Evangelio De Los Esenios Libro I Y II:

El enigma de los esenios Hugh Schonfield, 2005-04 Desde el descubrimiento de los Manuscritos del Mar Muerto sabemos mucho más acerca de la comunidad judía de los esenios que floreció en Palestina durante la época de Jesús y especialmente sobre la misteriosa personalidad del líder de la secta cuyo nombre e identidad ocultaron celosamente sus seguidores Host Bibliographic Record for Boundwith Item Barcode 30112044669122 and Others ,2013 Libros españoles en venta, ISBN ,1997 *Libros españoles en venta* ,1993 **Así empezó el cristianismo** Rafael Aguirre Monasterio, David Álvarez Cineira, Carmen Bernabé Ubieta, María Elisa Estévez López, Carlos Gil Arbiol, Santiago Guijarro Oporto, Esther Miquel Pericás, Fernando Rivas Rebaque, 2021-01-19 Para comprender el surgimiento del cristianismo hay que atender a numerosos factores que intervinieron en un proceso complejo y conflictivo En este libro se analizan críticamente textos de distinta naturaleza Se recurre también a categorías sociológicas porque de un proceso social se trata y a categorías antropológicas porque hay que dialogar con culturas diversas Además hay que considerar aspectos ideológicos y teológicos porque el cristianismo expresaba la experiencia religiosa de Jesús interpretada por grupos de sus discípulos de muy diferente condición Esta obra colectiva afronta los orígenes del cristianismo de forma crítica interdisciplinar y con la convicción de que una rigurosa reconstrucción de sus inicios es un poderoso estímulo para que el cristianismo de nuestros días se libere de lastres pesados encare exigencias ineludibles y descubra nuevas posibilidades **MENTIRAS SAGRADAS Vs. VERDADES PROFANAS** Christian Schneider Abushihab, 2014-11-07 Sinopsis del libro MENTIRAS SAGRADAS Vs VERDADES PROFANAS Por Christian Schneider Abushihab En el prefacio el libro comienza con la historia de una jovencita de diez y seis años quien estando presente en una capilla en la ceremonia del bautismo de un bebé de la familia empieza a discutir con su madre acerca de los cuestionados dogmas de fe transcritos en la oración católica denominada El credo Niceno Esta pequeña historia revive desde sus cenizas y actualiza en forma moderna el antiquísimo conflicto que significó la pugna entre diferentes facciones cristianas como las sectas cristianas gnósticas y arrianas en contra de lo defendido por el cristianismo romano ortodoxo hoy en día el cristianismo católico y protestante pugna ideológica relacionada con la cuestionada divinidad de Jesús la validez o no de los conceptos de Espíritu Santo y Santísima Trinidad y la consistencia o no del tema de la virginidad de María pues según se menciona en tres de los cuatro evangelios canónicos María tuvo cuatro hijos y varias hijas los hermanos de sangre de Jesús verdad más muy concluyente y que se opone totalmente a los dogmas de fe y a los intentos de ocultamiento y tergiversación por parte de la iglesia de esta polémica verdad histórica En los primeros capítulos del libro se hace un recuento de los excesos perpetrados por la iglesia con la tristemente célebre institución de la Santa Inquisición Se pretendió imponer por la fuerza unos dogmas de fe incontrovertibles a través de seiscientos años de vejámenes sangre y tortura En particular se hace referencia a la aniquilación del pueblo Cátaro a manos de la Cruzada Albigense promovida por el papa Inocencio III y ocurrida en el siglo XIII en el sur de Francia en la región del Languedoc cruzada a través de la cual se exterminó al pueblo Cátaro y a

