European Film Industries

Jill Forbes, Sarah Street

European Film Industries:

European Film Industries Anne Jäckel, 2019-07-25 In what kind of state is the European film business This study is the first in a series that provides an accessible understanding of how the world's contemporary screen industries function It looks at all the factors in play from government regulation to the marketing strategies behind an international success like *Run Lola Run* Lola Rennt Anne Jackel evaluates how Europe's film industries operate their working practices and the region's place within the global business of cinema Exploring trends in production distribution and exhibition the book considers a range of national and pan regional developments Key areas of critical debate are highlighted including private and public financing co production film policy links between the film and television industries and the threats to art cinema from within and without Europe *The International Film Industry* Thomas H. Guback, 1969 **European Film Industries** Anne Jackel, 2004-02-06 Overview of the European Film Industries in the context of the Global business **The European Film Production Guide** Arthur Andersen, 2013-09-13 The European Film Production Guide sets out in one comprehensive volume the major economic financial and business considerations which independent producers need to bear in mind when making films in or with other countries within Europe Arthur Andersen provides creative solutions for its clients through audit tax business advisory and speciality consulting services Its professionals combine extensive technical competence and industry experience with innovative and progressive thought enabling Arthur Anderson to exceed client expectations *Cinema of the Other Europe* Dina Iordanova, 2003 Cinema of the Other Europe The Industry and Artistry of East Central European Film is a comprehensive study of the cinematic traditions of Poland Hungary the Czech Republic and Slovakia from 1945 to the present day exploring the major schools of filmmaking and the main stages of development across the region during the period of state socialism up until the end of the Cold War as well as more recent transformations post 1989 In encouraging a more inclusive and comprehensive understanding of European cinema much needed for the new unified Europe enlarged towards its Eastern periphery this book maps out the interactions key concerns thematic spheres and stylistic particularities that make the cinema of East Central Europe a vital part of European film tradition Cinema of the Other Europe is thus a timely appraisal of Film Studies debates ranging from the representation of history and memory the reassessment of political content ethics and society the rehabilitation of popular cinema and the rethinking of national and regional cinemas in the context of globalisation *European Cinema* Thomas Elsaesser, 2005 European Cinema in Crisis examines the conflicting terminologies that have dominated the discussion of the future of European film making It takes a fresh look at the ideological agendas from avant-garde cinema to the high low culture debate and the fate of popular European cinema *"Film Europe" and "Film America"* Andrew Higson, Richard Maltby, 1999 A volume of specially commissioned essays dealing with the attempts to create a pan European film production movement in the 1920s and 1930s and the reactions of the American film industry to these plans to rival its hegemony The book has an impressive array of top scholars from both

America and Europe including Thomas Elsaesser Kristin Thompson and Ginette Vincendeau as well as essays by some younger scholars who have recently completed new archival research It also includes a number of primary documents selected by the contributors to illuminate their arguments and provide a stimulus to further research This book is a volume in the series Exeter Studies in Film History and represents a major contribution to cinema scholarship as well as reflecting a strong interest in an area of study currently being developed in university departments and at the British Film Institute Winner Prix Jean Mitry 2000 *The Routledge Companion to European Cinema* Gábor Gergely, Susan Hayward, 2021-12-29 Presenting new and diverse scholarship this wide ranging collection of 43 original chapters asks what European cinema tells us about Europe The book engages with European cinema that attends to questions of European colonial racialized and gendered power seeks to decentre Europe itself not merely its putative centres and interrogate Europe's various conceptualizations from a variety of viewpoints It explores the broad complex and heterogeneous communities produced in and by European films taking in Kurdish Hollywood and Singapore cinema as comfortably as the cinema of Poland Spanish colonial films or the European gangster genre Chapters cover numerous topics including individual films film movements filmmakers stars scholarship representations and identities audiences production practices genres and more all analysed in their contexts so as to construct an image of Europe as it emerges from Europe's film corpus The Companion opens the study of European cinema to a broad readership and is ideal for students and scholars in film European studies queer studies and cultural studies as well as historians with an interest in audio visual culture nationalism and transnationalism and those working in language based area studies *European Cinema in the Streaming Era* Christopher Meir, Roderik Smits, 2024-04-09 This collection examines the impact of streaming platforms on European cinema It is structured from three distinct points of view the policy issues related to streaming platforms equally at the European level and in individual countries the impact of platforms on the circulation of European films including some of the global players multi national and single nation platforms operating in Europe and the production activities of the platforms in the form of specific original films By bringing together scholars working on various national cinemas including those of France Spain Britain and other countries this collection illuminates the many ways in which the European film industry is responding to the digital revolution Chapter 5 is available open access under a Creative Commons Attribution 4.0 International License via link.springer.com

