Fremont Explorer For A Restless Nation

Reginald Horsman

Fremont Explorer For A Restless Nation:

Fremont Ferol Egan, 2012-08-01 Foreword by Richard Dillon Between 1842 and 1853 John C Fremont led five expeditions across the trans Mississippi West While the success of his early journeys gained him acclaim as a national hero his later missions ended in tragedy and ultimately a court martial Historian Ferol Egan focuses on Fremont's explorations providing a vivid portrait of a courageous man in an emerging young nation

The Inside Man Salvador A. Ramirez, 2007 The Inside Man is the culmination of more than seventeen years of groundbreaking meticulous and exhaustive research into the life of this least known or understood of the Big Five who built the western end of the first transcontinental railroad Drawn from original sources most of which have hitherto been inaccessible or ignored by previous chroniclers thousands of pages of handwritten letters telegrams accounts from scores of newspapers archived around the country including biographical and historical works are brought to bear in this monumental account More than the biography of one individual this masterful account weaves within the narrative the many forces and competing issues faced by Mark Hopkins and his associates as well as the culture and mores of late nineteenth century California and their very personal struggles and conflicts

Wagons West Frank McLynn, 2007-12-01 An acclaimed historian's compellingly told year by year account of the pioneering efforts to conquer the American West in the mid nineteenth century The Guardian In all the sagas of human migration few can top the drama of the journey by Midwestern farmers to Oregon and California from 1840 to 1849 between the era of the fur trappers and the beginning of the gold rush Even with mountain men as guides these pioneers literally plunged into the unknown braving all manner of danger including hunger thirst disease and drowning Employing numerous illustrations and extensive primary sources including original diaries and memoirs McLynn underscores the incredible heroism and dangerous folly on the overland trails His authoritative narrative investigates the events leading up to the opening of the trails the wagons and animals used the roles of women relations with Native Americans and much else The climax arrives in McLynn's expertly re-created tale of the dreadful Donner party and he closes with Brigham Young and the Mormons beginning communities of their own Full of high drama tragedy and triumph rarely has a book so wonderfully brought to life the riveting tales of Americans trek to the Pacific Publishers Weekly

Great Desert Explorers Andrew Goudie, 2016-12-01 Desert exploration like climbing Everest or polar expeditions is not for the faint hearted and many of the vivid tales within this fascinating biographical history end in tragedy However the informative and absorbing descriptions of the extraordinary journeys challenges and achievements of these intrepid figures are captivating They risked their lives variously for good old fashioned epic adventure solitude fame the answer to mythical questions and some were even spies They experienced fear excitement and hardship in their journeys into the unknown There are many books on exploration but remarkably few on desert exploration Moreover some of the great desert explorers of the last three hundred years are now very little remembered or appreciated in comparison say with those who ventured to the poles climbed Everest or sought the

source of the Nile Yet crossing unknown deserts is no less challenging This volume finally brings these Great Desert Explorers into the limelight with short illustrated biographies of around 60 of the most interesting intrepid and important explorers of the world's greatest deserts There is also a brief introduction to each desert region The many original quotations illustrations and maps contemporary figures as well as plates of a range of desert landscapes make this a colourful lively and informative read

