Do Federal Social Programs Work? David B. Muhlhausen,2013-04-09 Addressing an issue of burning interest to every taxpayer a Heritage Foundation scholar brings objective analysis to bear as he responds to the important and provocative question posed by his book s title Of course the answer to that question will also help determine whether the American public should fear budget cuts to federal social programs Readers says author David B Muhlhausen can rest easy As his book decisively demonstrates scientifically rigorous national studies almost unanimously find that the federal government fails to solve social problems To prove his point Muhlhausen reports on large scale evaluations of social programs for children families and workers some advocated by Democrats some by Republicans But it isn t just the results that matter It s the lesson to readers on how Americans can and should accurately assess government programs that cost hundreds of billions of dollars each year At the book s core is an insistence that we move beyond anecdotal reasoning and often partisan opinion to measure the effectiveness of social programs using objective analysis and scientific methods At the very least the results of such analysis will like this book provide a sound basis for much needed public debate *Workforce Quality and Competitiveness* ,1993 **The Workforce Investment Act** Douglas J. Besharov,Phoebe H. Cottingham,2011 This volume examines WIA objectives and the evidence on program performance and impact *Teacher Evaluation* Kenneth D. Peterson,2000-05-19 The original edition published in August 1995 challenges current teacher evaluation and school practice The book discusses stages of teacher choice teacher responsibilities for evaluation and suggests ways for teachers to become more involved and in control of their own evaluation Combining information and techniques from his academic studies and evaluation experiences Peterson presents a coherent field tested set of new practices for teacher evaluation The revised edition adds new chapters on the role of the principal in changed teacher evaluation how districts can transition from current practice to improved practices the use of national standards developments in using pupil achievement data and puts a new emphasis on developing sociologically The Internet as a resource for local development is encouraged 67 web sites are recommended as starting points New resources for local development have been added from extensive field testing and analysis forms have been improved and district level principles have been assembled Substantial material has been added on the topic of responding to deficient teacher practice Finally the research literature has been augmented **Improving the Odds** Burt S. Barnow,Christopher T. King,2000 The labor market has changed dramatically in recent decades In the 1980s an average of 2 million workers each year lost their jobs because of the increasingly global economy rapid advances in

technology and corporate downsizing During the same period immigration increased and Congress passed welfare reform legislation that required many more Americans to join the workforce Legislators have looked closely at federal job training programs in recent years and in 1998 passed the two major acts mandating change In Improving the Odds experts on labor policy explore the effects of current programs on earnings and employment recommend improvements in programs and assess the methodologies used to measure their effectiveness The editors offer several strategies to help policymakers design programs that fulfill the promise of keeping workers out of poverty Contents Publicly Funded Training in a Changing Labour Market Burt S Barnow and Christopher T King The Economic Demographic and Social Context of Future Employment and Training Programs Frank Bennici Steven Mangum and Andrew M Sum Welfare Employment Programs Impacts and Cost Effectiveness of Employment and Training Activities Lisa Plimpton and Demetra Smith Nightingale The Impact of Job Training Partnership Act Programs for Adult Welfare Recipients Jodi Nudelman Training Success Stories for Adults and Out of School Youth A Tale of Two States Christopher T King with Jerome A Olson Leslie O Lawson Charles E Trott and John Baj Employment and Training Programs for Out of School Youth Past Effects and Lessons for the Future Robert I Lerman Customized Training for Employers Training People for Jobs That Exist and Employers Who Want to Hire Them Kellie Isbell John Trutko and vBurt S Barnow Training Programs for Dislocated Workers Duane E Leigh Methodologies for Determining the Effectiveness of Training Programs Daniel Friedlander David H Greenberg and Philip K Robins Reflections on Training Policies and Programs Garth L Mangum Strategies for Improving the Odds Burt S Barnow and Christopher T King

Federal Program

Evaluations ,1983 Contains an inventory of evaluation reports produced by and for selected Federal agencies including GAO evaluation reports that relate to the programs of those agencies Common Purpose Lisbeth Schorr,2011-04-27 In her previous book *Within Our Reach* renowned Harvard social analyst Lisbeth Schorr examined pilot social programs that were successful in helping disadvantaged youth and families But as those cutting edge programs were expanded the very qualities that had made them initially successful were jettisoned and less than half of them ultimately survived As a result these groundbreaking programs never made a dent on the national or statewide level Lisbeth Schorr has spent the past seven years researching and identifying large scale programs across the country that are promising to reduce on a community or citywide level child abuse school failure teenage pregnancy and welfare dependence From reformed social service agencies in Missouri Michigan and Los Angeles to idiosyncratic public schools in New York City she shows how private and public bureaucracies are successfully nurturing programs that are flexible and responsive to the community that have set clear long term goals and that permit staff to exercise individual judgment in helping the disadvantaged She shows how what works in small scale pilot social programs can be adapted on a large scale to transform whole inner city neighborhoods and reshape America On the heels of the federal government s dismantling of welfare guarantees Common Purpose offers a welcome antidote to our current sense of national despair and concrete proof that America s social institutions can be made to work to assure that all the nation s children develop the tools to share in the American dream Evaluating Federal Social Programs Sar A. Levitan,Gregory K. Wurzburg,1979 Monograph on the evaluation of social policy programmes in the USA discusses the application of evaluation techniques and the use of evaluation within the institutional framework legislative and executive branches with particular reference to the hew department and the labour administration References *Journal of Human Services Abstracts* ,1981 **Federal Evaluations** , Contains an inventory of evaluation reports produced by and for selected Federal agencies including GAO evaluation reports that relate to the programs of those agencies *Critically Evaluating the Role of Experiments* Kendon J. Conrad,1994 **An Overview of Social Experimentation and the Digest** David H. Greenberg,1998 The Journal of Economic Perspectives ,1995 This journal attempts to fill a gap between the general interest press and other academic economics journals Its articles relate to active lines of economics research economic analysis of public policy issues state of the art economic thinking and directions for future research It also aims to provide material for classroom use and to address issues relating to the economics profession
