French Canadian Idea Of Confederation Eighteen Sixty Four To Nineteen Hundred:

The French-Canadian Idea of Confederation, 1864-1900 A.I. Silver, 1997-12-15 At Confederation most French Canadians felt their homeland was Quebec they supported the new arrangement because it separated Quebec from Ontario creating an autonomous French Canadian province loosely associated with the others Unaware of other French Canadian groups in British North America Quebeckers were not concerned with minority rights but only with the French character and autonomy of their own province However political and economic circumstances necessitated the granting of wide linguistic and educational rights to Quebec's Anglo Protestant minority Growing bitterness over the prominence of this minority in what was expected to be a French province was amplified by the discovery that French Catholic minorities were losing their rights in other parts of Canada Resentment at the fact that Quebec had to grant minority rights while other provinces did not intensified French Quebec nationalism At the same time French Quebeckers felt sympathy for their co religionists and co nationalists in other provinces and tried to defend them against assimilating pressures Fighting for the rights of Acadians Franco Ontarians or western M tis eventually led Quebeckers to a new concern for the French fact in other provinces Professor Silver concludes that by 1900 Quebeckers had become thoroughly committed to French Canadian rights not just in Quebec but throughout Canada and had become convinced that the very existence of Confederation was based on such rights Originally published in 1982 this new edition includes a new preface and conclusion that reflect upon Quebec's continuing struggle to define its place within Canada and the world **Associations' Publications in Print**, 1984 1981 in 2 v v 1 Subject index v 2 Title index Publisher title index Association name index Acronym index Key to publishers and distributors abbreviations Paperbound Books in Print ,1984 Books in Print ,1981 **Subject Guide to Books in Print** ,1984

The Publishers' Trade List Annual ,1985 Liberal Nationalisms James Kennedy,2015-03-01 The early twentieth century witnessed the emergence of Scottish and Quebec nationalisms that were closely intertwined with liberal philosophies The Young Scots Society and the Ligue nationaliste canadienne carried these liberal nationalist ideas This book offers a comparative and historical examination of their ideas and politics exploring the Young Scots as a movement as well as the ideas of key Nationalistes James Kennedy argues that the growth of the Young Scots Society and the Ligue nationaliste canadienne was largely in response to changes within empire state and civil society He suggests that the actions of the British Empire and the Canadian state not only prompted nationalist responses in Scotland and Quebec respectively but also shaped their liberal character His comparative analysis provides insights that would not arise from a single case study of either movement while detailing the important roles that geopolitics consociation and federation and organized religion played in the creation of nationalist philosophies The first ever comparative history of nationalism in Scotland and Quebec Liberal Nationalisms is an insightful study of nascent political nationalisms and a major contribution to the scholarship of nationalist movements in the early twentieth century

The False Traitor Albert Raimundo Braz, 2003-01-01 The nineteenth

century M tis politician and mystic Louis Riel has emerged as one of the most popular and elusive figures in Canadian culture Since his hanging for treason in 1885 the self declared David of the New World has been depicted variously as a traitor to Confederation a French Canadian and Catholic martyr a bloodthirsty rebel a pan American liberator a pawn of shadowy white forces a Prairie political maverick a First Nations hero an alienated intellectual a victim of Western industrial progress and even a Father of Confederation Albert Braz synthesizes the available material by and about Riel including film sculpture and cartoons as well as literature in French and English and analyzes how an historical figure could be portrayed in such contradictory ways In light of the fact that most aesthetic representations of Riel bear little resemblance not only to one another but also to their purported model Braz suggests that they reveal less about Riel than they do about their authors and the society to which they belong The most comprehensive treatment of the representations of Louis Riel in Canadian literature The False Traitor will be a seminal work in the study of this popular Canadian figure **Interpreting Canada's** Past J. M. Bumsted, 1993 This broad ranging selection of writings in Canadian history introduce undergraduate students to the new approaches taken by historians in recent years Many of the essays are revisionist either implicitly or explicitly and emphasize regional and social historiography With itsinsightful discussions of both traditional and current scholarly issues the book provides an enlightening supplement to the standard historiographical concerns covered by introductory courses in Canadian history and should serve as a starting point for student discussion and criticalthinking Harper's Weekly John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1860

The Economist ,1846 The Canada Gazette Canada, 1908 The Examiner .1859 The Illustrated London Multiculturalism and Immigration in Canada Elspeth Cameron, 2004 Multiculturalism in Canada offers a **News** ,1847 solid introduction to the history and development of the ideology of multiculturalism in Canada This ideology which has become the primary designator of Canadian society began in the early 1970s when vocal elements in the population who were neither English nor French strongly responded to the investigations of the Committee on Bilingualism and Biculturalism Given Canada's early racist tendencies the establishment of multiculturalism was a remarkable shift in public thinking Many issues associated with immigration have arisen in the public debates around multiculturalism Some people are convinced that it is a pernicious ideology that enforces the ghettoisation of those different from the mainstream Others see dangers in the way some aspects of multiculturalism are merely tokens of an all inclusive society Still others contend that the voices of ethnicities aside from those of the two charter groups English and French are scarcely heard and that worse those marginalised voices are appropriated by mainstream writers On the whole however Canadians especially younger Canadians welcome a liberal outlook that is inclusive of a wide variety of ethnicities For them and for many immigrants Canada is a society that is multiple and layered one rich in meaning They tend to see Canada as a microcosm of the larger world one that

presents a useful model of tolerance for the world at large Increasingly marginalised new Canadians are excelling in the arts communities telling all Canadians what various aspects of the culture shock of transplantation feels like This book includes a Nelson's Encyclopaedia ,1907 Canada Since 1867 J.
