Jay Bergman

French Revolution In Russian Intellectual Life 1865 1905:

The French Revolution in Russian Intellectual Life James O'Connor, 2017-07-12 Sandwiched between the East and West Russian intellectuals have for centuries been divided geographically politically and culturally into two distinct groups the Slavophiles who rejected Western style democracy preferring a more holistic and abstract vision and the more rational and scientific minded Westernizers These two ideologies cut across the political spectrum of late nineteenth century Russia and competed for dominance in the country's intellectual life The tension created between these two opposing groups caused the feeling that violent upheaval was Russia's future In turn many began to think that Russia was possibly following the path of France and that a French style revolution might be possible on Russian soil In *The French Revolution in Russian Intellectual Life* Dmitry Shlapentokh describes the role that the French democratic revolution played in Russia's intellectual development by the end of the nineteenth century The revolutionary upheaval in Russia at the beginning of twentieth century and the continuous expansion of the West convinced most Russian intellectuals that the French Revolution in its democratic reading was indeed the pathway of history Yet the rise of totalitarian regimes and their expansion proved the validity of the sober vision of nineteenth century Russian intellectuals Some conservative Russian intellectuals believed that not only would Russia preserve its authoritarian regime but it would spread this regime all over the world In this context Shlapentokh argues the French Revolution with its democratic tradition was only a phenomenon of Western civilization and hence transitory The flirtation with Western ideology with its democratic polity and market economy that followed in the wake of the collapse of the communist regime culminated in an increasing push for corporate authoritarianism and nationalism This work helps explain why Russia turned away from democratic to autocratic stylesi 1

The French Revolution in Russian Intellectual Life James O'Connor, Dmitry Shlapentokh, 2017-09-12 Sandwiched between the East and West Russian intellectuals have for centuries been divided geographically politically and culturally into two distinct groups the Slavophiles who rejected Western style democracy preferring a more holistic and abstract vision and the more rational and scientific minded Westernizers These two ideologies cut across the political spectrum of late nineteenth century Russia and competed for dominance in the country's intellectual life The tension created between these two opposing groups caused the feeling that violent upheaval was Russia's future In turn many began to think that Russia was possibly following the path of France and that a French style revolution might be possible on Russian soil In *The French Revolution in Russian Intellectual Life* Dmitry Shlapentokh describes the role that the French democratic revolution played in Russia's intellectual development by the end of the nineteenth century The revolutionary upheaval in Russia at the beginning of twentieth century and the continuous expansion of the West convinced most Russian intellectuals that the French Revolution in its democratic reading was indeed the pathway of history Yet the rise of totalitarian regimes and their expansion proved the validity of the sober vision of nineteenth century Russian intellectuals Some conservative Russian intellectuals believed that not only would

Russia preserve its authoritarian regime but it would spread this regime all over the world In this context Shlapentokh argues the French Revolution with its democratic tradition was only a phenomenon of Western civilization and hence transitory The flirtation with Western ideology with its democratic polity and market economy that followed in the wake of the collapse of the communist regime culminated in an increasing push for corporate authoritarianism and nationalism This work helps explain why Russia turned away from democratic to autocratic stylesi 1 2economic pulls to capitalism notwithstanding It has insight which helps to explain why Russia moved towards an authoritarian regime instead of democracy

The French Revolution in Russian Intellectual Life, 2009 Russian intellectual discourse on the French Revolution as a representation of the West rather than a symbol of revolution

The Routledge Companion to the French Revolution in World History Alan Forrest, Matthias Middell, 2015-09-16 The Routledge Companion to the French Revolution in World History engages with some of the most recent trends in French revolutionary scholarship by considering the Revolution in its global context Across seventeen chapters an international team of contributors examine the impact of the Revolution not only on its European neighbours but on Latin America North America and Africa assess how far events there impacted on the Revolution in France and suggest something of the Revolution's enduring legacy in the modern world The Companion views the French Revolution through a deliberately wide lens The first section deals with its global repercussions from the Mediterranean to the Caribbean and includes a discussion of major insurrections such as those in Haiti and Venezuela Three chapters then dissect the often complex and entangled relations with other revolutionary movements in seventeenth century Britain the American colonies and Meiji Japan The focus then switches to international involvement in the events of 1789 and the circulation of ideas people goods and capital In a final section contributors throw light on how the Revolution was and is still remembered across the globe with chapters on Russia China and Australasia An introduction by the editors places the Revolution in its political historical and historiographical context The Routledge Companion to the French Revolution in World History is a timely and important contribution to scholarship of the French Revolution

