Portraits by Ingres Jean-Auguste-Dominique Ingres,National Gallery (Great Britain),1999 Om portr tter af den franske maler Jean Auguste Dominique Ingres 1780 1867      *Joan of Arc in French Art and Culture (17001855)* Nora M. Heimann,2017-11-30 In her meticulous and wide ranging study Nora M Heimann follows the metamorphosis of Joan of Arc s posthumous representation during the years in which her image ascended from relative obscurity as a minor provincial figure in the middle ages through her treatment as a figure of political satire in the eighteenth century to her ultimate emergence as an image of piety and sanctity in the mid nineteenth century Offering the first scholarly art historical and cultural analysis of the origins of the modern Joan of Arc cult she takes on the challenge of charting as no previous critic has why and how the Maid of Orl s has been all things to such a diverse public through the ages particularly during the rapid shifts in political regimes that came in the wake of the French Revolution Joan of Arc s image has shown a protean capacity to embody a vast and often contradictory range of qualities from martial ascendancy to vulnerable piety from maidenly purity to transgressive androgyny from the power of the people to the divine right of kings Heimann makes a persuasive case for this enduringly resonant woman as the only figure in French culture to be warmly embraced simultaneously by republicans monarchists feminists and neo fascists alike In its recounting of the iconographic fortunes of this remarkable woman during her transformation from an image of satire to one of sanctity *Joan of Arc in French Art and Culture 1700 1855* offers an

illustrated interdisciplinary depiction of the relationship between art and politics that will appeal not only to art historians but also to those working in literature women s studies cultural studies intellectual history and religious history     **The Nabis** Albert Kostenevitch,2014-05-10 Pierre Bonnard was the leader of the group of post impressionist painters who called themselves the Nabis from the Hebrew word for prophet Influenced by Odilon Redon Puvis de Chavannes popular imagery and Japanese woodblock printing Bonnard Vuillard Vallotton and Denis to name the most prominent members revolutionised the spirit of decorative technique during one of the richest periods in French painting Although the increasing individualism of their works often threatened to weaken their unity the Nabis were above all a group of close friends The artwork presented in this book varying between Bonnard s guilelessness Vuillard s ornamental and mysterious works Denis s soft languor and Vallotton s almost bitter roughness plunges us into the deep source of their creative talents     **Fragonard**

Birnbaum,2017-07-05 Women Artists in Interwar France Framing Femininities illuminates the importance of the Soci des Femmes Artists Modernes more commonly known as FAM and returns this group to its proper place in the history of modern art In particular this volume explores how FAM and its most famous members Suzanne Valadon Marie Laurencin and Tamara de Lempicka brought a new approach to the most prominent themes of female embodiment the self portrait motherhood and the female nude These women reimaged art s conventions and changed the direction of both art history and the politics of their contemporary art world FAM has been excluded from histories of modern art despite its prominence during the interwar years Paula Birnbaum s study redresses this omission contextualizing the

group's legacy in light of the conservative politics of 1930s France. The group's artistic response to the reactionary views and images of women at the time is shown to be a key element in the narrative of modernist formalism. Although many FAM works are missing, one reason for the lack of attention paid to their efforts, Birnbaum's extensive research through archives, press clippings, and first-hand interviews with artists' families, reclaims FAM as an important chapter in the history of art from the interwar years.
