communities as well as mental health. Walsh provides the reader with an opportunity to explore and develop theoretical and practice perspectives that include race and ethnicity, religion and spirituality, social class and ability, sexual orientation, immigration and refugee status, and explores the impact that oppression and discrimination have on our communities and society. I highly recommend this book for those who are engaged in working to combat domination at the local, national, and global levels. Some have returned from the brink of despair; others have found renewed purpose and discovered the saving power of community. Together, these vignettes paint a portrait of the real, felt impact of Unitarian Universalism. Readers can find a new appreciation for the ways Unitarian Universalism makes a tangible difference in the lives of real people who are struggling. **Stories in Faith** Gail Forsyth-Vail, Tracey L.