Fur, Fortune, and Empire: The Epic History of the Fur Trade in America Eric Jay Dolin, 2011-07-05 A Seattle Times selection for one of Best Non Fiction Books of 2010 Winner of the New England Historical Association's 2010 James P Hanlan Award Winner of the Outdoor Writers Association of America 2011 Excellence in Craft Award Book Division First Place A compelling and well annotated tale of greed slaughter and geopolitics Los Angeles Times As Henry Hudson sailed up the broad river that would one day bear his name he grew concerned that his Dutch patrons would be disappointed in his failure to find the fabled route to the Orient What became immediately apparent however from the Indians clad in deer skins and good furs was that Hudson had discovered something just as tantalizing The news of Hudson's 1609 voyage to America ignited a fierce competition to lay claim to this uncharted continent teeming with untapped natural resources The result was the creation of an American fur trade which fostered economic rivalries and fueled wars among the European powers and later between the United States and Great Britain as North America became a battleground for colonization and imperial aspirations In *Fur Fortune and Empire* best selling author Eric Jay Dolin chronicles the rise and fall of the fur trade of old when the rallying cry was get the furs while they last Beavers sea otters and buffalos were slaughtered used for their precious pelts that were tailored into extravagant hats coats and sleigh blankets To read *Fur Fortune and Empire* then is to understand how North America was explored exploited and settled while its native Indians were alternately enriched and exploited by the trade As Dolin demonstrates fur both an economic elixir and an agent of destruction became inextricably linked to many key events in American history including the French and Indian War the American Revolution and the War of 1812 as well as to the relentless pull of Manifest Destiny and the opening of the West This work provides an international cast beyond the scope of any Hollywood epic including Thomas Morton the rabble rouser who infuriated the Pilgrims by trading guns with the Indians British explorer Captain James Cook whose discovery in the Pacific Northwest helped launch America's China trade Thomas Jefferson who dreamed of expanding the fur trade beyond the Mississippi America's first multimillionaire John Jacob Astor who built a fortune on a foundation of fur and intrepid mountain men such as Kit Carson and Jedediah Smith who sliced their way through an awe inspiring and unforgiving landscape leaving behind a mythic legacy still resonates today Concluding with the virtual extinction of the buffalo in the late 1800s *Fur Fortune and Empire* is an epic history that brings to vivid life three hundred years of the American experience conclusively demonstrating that the fur trade played a seminal role in creating the nation we are today

The Era of the Civil War--1820-1876 Louise A. Arnold-Friend, US Army Military History Institute, 1982

A Companion to the American West William Deverell, 2008-04-15 A Companion

to the American West is a rigorous illuminating introduction to the history of the American West Twenty five essays by expert scholars synthesize the best and most provocative work in the field and provide a comprehensive overview of themes and historiography Covers the culture politics and environment of the American West through periods of migration settlement and modernization Discusses Native Americans and their conflicts and integration with American settlers Feast Or Famine Reginald Horsman,2008 Drawing on the journals and correspondence of pioneers Horsman examines more than a hundred years of history recording components of the diets of various groups including travelers settlers fur traders soldiers and miners He discusses food preparation techniques including the development of canning and foods common in different regions Provided by publisher **Army History** ,1996 California Conquered Neal Harlow,1989-04-14 This book began as a venture to collect official and unofficial documents relating to the interval of American military rule There proved to be thousands the writings of Presidents executive officers and congressmen naval and military personnel governors settlers and citizens routine familiar wheedling seductive blustering commanding As the quantity grew they seemed eager to be heard But the documents exhibit the traits of their makers Containing neither the whole truth nor nothing but the truth they offer many sided versions of what people believed or wanted others to accept they must be taken with a grain of salt Long sometimes garbled and always incomplete the record requires assessment a referee to appraise the evidence and form his own imperfect conclusions And any curious or dissenting reader may by consulting the numerous cited sources make his own interpretations References whenever possible have been made to materials in some printed form leading an inquirer to a vast array of historical evidence Everything herein happened or so the record tells and if an assumption has been made it is that men issues and events can be interesting in their own right without exaggeration To exaggerate a knowing urban child recently observed means you put in something to make it more exciting Los Angeles Times Dec 10 1978 WONDER OF THE WEST Stephen G. Yanoff,2024-05-09 In this fascinating epic biography award winning historian Stephen G Yanoff vividly narrates the adventurous life journey of John Charles Fr mont the most celebrated American explorer and mapper of his time This is history on a grand scale a book about discovery and exploration but also about human character virtue ambition love and sacrifice Above all WONDER OF THE WEST is an enthralling often surprising story of one of the most courageous and important Americans of the 19th century an illegitimate child who rose to become The Conqueror of California Civil War general two time Republican presidential candidate pathfinder of the West and husband to the extraordinary Jessie Benton Fr mont WONDER OF THE WEST is a lucid and compelling biography John C Fr mont s life is one every American should know well and it has not been told better than by Mr Yanoff Renegade Reviews **Adaline Falling Star** Mary Pope Osborne,2002-06 Award winning author Mary Pope Osborne s first middle grade novel is a gripping girl survival story reminiscent of such classics as Island of the Blue Dolphins and Julie of the Wolves LOVE AND LOYALTY PUT TO THE TEST Adaline is a fiery child an irrepressible combination of her white explorer father Kit Carson and her Arapaho mother When

