Argentina Eva Peron wielded a power spiritual and practical that has few parallels outside of hereditary monarchy In this fascinating frightening straightforward Cleveland Plain Dealer biography Fraser and Navarro have produced a work of great political sophistication Factual nuanced and absorbing Kirkus Reviews Photos **Eva Perón** Lesli J. Favor,2011 Women leaders of the twentieth and twenty first centuries have powerfully influenced the course of major political events and have spearheaded social change on an international scale Some women were elected to public office and others were appointed to key positions in government Some were leaders who served in the private sector All were products of their times and made an indelible mark on those times Book jacket Evita Jill Hedges,2016-10-21 Eva Peron remains Argentina s best known and most iconic personality surpassing even sporting superstars such as Diego Maradona or Lionel Messi and far outlasting her own husband President Juan Domingo Peron himself a remarkable and charismatic political leader without whom she as an uneducated woman in an elitist and male dominated society could not have existed as a political figure In this book Jill Hedges tells the story of a remarkable woman whose glamour charisma political influence and controversial nature continue to generate huge amounts interest 60 years after her death From her poverty stricken upbringing as an illegitimate child in rural Argentina Peron made her way to the highest echelons of Argentinean society via a brief acting career and her relationship with Juan After their political breakthrough her charitable work and magnetic personality earned her wide public acclaim and there was national mourning following her death from cancer at the age of just 33 Based on new sources and first hand interviews the book will seek to explore the personality and experiences of Evita and the contemporary events that influenced her and were in turn influenced by her As the first substantive biography of Eva Peron in English this book will be essential reading for anyone interested in modern Argentinean history and the cult of Evita *Eva Perón* Darlene R. Stille,2006-07 This book describes the life and accomplishments of Eva Peron whose goal in life was to improve conditions for Argentina s poor **Evita** Charles River Editors,2025-05-04 Mar a Eva Duarte de Per n known to the world as Evita stands with Jesus Christ as a highly influential historical figure who lived only 33 years The similarities do not end there as Argentine novelist Tom s Eloy Mart nez has observed Evita came to symbolize certain na ve but effective beliefs the hope for a better world a life sacrificed on the altar of the disinherited the humiliated the poor of the earth myths which somehow reproduce the image of Christ During her life she was elevated to the status of spiritual leader of her country Argentina and after death she was regarded there as a martyr and a saint by her many followers A visit to the museum dedicated to Evita s legacy in the Bot nico neighborhood of Buenos Aires reveals the spirit of quasi religious devotion that surrounds her more than simply a collection of historical displays the museum stands as a shrine to her legacy and intends to imbue its viewers with the spirit and beliefs of the deceased First Lady In one of the rooms the visitor stands in the presence of one of her most famous dresses in a centrally placed glass case with the scent of roses artificially pumped into the air Like many of the other objects the dress is presented much as were the relics of medieval saint Evita s tomb in the same city s Recoleta cemetery

constantly garlanded with fresh bouquets and notes of gratitude from pilgrims who have come to pay their respects provides further evidence of her revered presence in Argentine culture At the same time the presence of the major artifacts of Evita's person in these particular locations is also ironic and revealing of the great social divisions over which she presided Bot nico is a prestigious and wealthy neighborhood and the Recoleta is the burial place of Argentina's oligarchy Eva Perón prided herself on having antagonized and earned the hatred of precisely these social classes Over 50 years after her death Peronism the political philosophy devised by her and her husband Juan Domingo Perón remains a potent force in Argentine politics the current president identifies herself closely with the Peróns and their legacy but it also continues to inspire deep enmity While a large portion of the country sees Evita as a symbol of national pride there is also a significant sector that sees her as an impostor and a demagogue whose brilliant but irresponsible manipulation of mass politics helped sink the country into chaos Whereas some controversial political figures tend to become more broadly and neutrally admired as the distance from their lifespan grows within her own country Evita remains as much a lightning rod as ever Since her death the mythology and legend of Evita have grown monumentally Though millions worshipped Eva who nearly became the Vice President of Argentina before her premature death opinions of her still vary between two extremes While some think of her as an angelic woman who sought to uplift women and the poor others view her as a self-serving egotistical and embittered woman who used sex to rise up Argentina's social and political ladder and seek vengeance on the upper classes Evita The Life of Eva Perón humanizes the youngest of 5 siblings who once had more modest ambitions as Eva Duarte and it explores the mythology and legacy that have grown around Evita examining her representations in literature film and theatre to uncover the truth behind her enigmatic existence     Eva Perón Alicia Dujovne ORTIZ,1997     Eva Perón Joanne Mattern,2013 Rising from a childhood of poverty and disgrace Eva Perón became one of the most influential figures in Argentina's history first as a celebrity and then as the nation's First Lady To the working classes Perón was a saint who worked tirelessly to help the poor and improve life for Argentina's people To the other members of society however Perón was seen as a selfish arrogant woman who cared only about herself and her image For decades people have argued over whether she was an angel or the devil This well researched compelling presents a balanced portrayal of Eva Perón's life and achievements while looking at both sides of the controversy surrounding a woman who was truly larger than life     **Eva Perón** ,1953\*     **Eva Perón** John Barnes,1978     Juan and Eva Perón Clive Foss,2006-05-01 Juan and Eva Perón formed a charismatic partnership arousing passionate emotions in Argentina during the 1940s and 50s Juan Perón's rise to power began in 1943 when he helped organise the successful coup of pro Axis army officers Eva a former actress and subject of scandal became increasingly influential securing the vote for women     **Eva Perón** Julie Taylor,1979-11-01 Eva Perón one of the most powerful women in the world at the time of her death in 1952 rose from humble origins to international renown as First Lady of Argentina and the force behind the throne of her husband Juan Perón Despite her immense popularity she was inaccessible to the people of