todo exponente que se atrevi a manifestar su pensamiento e ideología de tendencia Gnóstica. Así mismo en la iglesia contemporánea se ha buscado ocultar y desaparecer toda evidencia acerca de la posible autenticidad de una serie de leyendas que pululan en dicha región sobre la descendencia y estirpe de sangre de Jesucristo con la hipótesis de que su probable consorte era la recordada y muy venerada María Magdalena. De otra parte propende el libro por la supresión de los sistemas de creencias negativos establecidos que se nos han pretendido imponer a través del miedo y la coerción instaurando amenazas de castigos por pecados de toda índole incluso pecados que ni hemos cometido y que ni siquiera hemos intentado cometer como el muy famoso pecado original el cual no es más que un producto de la tergiversación de las doctrinas cristianas primitivas. Los planteamientos presentes en contra de esos sistemas de creencias surgen en los diálogos de tres novelescos personajes protagonistas del libro y que desean apartarse de los lineamientos establecidos por la iglesia católica romana como Dogmas de fe buscando una verdad más pragmática y realista y menos prodigiosa negativa y fantástica. En los siguientes capítulos después de derribar las creencias falsas se ofrecen las respuestas de esperanza. El objetivo es mostrar al lector la capacidad intrínseca que tiene en sí mismo para proveerse todas las soluciones y ayudas requeridas en su camino por la vida siempre y cuando se acostumbre a visualizarse como un Ser con un ascendiente Divino y que posee todo el potencial para ayudarse a sí mismo y finalmente lograr un contacto directo en su interior con La Fuente La Luz de la Conciencia Infinita sin necesidad de acudir a intermediarios de ninguna clase.

Atlas histórico del cristianismo Andrea Dué, Juan María Laboa, 1998. El Cristianismo es una religión revelada un acontecimiento histórico singular que no puede ser identificado con un simple sistema de pensamiento o con un movimiento filosófico. Su fundador se encarnó en una sociedad precisa en un pueblo y una cultura determinados. Estos factores marcaron de manera sustancial el origen y la evolución posterior del cristianismo y de la Iglesia. Por su misma naturaleza y habiéndose desarrollado en unas coordenadas de espacio y tiempo es correcto aproximarse al cristianismo por medio de un atlas lugar histórico tiempo. Los primeros concilios las guerras de religión la expansión misionera son algunos de los 76 capítulos que componen este Atlas Histórico del Cristianismo.

Libros en venta en Hispanoamérica y España, 1974 **LEV**, 1997 **Reforma**, 1908 **La Biblia** Michael Keene, 2003-10. Sin duda la Biblia es uno de los textos sagrados de mayor impacto. Su creación y validación es una historia rica en discusiones teológicas e históricas en acontecimientos que han sido cuestionados por unos y validados por otros en momentos que han sido determinantes para el desarrollo del cristianismo. Todo esto es explicado por Michael Keene con la sencillez y claridad de un conocedor de este texto sagrado. En esta obra el autor explica cómo se fue conformando la Biblia cómo fueron discutidas cada una de sus partes proporcionando los argumentos que dieron lugar a su aceptación o exclusión por parte de las autoridades eclesásticas correspondientes. Del mismo modo muestra las diversas versiones de este libro sagrado que existen en la actualidad y describe el credo al que corresponden.

Gran Larousse universal: Aalto-Zurich, 1996*

El Evangelio Esenio de la paz, 1991-12. Continuación de las palabras de Jesús traducidas del Arameo por el Dr. Székely.

Cuando los hombres te pregunten a qu pa s perteneces diles que no eres ni de ste ni de aquel pa s pues en verdad es tan s lo el pobre cuerpo el que naci en un determinado rinc n de la tierra M s t oh Hijo de la Luz perteneces a la hermandad que abarca a los cielos y m s all de los cielos Del Padre Celestial descendí la simiente no s lo de tu padre y de tu abuelo sino de todos los seres que son engendrados en la tierra En verdad eres hijo de Dios y todos los dem s hombres son tus hermanos

El Evangelio de los Esenios Edmond Bordeaux Székely,2005 Y Jes s dijo Felices de vosotros Oh Hijos de la Luz pues hab is entrado al inmortal camino y transit is por el sendero de la verdad como vuestros padres lo hicieron antiguamente y quienes fueron ense ados por los Grandes Con los ojos y o dos del es *El evangelio de los esenios* Edmond Bordeaux Székely,2001 *Lectura libérrima del Evangelio de los esenios* Virgilio Leal Moret,2021
