Evangelism And Christian Experience:

Evangelism Outside the Box Rick Richardson, 2025-07-31 It used to be that providing clear evidence for the resurrection of Jesus or the reliability of the Bible was a pretty effective way to reach people with the Good News But today many folks think all truth is relative even our historical and scientific data about Christianity So how can we reach them We need new ways of telling people the old old story We need to look again at our usual mental habits if we want to reach people who have a brand new mindset of their own We need to get outside the box of ideas and practices that are sacred to us but are not sacred to God That s what Rick Richardson s book is all about Here are fresh perspectives on relying on the Holy Spirit awakening spiritual interest in others appealing to what they value instead of what we think they should value and leading them into a transforming experience with God Also included is Richardson s *Circles of Belonging* a new straightforward presentation of the message of Jesus yes it can even be sketched out on a napkin that is true to Scripture and true to the new way people live and think As an experienced evangelist and leader of evangelism programs Richardson offers in this helpful book the principles and practices that will help us all grow in love for and communicate effectively with people who need Jesus

The Mystic Way of Evangelism Elaine A. Heath, 2017-11-07 Elaine Heath brings a fresh perspective to the theory and practice of evangelism by approaching it through contemplative spirituality This thoroughly revised edition includes a new study guide Praise for the First Edition Outreach Resource of the Year Award Winner Heath s biographies of the mystics are inspiring and her emphases on suffering and spiritual depth as the antidote to a prepackaged method obsessed consumer oriented evangelistic approach are refreshing Outreach

Graceful Evangelism Frances S. Adeney, 2011-02-01 The word evangelism evokes strong reactions among Christians Conflict about what it is whether to do it how to go about it and the desired results divides churches demonstrating the need for new theologies and methods that address today s religiously pluralistic and secular contexts This book offers a comprehensive treatment of evangelism from biblical models to contemporary practice Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars social action vs proclamation with a more graceful approach to sharing God s good news with the world

Evangelism and Christian Experience John Samuel Stamm, 1930

Evangelism Without Additives Jim Henderson, 2009-01-20 What if evangelism meant just being yourself If the gospel really is good news why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn t it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn t have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you re already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that

people will ask you about Jesus This isn't another program or pitch It's a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us **God's Dream** Mark Gilpin, Fiona Gilpin, 2020-05-23 Does the thought of doing evangelism fill you with fear and make you want to run for the door Do you struggle to find motivation to share your faith Have you had uncomfortable experiences with evangelism that you would rather not repeat If so this book is for you God's Dream will take you on a journey to discover the purpose God has for you in fulfilling his dream It will inspire you to try evangelism again no matter what your previous experiences have been This is the best book I have read on evangelism in the past ten years Derrick YWAM Missionary For many God's Dream will redeem the concept and practice of evangelism It is practical and theologically thorough David Webster MA Eastgate Church Director Today more people are becoming Christians than at any other point in history but in modern western culture relatively fewer people come to know God and many Christians struggle with evangelism Through their personal stories and those of others Mark and Fiona question why this is They look afresh at evangelism and reimagine it from God's perspective They consider what can be learnt from how Jesus did evangelism and how he introduced people to the good news of the kingdom Visit www.godsdream.info to find out more about the authors **Rural Evangelism** Kevin E. Ruffcorn, 1994 Aware that pastors and church members need a new vision for evangelism in small towns and rural areas Ruffcorn presents lively suggestions and new understandings gleaned from his workshops on rural evangelism and his own experience He emphasizes the need for congregations to dwell on both the inward and outward aspects of nurturing their own members and reaching out to neighbors **Evangelism in a Post Christian Culture** Dr Alastair Ferrie, 2008-08-29 Evangelism in a Post Christian Culture is the challenge facing the church today Alastair Ferrie brings more than thirty years experience of preaching the gospel and sharing his faith One of the greatest needs of the growing church is a training program for the whole church in evangelism Those engaged in ministry will find this work invaluable and those committed Christians in the pews will find this book a framework which will revolutionize their effectiveness in evangelism Many Christians will admit to not knowing where to begin This book explains and outlines an approach that can be used effectively in sharing the gospel The material will also be useful for preaching and for use in Bible discussion groups A companion volume to this work Step by Step Aftercare for New Christians is also published by iUniverse Credit for Cover Ray Ferrie The book begins with a discussion on worldview which explains the difficulty we often have in communicating the gospel with a world that has truly become post Christian A five fold foundational Christian worldview is put forward and contrasted with a Darwinian model so prevalent in the world today This is followed by several chapters outlining an approach to evangelism based on the seven signs of John's gospel These things are written that you might believe The book is rounded off with several chapters with the theme I believe because These are arguments that the author has presented in many home Bible studies to help people to see some reasons for believing The world is constantly presented with reasons for NOT believing and it is time for the church to step forward