The French Revolutionary Tradition in Russian and Soviet Politics, Political Thought, and Culture Jay Bergman, 2019-08-14 Because they were Marxists the Bolsheviks in Russia both before and after taking power in 1917 believed that the past was prologue that embedded in history was a Holy Grail a series of mysterious but nonetheless accessible and comprehensible universal laws that explained the course of history from beginning to end Those who understood these laws would be able to mould the future to conform to their own expectations But what should the Bolsheviks do if their Marxist ideology proved to be either erroneous or insufficient if it could not explain or explain fully the course of events that followed the revolution they carried out in the country they called the Soviet Union Something else would have to perform this function The underlying argument of this volume is that the Bolsheviks saw the revolutions in France in 1789 1830 1848 and 1871 as supplying practically everything Marxism lacked In fact these four events comprised

what for the Bolsheviks was a genuine Revolutionary Tradition The English Revolution and the Puritan Commonwealth of the seventeenth century were not without utility the Bolsheviks cited them and occasionally utilized them as propaganda but these paled in comparison to what the revolutions in France offered a century later namely legitimacy inspiration guidance in constructing socialism and communism and not least useful fodder for political and personal polemics **Democracy**

Denied, 1905-1915 Charles Kurzman, 2008-12-15 Mining newspaper accounts memoirs and government reports Kurzman proposes that the collective agent most directly responsible for democratization was the emerging class of modern intellectuals a group that had gained a global identity and a near messianic sense of mission following the Dreyfus Affair of 1898 **Revolutionary Europe** Gavin Murray-Miller, 2020-02-06 CHOICE Outstanding Academic Title 2021 Revolutionary

Europe is an original examination of radical political movements during Europe's long 19th century It employs both national and transnational contexts incorporating new debates in Atlantic history empire studies and cultural history to give a comprehensive narrative of the period from 1775 to 1922 Rather than assessing revolution as a purely theoretical socially driven force or a structural phenomenon the book presents revolution as a process of community building and cultural identification born from instances of acute social and political crisis Taking into account various moments of political upheaval during the 19th century including the French Russian and 1848 revolutions it explores the ways in which political actors attempted to construct new definitions of sovereignty and social unity in a period characterized by vast social economic and governmental change In a wide ranging text that covers Britain and much of continental Europe in detail as well as reaching out to the Americas and Atlantic and Mediterranean Worlds Gavin Murray Miller provides an authoritative transnational study of revolution in the 19th century age of high nationalism *Russia's French Connection* Adam

Coker, 2020-05-28 While it is generally acknowledged that Russia's culture has been influenced by France the present study goes beyond the Francophile preferences of the noble elite and examines Russian society more broadly exploring those elements of French cultural influence that are still relevant today This is done through an historical analysis of French loanwords in the Russian language from the time of Peter the Great to the present The result of this lexical analysis and subsequent study of eighteenth and nineteenth century archival periodical and memoir material is to empirically link Russia's present culture to two major Franco Russian events the wave of immigration to Russia following the French Revolution and Russia's war with Napoleon This is primarily a book for those interested in European history particularly imperial Russia the French Revolution and the Napoleonic Wars The study of Russian officer memoirs includes original campaign maps which may be of interest to military historians The analysis of periodical literature will likewise be a resource for those studying the history of printing publishing and journalism in Russia The book's interdisciplinary nature however broadens its relevance to linguists cultural historians and those in the emerging field of Immigration Studies **Historicizing the French**

Revolution Antonino De Francesco, 2022-03-24 This book provides a critical examination of over 300 historical works about

the French Revolution published in Europe in particular in France Great Britain Germany Italy and Russia as well as in the United States between 1789 and 1989 It also goes on to examine recent trends in French Revolution historiography and consider where histories of this landmark event may go in the future By emphasizing the elements which have been valued or hidden exalted or silenced Historicizing the French Revolution shows how reflections on 1789 are always fundamentally tied to the times in which they are formulated Antonino De Francesco looks at the ways in which these historical accounts can be seen to support and at times contrast with the formation of political modernity both in national and international contexts as it has taken shape in the hundreds of years that have followed this key moment in world history **History and the**

