Whitman,2017-06-14 Foreign Policies of EU Member States provides a clear and current overview of the motivations and outcomes of EU Member States regarding their foreign policy making within and beyond the EU It provides an in depth analysis of intra EU policy making and sheds light in an innovative and understandable way on the lesser known aspects of the inter EU and extra EU foreign policies of the twenty eight Member States The text has an innovative method of thematic organisation in which case study state profiles emerge via dominant foreign policy themes The text examines the three main policy challenges currently faced by the twenty eight Member States First EU Member States must cooperate within the mechanisms of the EU including the Common Foreign and Security Policy CFSP Second EU Member States continue to construct their own inter EU foreign policies Third the sovereign prerogative exercised by all EU Member States is to construct their own foreign policies on everything from trade and defence with the rest of the world This combination of clarity thematic structure and empirical case studies make this an ideal textbook for all upper level students of European foreign policy comparative European politics and European studies

**The European Union's Africa Policies** Daniela Sicurelli,2016-12-05 The European Union EU is a key partner for African regional organizations and a major promoter of economic and political integration in the region Several studies have interpreted the EU s role in Africa as either a self interested hegemonic actor or as a value oriented normative power In this volume Daniela Sicurelli challenges these views by taking a closer look at Europe s policies towards Sub Saharan Africa in the area of peacekeeping trade and development and environmental protection Using fresh empirical evidence including interviews with both European and African officials she argues that the EU is far from becoming a unitary player in Africa Lacking a clear strategy and coherent normative framework the EU should be considered a multi level actor where national and supranational institutions have different interests and push forward contrasting views of what role Europe should play in Africa The ability of single institutions to frame an issue as requiring either intergovernmental or supranational procedures appears crucial for shaping the content of European Africa policies An original contribution to the growing literature on the EU as an international actor this book is extremely useful to scholars researchers and policy makers demanding critical work in the field of EU Africa policy

**Comparative Politics** Lisa A. Baglione, 2023-11-08 Baglione speaks cogently to our current generation of college students who came of age amidst resurgent racism and an unprecedented pandemic Audie Klotz Syracuse University It s time for a new approach to help students engage more fully with comparative politics By elevating all the components of identity as core elements of any political system Lisa A Baglione s *Understanding Comparative Politics* helps students better appreciate the lived realities of people around the world The book puts issues of race gender ethnicity and religion in context encouraging students to think critically about world regions and individual countries through the lens of current issues like social justice movements and the COVID 19 pandemic Throughout the book Baglione empowers students to be active learners in this sometimes daunting subject by engaging them in important questions grounding them in foundational concepts like geography and helping them make personal connections This title is accompanied by a complete teaching and learning package Learning Platform Courseware Sage Vantage is an intuitive learning platform that integrates quality Sage textbook content with assignable multimedia activities and auto graded assessments to drive student engagement and ensure accountability Unparalleled in its ease of use and built for dynamic teaching and learning Vantage offers customizable LMS integration and best in class support It s a learning platform you and your students will actually love Assignable Video with Assessment Assignable video available in Sage Vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life LMS Cartridge Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site *The Politics of Bad Options* Stefanie Walter, Ari Ray, Nils Redeker, 2020-11-12 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations Why was the Eurozone crisis so difficult to resolve Why was it resolved in a manner in which some countries bore a much larger share of the pain than other countries Why did no country leave the Eurozone rather than implement unprecedented austerity Who supported and opposed the different policy options in the crisis domestically and how did the distributive struggles among these groups shape crisis politics Building on macro level statistical data original survey data from interest groups and qualitative comparative case studies this book argues and shows that the answers to these questions revolve around distributive struggles about how the costs of the Eurozone crisis should be divided among countries and within countries among different

socioeconomic groups Together with divergent but strongly held ideas about the right way to conduct economic policy and asymmetries in the distribution of power among actors severe distributive concerns of important actors lie at the root of the difficulties of resolving the Eurozone crisis as well as the difficulties to substantially reform EMU The book provides new insights into the politics of the Eurozone crisis by emphasizing three perspectives that have received scant attention in existing research a comparative perspective on the Eurozone crisis by systematically comparing it to previous financial crises an analysis of the whole range of policy options including the ones not chosen and a unified framework that examines crisis politics not just in deficit debtor but also in surplus creditor countries      **The Politics of Toxic Waste** ,1998      **The**