with some reasons for believing **Doctrine and Evangelism** Vincent Taylor,2009-05-11 This distinguished New Testament scholar calls his book by this title because he has a deep conviction that men cannot effectively spread a faith until they know what it really is that Evangelism must always depend upon a knowledge of Doctrine Nor is doctrine anything other than plain clear teaching yet thousands of sincere Christians have little idea that the Faith they cherish does comprise such marvels in its Creed In this book Dr Taylor examines the Christian doctrines one by one in a simple yet deeply moving and revealing way and throws light upon all that he touches *Offering Christ* Jack Jackson,2017-06-06 After decades of conversation serving up a mosaic of understandings of Wesleyan evangelism focusing on proclamation initiation and embodiment Jack Jackson offers a clearer portrait of Wesley s evangelistic vision understood through the lens of offering grace Any discussion of Wesley s vision of evangelism must center on the proclamation of the story of God in Christ But for John Wesley evangelism was much more than preaching for conversion This book offers a fresh conception of Wesley s evangelistic vision by analyzing his method of gospel proclamation Wesley was not constrained by the truncated vision of evangelism that has been dominant since the late nineteenth century one that all too often centers on group preaching with a sole emphasis on conversion Rather he stressed a number of practices that focus on a verbal proclamation of the gospel These practices occur in a variety of settings only one of which is public preaching and result in a number of responses only one of which is conversion Of crucial importance for current theological students clergy and church leaders around the world the book demonstrates that visitation for the purpose of spiritual direction and evangelism was in many ways the critical leadership and pastoral practice of early British Methodism This book offers important insights into early Methodism that inform both contemporary practices of evangelism and Christian leadership for both clergy and laity **Telling the Gospel Through Story** Christine Dillon,2012-05-15 Church planter Christine Dillon has discovered that Bible storying is far more effective than most other forms of apologetics or evangelistic presentations Her book explains how to shape a good story how to do evangelism through storying and lead Bible discussions Here are concrete steps for sharing the Story that everyone needs to hear **Challenging Reflections on the Christian Life** J.L. Moore,2011-04-25 When is the last time you were discouraged in your relationship with God were distracted by a crying infant during a church service shared the gospel with an unbeliever heard someone say they rededicated their life to Christ heard an intense conversation about sports among Christian men were equipped by your pastor to present and defend the gospel If your experience is similar to most Christians you have probably never spent much time reflecting on the issues above as they pertain to the seriousness of the Christian life Challenging Reflections on the Christian Life covers topics that include raising children in the church evangelism apologetics men and sports the concept of rededication the pastors primary responsibility infants in the sanctuary knowing God and much more This book is designed to encourage you to give deep contemplation to the all too common experiences encountered in the Christian life and lead you to an awakened sense of reverence for God and passion for the truth Whether

you are a new Christian or a seasoned pastor this book will cause you to rethink much of what you see in your life and in your church This book is inspiring encouraging and challenging The author carefully and faithfully handles the Scriptures and applies them to our lives Every Christian will profit from reading this book Dr Norman Geisler Professor of Apologetics Veritas Evangelical Seminary

Evangelism and Christian Experience John S. Stamm, 2013-10 This is a new release of the original 1930 edition