Formation of Marxism Bertel Nygaard,2022-09-19 This book redefines the relationship between Marxism and history At its roots Marxism was aimed at analyzing society in order to change it reflecting on the past to create the poetry of the future No single event of the past was as important to early Marxists as the French Revolution of 1789 Studying the varying uses of the history of that past event among Karl Marx Friedrich Engels and prominent European Marxists before 1914 Karl Kautsky V I Lenin and others this book argues that we should take the historiography of concrete past events seriously It was not only an auxiliary element of Marxism but a core constitutive element in its formation Thus this book calls for transcending traditional approaches to Marxism as a fixed set of social theories combined with strategies for the present and future Important to students of Marxism the labor movement and the French Revolution alike this study contains refreshing perspectives on the interplay between past present and future and on the role of states social classes socio economic determination and political organization in history **Scripting Revolution** Keith Michael Baker,Dan Edelstein,2015-10-07

The Arab Spring was heralded and publicly embraced by foreign leaders of many countries that define themselves by their own historic revolutions The contributors to this volume examine the legitimacy of these comparisons by exploring whether or not all modern revolutions follow a pattern or script Traditionally historians have studied revolutions as distinct and separate events Drawing on close familiarity with many different cultures languages and historical transitions this anthology presents the first cohesive historical approach to the comparative study of revolutions This volume argues that the American and French Revolutions provided the genesis of the revolutionary script that was rewritten by Marx which was revised by Lenin and the Bolshevik Revolution which was revised again by Mao and the Chinese Communist Revolution Later revolutions in Cuba and Iran improvised further This script is once again on display in the capitals of the Middle East and North Africa and it will serve as the model for future revolutionary movements Dostoevsky and the Epileptic Mode of

Being Paul Fung,2017-07-05 For Fyodor Dostoevsky 1821 81 who lived with epileptic seizures for more than thirty years illness is an ineradicable part of existence Epilepsy in his writings denotes both a set of physical symptoms and a state of survival in which the protagonists incessantly try to articulate theorize or master what is ungraspable in their everyday experience Their attempts to deal with what they cannot control or comprehend results in disappointment or what

Dostoevsky called a mystical terror Dostoevsky's heroes are unable fully to understand this state and their existence becomes epileptic in so far as self knowledge and self coincidence are never achieved Fung explores new critical pathways by reexamining five of Dostoevsky's post Siberian novels Drawing on insights from writers including Benjamin Blanchot Freud Lacan and Nietzsche the book takes epilepsy as a trope for discussing the unspeakable moments in the texts and is intended for students and scholars who are interested in the subject of modernity critique of the visual and dialogues between philosophy and literature Paul Fung is Assistant Professor in English at Hang Seng Management College Hong Kong

China and Japan in the Russian Imagination, 1685-1922 Susanna Soojung Lim, 2013-03-05 Throughout the centuries as Russia strove to build itself into an imperial power equal to those in the West China and Japan came to occupy a special place in Russians view of the orient Never colonised by Russia or the West China and Japan were linked not only to the greatest of Russian imperial fantasies but also conversely to a deep sense of insecurity regarding Russia's place in the world a sense of insecurity which deepened as China and Japan began to modernise in the later nineteenth century Drawing on a wide range of works by Russian writers and thinkers Lim sets out how Russian perceptions of China and Japan were formed from Muscovy's first contacts with China in the late seventeenth century through to the aftermath of Russia's defeat by Japan in the early twentieth century

The Foundations of Modern Terrorism Martin A. Miller, 2013 A groundbreaking history of the roots of modern terrorism ranging from early modern Europe to the contemporary Middle East

Political Thought From Machiavelli to Stalin E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition

History and Revolution Jim Wolfreys, Mike Haynes, 2020-05-05 In *History and Revolution* a group of respected historians confronts the conservative revisionist trends in historical enquiry that have been dominant in the last twenty years Ranging from an exploration of the English French and Russian revolutions and their treatment by revisionist historiography to the debates and themes arising from attempts to downplay revolution's role in history *History and Revolution* also engages with several prominent revisionist historians including Orlando Figes Conrad Russell and Simon Schama This important book shows the inability of revisionism to explain why millions are moved to act in defence of political causes and why specific political currents emerge and is a significant reassertion of the concept of revolution in human development

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other

features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

Historical Dictionary of Russian and Soviet Foreign Policy Norman E. Saul, 2014-12-16 The conduct of the foreign relations of the Russian state in its several contexts Kiev Rus Muscovy Russian Empire Provisional Government Union of Soviet Socialist Republics and Russian Federation were unique in its common currents from the beginning to the present Geography was certainly a key factor located in the center of the world's largest land mass and surrounded by often hostile forces All of the Russias had to confront the problems of open frontiers and the conduct of relations with a number of adjacent states of different ethnicity and with many that were more distant No other nation states had to face such complex and divergent circumstances over their histories Most other Great Powers were neighbors of similar states in culture and historical background whereas Russia had to deal with Asian as well as European countries The Historical Dictionary of Russian and Soviet Foreign Policy covers the history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important individuals events and other aspects of the foreign policy of this important country This book is an excellent access point for students researchers and anyone wanting to know more about Russian foreign policy