Ma dies and Pa sets off on an expedition out West Adaline finds herself living in St Louis with racist white relatives who call her a savage and work her like a slave When Adaline realizes she may have been abandoned she decides to find her own way back to her mother s people where she is sure her father will find her With the company of a stray dog Adaline sets out on a journey that will either save her life or end it

Encyclopedia of Media and Propaganda in Wartime America Martin J. Manning, Clarence R. Wyatt, 2010-12-20 This fascinating compilation of reference entries documents the unique relationship between mass media propaganda and the U S military a relationship that began in the period before the American Revolution and continues to this day sometimes cooperative sometimes combative and always complex The Encyclopedia of Media and Propaganda in Wartime America brings together a group of distinguished scholars to explore how war has been reported and interpreted by the media in the United States and what effects those reports and interpretations have had on the people at home and on the battlefield Covering press U S military relationships from the early North American colonial wars to the present wars in Iraq and Afghanistan this two volume encyclopedia focuses on the ways in which government and military leaders have used the media to support their actions and the ways in which the media has been used by other forces with different views and agendas The volumes highlight major events and important military political and cultural players offering fresh perspectives on all of America s conflicts Bringing these wars together in one source allows readers to see how media affected the conflicts individually but also understand how the use of the various forms of media print radio television film and electronic have developed and changed over the years

From Basin to Peak Wesley M. Howe, 1998 However you choose to visit the region formed by the intersecting borders of Utah Arizona Colorado and New Mexico known as Four Corners this handy resource will help make your journey memorable Covering southwestern Colorado and northwestern New Mexico the San Juan Basin offers a rich and colorful history wonderful landscapes and recreation for explorers of all types and ages Arranged in alphabetical order this engaging handbook boasts over one thousand entries ranging from western mythology geology history natural history well known figures little known trivia and intriguing anecdotes Tourists armchair travelers natives historians and general interest readers alike will find this one of a kind collection appealing

Indian Fighters Turned American Politicians Thomas G. Mitchell, 2003-10-30 The words Indian fighter recall Custer Indian fighter politician brings to mind Andrew Jackson or William Henry Harrison Yet politicians who rose to prominence by exploiting their participation in bloody campaigns against Native America were much more common than most Americans realize This book will bring to light important facts and highlight controversial issues regarding well known figures from American history and folklore while situating the questionable actions of these politicians within their historical and political times While most people know that Davy Crockett went to Congress and died at the Alamo few realize that his only previous combat experience was in one conflict during the Creek War which was more massacre than battle Daniel Boone was a hunter and frontiersman who waged war against the Indians but he was also a state legislator Both Abe Lincoln and Jeff

Davis were involved in pre Civil War battles against Native Americans How and why did the era of the Indian fighter turned politician begin Which party was the party of the Indian fighters Why did the era end just before the Civil War Mitchell explores this American political phenomenon and reveals how it influenced politics in other nations around the world

America's Ocean Wilderness Gary Kroll, 2008 Examines a handful of famous ocean explorers and naturalists including Jacques Cousteau Thor Heyerdahl and Rachel Carson among others to demonstrate how their work helped shape the way many Americans would think about and interact with the ocean