The Experience Meeting William Williams, 2003-10 The experimental or experiential aspect of the Christian life has been seriously neglected during the present century Certain factors and tendencies have led to this unfortunate condition Chief among these has been a superficial evangelism which has neglected real conviction of sin and repentance and encouraged an easy believism Secondly there has been a theory of sanctification more psychological than spiritual and scriptural which has discouraged self examination and taught that we have only to leave it to the Lord Thirdly and more recently has been an unbalanced emphasis on intellectual understanding of Truth the social application of Truth and the manifestation of particular spiritual gifts All this has greatly impoverished the spiritual life of both the individual Christian and the churches and led to coldness barrenness and loss of power The greatest need of the hour is a return to the emphases of the Evangelical Awakening It is in the belief that this classic of the spiritual life and warfare can greatly stimulate and hasten that return that I encouraged my wife to translate it and am now happy to commend it and to advise all Christians to read it I would particularly urge ministers and pastors to read it not only because it will prove to be an invaluable help in what is now called counselling of individuals but also because I would press upon them the importance of introducing such meetings into the life of their churches Much untold blessing would follow From the introduction by Dr D M

Lloyd Jones Rev William Williams was a preacher and leader in the 18th century in Wales A great hymn writer and poet he became the recognized leader and authority in organizing and conducting the experience meetings of the Methodist or Evangelical Awakening Show Me How to Share the Gospel R. Larry Moyer,2019-03-21 Drawing upon over thirty five years of experience in evangelism Larry moyer introduces readers to the exciting reality that believers can learn how to share the Gospel with others clearly and confidently If someone introduced you to the most rewarding thing in life would you take it Of course And that s just what we have to offer to others Introducing Jesus Christ to someone is not only the most important thing you could do for them but also the most personally rewarding thing you could do for yourself Even if you think evangelism isn t for you this step by step resource shows you how to start and nurture an evangelistic life style

Models of Evangelism Priscilla Pope-Levison,2020-10-27 Many sincere Christians dismiss evangelism due to enduring evangelistic caricatures This book helps readers move beyond those caricatures to consider thoughtfully and practically how they can engage in evangelism whether it s through one on one conversations social media social justice or the liturgy of worship services At once biblical theological historical and practical this book by a seasoned scholar offers an engaging well researched and well organized presentation and analysis of eight models of evangelism Covering a breadth of approaches from personal evangelism to media evangelism and everything in between Priscilla Pope Levison encourages readers to take a deeper look at evangelism and discover a model that captures their attention Each chapter introduces and assesses a model biblically theologically historically and practically allowing for easy comparison across the board The book also includes end of chapter study questions to further help readers interact with each model **Out of the Saltshaker and Into the World**

Rebecca Manley Pippert,2021-01-19 Jesus says his followers are the salt of the earth But how do we cut through fear and guilt to communicate our faith effectively Now part of the IVP Signature Collection this bestselling classic by Rebecca Manley Pippert offers a refreshing view of evangelism as a lifestyle pointing to Jesus as our model and helping us feel relaxed and enthusiastic about sharing the good news Finding God in Your World David M. If you have questions about God where God fits in your world and how you might live out a more confident faith in a world of uncertainty Finding God in Your World is a great book for you Dr Durst helps you wrestle with the big questions of your spiritual life and faith in an honest manner that will quickly grab your heart as well as your mind He writes with depth and insight yet provides an engaging and enjoyable read Dan Reiland

Executive Pastor 12Stone Church Lawrenceville GA This is a book that compels readers to think at multiple levels and move out of old clichés I was captured with this phrase Wholeness salvation is offered at the intersection of our spiritual world and our spiritual source I highly recommend this as a discipleship tool not a quick fix but a lifelong journey Jo Anne Lyon General Superintendent Emerita The Wesleyan Church

Soul Whisperer Gary Comer, 2013-02-19 What if we changed the face of evangelism In a time when so many have a negative perception of evangelism what if a new model was entirely biblical loaded with skills and more effective Soul Whisperer shifts the emphasis from telling to a drawing paradigm It develops biblically the pattern of Jesus who did not give static presentations but rather customized his words to each hearer By learning his ways our words too can have pinpointed impact Christians will discover how to draw out first in order to read their friends and discern the relevant appeal of the gospel In this way the style is far more dynamic It adapts Understanding the non believer's unique starting point will determine a distinct path By creating a conversation about spiritual influence and what is involved in faith formation this book charts ways for Christians to go deeper in evangelistic relationships Most importantly Soul Whisperer infuses skills that will shape a more Christ likened missional disciple