The Terror of Natural Right Dan Edelstein, 2024-05-31 Natural right the idea that there is a collection of laws and rights based not on custom or belief but that are natural in origin is typically associated with liberal politics and freedom In The Terror of Natural Right Dan Edelstein argues that the revolutionaries used the natural right concept of the enemy of the human race an individual who has transgressed the laws of nature and must be executed without judicial formalities to authorize three quarters of the deaths during the Terror Edelstein further contends that the Jacobins shared a political philosophy that he calls natural republicanism which assumed that the natural state of society was a republic and that natural right provided its only acceptable laws Ultimately he proves that what we call the Terror was in fact only one facet of the republican theory that prevailed from Louis's trial until the fall of Robespierre A highly original work of historical analysis political theory literary criticism and intellectual history The Terror of Natural Right challenges prevailing assumptions of the Terror to offer a new perspective on the Revolutionary period

The Twilight of Atheism Alister McGrath, 2007-12-18 In this bold and provocative new book the author of In the Beginning and The Reenchantment of Nature challenges the widely held assumption that the world is becoming more secular and demonstrates why atheism cannot provide the moral and intellectual guidance essential for coping with the complexities of modern life Atheism is one of the most important movements in modern Western culture For the last two hundred years it seemed to be on the verge of eliminating religion as an outmoded and dangerous superstition Recent years however have witnessed the decline of disbelief and a rise in religious devotion throughout the world In THE TWILIGHT OF ATHEISM the distinguished historian and theologian Alister McGrath

examines what went wrong with the atheist dream and explains why religion and faith are destined to play a central role in the twenty first century A former atheist who is now one of Christianity s foremost scholars McGrath traces the history of atheism from its emergence in eighteenth century Europe as a revolutionary worldview that offered liberation from the rigidity of traditional religion and the oppression of tyrannical monarchs to its golden age in the first half of the twentieth century Blending thoughtful authoritative historical analysis with incisive portraits of such leading and influential atheists as Sigmund Freud and Richard Dawkins McGrath exposes the flaws at the heart of atheism and argues that the renewal of faith is a natural inevitable and necessary response to its failures THE TWILIGHT OF ATHEISM will unsettle believers and nonbelievers alike A powerful rebuttal of the philosophy that for better and for worse has exerted tremendous influence on Western history it carries major implications for the future of both religion and unbelief in our society

Getting the books **French Revolution In Russian Intellectual Life 1865 1905** now is not type of challenging means. French Revolution In Russian Intellectual Life 1865 1905 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading French Revolution In Russian Intellectual Life 1865 1905 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading French Revolution In Russian Intellectual Life 1865 1905 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading French

Revolution In Russian Intellectual Life 1865 1905 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading French Revolution In Russian Intellectual Life 1865 1905. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading French Revolution In Russian Intellectual Life 1865 1905 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About French Revolution In Russian Intellectual Life 1865 1905 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. French Revolution In Russian Intellectual Life 1865 1905 is one of the best book in our library for free trial. We provide copy of French Revolution In Russian Intellectual Life 1865 1905 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with French Revolution In Russian Intellectual Life 1865 1905. Where to download French Revolution In Russian Intellectual Life 1865 1905 online for free? Are you looking for French Revolution In Russian Intellectual Life 1865 1905 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another French Revolution In Russian Intellectual Life 1865 1905. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you

really should consider finding to assist you try this. Several of French Revolution In Russian Intellectual Life 1865 1905 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with French Revolution In Russian Intellectual Life 1865 1905. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with French Revolution In Russian Intellectual Life 1865 1905 To get started finding French Revolution In Russian Intellectual Life 1865 1905, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with French Revolution In Russian Intellectual Life 1865 1905 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading French Revolution In Russian Intellectual Life 1865 1905. Maybe you have knowledge that, people have search numerous times for their favorite readings like this French Revolution In Russian Intellectual Life 1865 1905, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. French Revolution In Russian Intellectual Life 1865 1905 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, French Revolution In Russian Intellectual Life 1865 1905 is universally compatible with any devices to read.