Decade of Disunion Robert W. Merry, 2025-07 With characteristic wisdom and grace Jon Meacham Pulitzer Prize winning author Robert W Merry explores a critical lesson about our nation that is as timely today as ever demonstrating how the country came apart during the enveloping slavery crisis of the 1850s The Mexican War brought vast new territories to the United States which precipitated a growing crisis over slavery The new territories seemed unsuitable for the type of agriculture that depended on slave labor but they lay south of the line where slavery was permitted by the 1820 Missouri Compromise The subject of expanding slavery to the new territories became a flash point between the North and South First came the 1850 compromise legislation which strengthened the fugitive slave law and outraged the North Then in 1854 Congress repealed the Missouri Compromise altogether unleashing a violent conflict in Bleeding Kansas over whether that territory would become free or enslaved The 1857 Dred Scott decision abrogating any rights of African Americans enslaved or free further outraged the North And John Brown's ill planned 1859 attack at the federal arsenal at Harpers Ferry stirred anger and fear throughout the South Through a decade the divide between the North and the South widened until disunion became inevitable Then in December 1860 in the wake of the Lincoln election South Carolina finally seceded leading the South of the Union Beginning with the deaths of the great second generation figures of American history Calhoun Webster and Clay *Decade of Disunion* tells the story of this great American struggle through the aims fears and maneuvers of the subsequent prominent figures at the center of the drama with particular attention to the key players from Massachusetts and South Carolina *Decade of Disunion* is a thoughtful and accomplished *The Wall Street Journal* look at one of the most tumultuous times of American history offering us a sobering reminder that democracy is not self sustaining it must be constantly and carefully tended

Bookman's Guide to Americana Joseph Norman Heard, Charles F. Hamsa, 1986 No descriptive material is available for this title

THE ROCK: A HISTORY OF ALCATRAZ ISLAND, 1847-1972, PREFACE This historic resource study of Alcatraz Island does not have an approved task directive However it has been prepared in accordance with the standards and regulations concerning historic preservation The objective has been to complete a document that will prove useful to planning management preservation and interpretation Direct quotations herein have on rare occasion been carefully modified by minor punctuation changes Care has been taken not to change the original meaning The actual rank of army officers is used throughout the report their brevet grades being ignored Also in describing the post Civil War years officers are referred to by their regular

army grades not by their wartime positions

ACKNOWLEDGEMENTS The great bulk of the research on Alcatraz Island was done in the National Archives in Washington D C and in the Federal Archives and Records Center in San Bruno California At San Bruno my thanks go to Jo Ann Williamson Robyn Gottfried Daniel Nealand and Mary Kiely all of whom cheerfully put up with my demands When my research notes were stolen and I had to return to San Bruno to repeat the research these people still welcomed me My sincere appreciation goes to the entire staff in Old Military Records Army and Navy Branch National Archives There are too many to name and I am bound to forget someone but I am in the debt of that whole grand group of people who kept the records coming month after month A special thanks goes to Dr Elaine C Everley who graciously replied to my letters of inquiry on a number of esoteric subjects In the Audiovisual Archives Division both Judy Pratt Motion Picture Branch and Douglas Thurman Still Picture Branch assisted me greatly in locating film pertaining to all phases of Alcatraz s history My thanks go too to Graeme McCluggage Cartographic Archives Division who helped me examine maps of the San Francisco Bay Area for a solid week This was one of the most exhausting weeks in my entire research career but it was also one of the most rewarding Thomas Lipscomb at Suitland Maryland was most understanding when I was called away at a moment s notice and when a few weeks later I returned to ask for the same records My than ks also to Donald Mosholder who introduced me to the records of the Bureau of Prisons

A Brief History of Fairplay Linda Bjorklund,2013-05-07

Explore Fairplay from the beginning with local historian Linda Bjorklund as she traces the town s story through Spanish settlers early American government Union Confederate tensions and modern development Even though Fairplay s remarkable gold and silver boom was reduced to ash overnight in 1873 a strong community overcame history s challenges and preserved its treasures From the popular annual Burro Days to the Way of Life Museum Fairplay gives folks a chance to celebrate and relive its rich mining history through festivities and time capsule buildings such as the general store drugstore bank Summer Brewery and Summer Saloon