The Decline and Fall of the European Film Industry Gerben Bakker, 2005 In the 1900s the European film industry exported throughout the world at times supplying half the US market By 1920 however European films had virtually disappeared from America and had become marginal in Europe Theory on sunk costs and market structure suggests that an escalation of sunk costs during a rapid US growth phase resulted in increased concentration eight surviving companies dominated international film production and distribution forever after European film companies although overall profitable could not take part and after the war could not catch up US British and French time series data for 1890 1930 support the

theory *European Film and Television Co-production* Julia Hammett-Jamart, Petar Mitric, Eva Novrup Redvall, 2019-01-28 This volume offers an up to date analysis of film and television co production in Europe It brings together the voices of policy professionals industry practitioners and media industry scholars to trace the contours of a complex practice that is of increasing significance in the global media landscape Analysis of the latest production statistics sits alongside interviews with producers and the critical evaluation of public film policies The volume incorporates contributions from representatives of major public institutions Eurimages the European Audiovisual Observatory and the European Commission and private production companies including the pan European Zentropa Group Policy issues are elucidated through case studies including the Oscar winning feature film *Ida* the BAFTA winning *I am not a Witch* and the Danish television serial *Ride Upon the Storm* Scholarly articles span co development co distribution and regional cinemas as well as emerging policy challenges such as the digital single market The combination of qualitative and quantitative approaches and the juxtaposition of industry and scholarly voices provides a unique perspective on European co production that is information rich complex and stimulating making this volume a valuable companion for students scholars and industry professionals **The European Film Production Guide** Arthur Andersen, 2013-09-13 The European Film Production Guide sets out in one comprehensive volume the major economic financial and business considerations which independent producers need to bear in mind when making films in or with other countries within Europe Arthur Andersen provides creative solutions for its clients through audit tax business advisory and speciality consulting services Its professionals combine extensive technical competence and industry experience with innovative and progressive thought enabling Arthur Anderson to exceed client expectations European Film and Media Culture Lennard Højbjerg, Henrik Søndergaard, 2006 Brings into focus central aspects of developments in European film and media culture Through studies of both film and television the question of national identity European integration and globalisation is analysed in a both Eastern and Western European context This volume also offers several case studies Beyond the Subtitle Mark Betz, 2009 Examining European art films of the 1950s and 1960s Mark Betz argues that it is time for film analysis to move beyond prevailing New Wave historiography mired in outdated notions of nationalism and dragged down by decades of auteurist criticism Focusing on the cinemas of France and Italy Betz reveals how the flowering of European art films in the postwar era is inseparable from the complex historical and political frameworks of the time *European Cinema after 1989* L. Rivi, 2007-12-09 The book examines cinema in post 1989 Europe by looking at how the new post Cold War cinematographic co productions articulate the political and cultural objectives of a new Europe as they redefine a European identity European Cinema Jill Forbes, Sarah Street, 2017-03-05 The survival of cinema in Europe and the analysis of its heritage are key issues for the new century This book asks how we can define European cinema and how it should be studied It provides an overview of the problems traditions and key questions that have informed the study of European cinema investigating the links and tensions between Europe and Hollywood and

exploring the different experiences of national identities within a common European framework Twelve case studies of individual European films ranging from *The Battleship Potemkin* and *The Lodger* to *La Haine* and *Trainspotting* illustrate the distinctiveness and variety of cinema in Europe as well as the various critical methods by which it can be studied With its detailed analysis of films from several European countries including Britain and Russia the book encourages a comparative approach and raises urgent questions about the future of European cinema in the context of globalization It will be of interest to students in Film Studies European Studies and Modern European Languages and Cultures *Contemporary European Cinema* Betty Kaklamanidou, Ana Corbalán, 2018-12-07 This book offers a range of accounts of the state of European Cinema in a specific sociopolitical era that of the global economic crisis that began in 2008 and the more recent refugee and humanitarian crisis With the recession having become a popular theme of economic demographic and sociological research in recent years this volume examines representations of the crisis and its attendant market instability and mistrust of neoliberal political systems in film It thus sheds light on the mediation reimagination and reformulation of recent history in the depiction of personal cultural and political memories and raises new questions about crisis narratives in European film asking whether the theoretical notion of national cinema is less or more powerful during moments of sociopolitical turbulence and investigating the kinds of cultural representations and themes that characterize the narratives of European documentary and fictional films from both small and large national markets European Film Production Guide Arthur Anderson, 1996-02-29 This guide aims to provide European film producers with as much information as possible on the economic financial and business aspects of the audiovisual industry Topics include formation of an audiovisual company start up of an audiovisual project and sources of financing in Europe **Dissemination of European Cinema in the European Union and the International Market** Josef Wutz, 2014 European Motion-picture Industry United States. Bureau of Foreign and Domestic Commerce, 1929
