De Finod, 2015-07-02 Excerpt from *A Thousand Flashes of French Wit Wisdom and Wickedness* Reader As an amateur botanist I have penetrated some avenues of the vast garden of literature and I have gathered flowers of different species to compose a bouquet which I offer to you Occasionally I have allowed myself to insert some of my own thoughts among those of the great thinkers here represented as one shelters timid violets by planting them at the foot of majestic oaks In compiling this book I have carefully excluded everything that would seem objectionable to you my liberal but virtuous reader the English language being more austere than the French in its expressions but after having paid a legitimate tribute to your just susceptibilities I have without timorous scruples preserved such piquant gems as could be enjoyed without endangering your morals About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **For A thousand flashes of French wit, wisdom, and wickedness** J.
