Fried Eggs With Chopsticks:

Fried Eggs with Chopsticks Polly Evans,1998-01 Fried Eggs with Chopsticks Polly Evans,2006-09-26 Polly Evans's itinerary for China was simple travel by luxurious high speed train and long distance bus glide along the Grand Canal and hike up scenic mountains Instead the linguistically impaired adventurer found herself on a primitive sleeper minibus where sleep was out of the question perched atop a tiny mule on a remote mountain pass and attempting a dubious ferry ride down the Yangtze River Polly was getting to know China in a way she'd never expected and would never ever forget From battling six year olds in kung fu class to discovering Starbucks in Hangzhou Polly relives her Asian adventure with humor enthusiasm frustration and determination Whether she's viewing the embalmed cadaver of Chairman Mao or drinking yak butter tea this is Polly's eye opening account of a culture torn between stunning modern architecture and often bizarre ancient mysteries and of her attempt to solve the ultimate gastronomic conundrum how exactly does one eat a soft fried egg with chopsticks

Mad Dogs and an Englishwoman Polly Evans,2009-01-27 Polly Evans had a mission to learn everything possible about the howling tail wagging world of sled dogs Fool's errand Or the adventure of a lifetime The intrepid world traveler was about to find out In the dead of winter Polly Evans ventured to Canada's far northwest where temperatures plunge to minus forty and the sun rises for just a few hours each day But though she was prepared for the cold she never anticipated how profoundly she'd be affected by that blissful and austere place In a pristine landscape patrolled by wolves and caribou the wannabe musher was soon learning the ropes of arctic dogsledding careening across the silent tundra with her own team of yapping leaping canines Shivering but undaunted Polly follows the tracks of the legendary Yukon Quest a dogsledding race more arduous than the Iditarod witnessing a life and death spectacle she'll never forget Along the way she makes a stop at the Santa Clause house in North Pole Alaska where the post office delivers unstamped mail and witnesses the astonishing northern lights weaving green and red across the sky And before the snows melt in spring Polly will have discovered a deep affection for the loving mischievous huskies whose courage and enthusiasm escort her through the delights and dangers of living life at the extreme in one of the most forbidding places on earth **The Destined Queen of Phoenix** Karen
