French Silver, 1450-1825 Frank Davis, 1970 *American Silver in the Art Institute of Chicago* Art Institute of Chicago, 2016-01-01 The history of American silver offers invaluable insights into the economic and cultural history of the nation itself Published here for the first time the Art Institute of Chicago's superb collection embodies innovation and beauty from the colonial era to the present In the 17th century silversmiths brought the fashions of their homelands to the colonies and in the early 18th new forms arose as technology diversified production Demand increased in the 19th century as the Industrial Revolution took hold In the 20th modernism changed the shape of silver inside and outside the home This beautifully illustrated volume presents highlights from the collection with stunning photography and entries from leading specialists In depth essays relate a fascinating story about eating drinking and entertaining that spans the history of the Republic and trace the development of the Art Institute's holdings of American silver over nearly a century **French Silver** R. W. Lightbown, 1978 **A Critical Bibliography of French Literature** H. Gaston Hall, 1983-02-01 Richard A Brooks general editor v Luxury and Power Helen Jacobsen, 2012 A study of the material world of English ambassadors at the end of the 17th century illustrating the way in which architecture and the arts played an important role in diplomatic life Luxury and Power is an important contribution to the cultural history of Baroque England French Furniture and Gilt Bronzes J. Paul Getty Museum, Gillian Wilson, Charissa Bremer-David, Jeffrey Weaver, 2008 Each object is described and analyzed in terms of its provenance and published history as well as its construction materials and conservation With its painstaking attention to detail this volume is the definitive catalogue of the Getty Museum's collection of French Baroque furniture and will be of interest to scholars conservators and all students of French decorative arts **BOOK JACKET** **The Archaeology of Contextual Meanings** Ian Hodder, 1987-08-06 This companion volume to *Archaeology as Long term History* focuses on the symbolism of artefacts It seeks at once to refine the theory and method relating to interpretation and show with examples how to conduct this sort of archaeological work Some contributors work with the material culture of modern times or the historic period areas in which the symbolism of mute artefacts has traditionally been thought most accessible However the book also contains a good number of applications in prehistory to demonstrate the feasibility of symbolic interpretation where good contextual data survive from the distant past In relation to wider debates within the social sciences the volume is characterised by a concern to place abstract symbolic codes within their historical context and within the contexts of social actions In this respect it develops further some of the ideas presented in Dr Hodder's *Symbolic and Structural Archaeology* an earlier volume in this series **Auction**, 1970 **American Reference Books Annual**, 1974 1970 issued in 2 vols v 1 General reference social sciences history economics business v 2 Fine arts humanities science and engineering **The International Dictionary of Women Workers in the Decorative Arts**, 1981 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com **Britannia & Muscovy** Brian
