Evangelism And Church Growth A Practical Encyclopedia:

A Practical Encyclopedia of Evangelism and Church Growth Elmer L. Towns, 1996 This encyclopedia will emphasize principles of evangelism because they are transtemporal and crosscultural i e a principle is eternal These are seen explicitly or implicitly in Scripture and therefore we must analyze them to understand evangelism Specifically a method is defined as the application of a principle to culture As such Sunday school is considered a method while while reaching people for Christ and teaching them is the principle used in Sunday school In the same sense Vacation Bible School is a method that has reached millions of children and adults for Christ because it used the eternal principles of evangelism The basis for choosing individuals to be described in this volume is their total life influence in the cause of evangelism Many famous individuals in the history of the church are not included because their primary influence was in education or other ministries of the Church Those included had a great influence on evangelism and church growth Those associated with evangelism or church growth who are still living are omitted because the total influence of their ministry cannot be measured However some men who have made an obvious influence but are still alive will be included such as Billy Graham D James Kennedy David Yonggi Cho and Bill Bright This volume includes articles on some of the newest areas of evangelism such as seeker services evangelizing the Boomers and Busters and modern church growth terminology such as the homogeneous unit principle and people movements It also includes material from church history such as the First Awakening and the history of the gospel invitation But it also includes practical material on using Sunday school enrollment to reach people for Christ and evangelism through small groups

Evaluating the Church Growth Movement Zondervan, 2010-06-01 What exactly is the Church Growth movement This timely volume in the Counterpoints series addresses the history of the movement that has become such an enormous shaping force on the Western church today and it explores in a roundtable forum of leading voices five main perspectives on the classic Church Growth movement Effective Evangelism View presented by Elmer Towns Gospel in Our Culture View presented by Craig Van Gelder Centrist View presented by Charles Van Engen Reformist View presented by Gailyn Van Rheen Renewal View presented by Howard Snyder Each view is first presented by its proponent then critiqued by the co contributors The interactive and fair minded format allows the reader to consider the strengths and weaknesses of each view and draw informed personal conclusions Evaluating the Church Growth Movement concludes with reflections by three seasoned pastors who have grappled with the practical implications of Church Growth The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Study of Evangelism Paul W. Chilcote, Laceye C. Warner, 2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious

theological engagement and reflection. Bucking that how to trend, The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice. Helpfully organized into six categories, these broad, diverse writings lay a solid scholarly foundation for meaningful dialogue about the church's practice of evangelism.

The Everychurch Guide to Growth Elmer L. Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries, breaking through barriers and growing into the future.

The Popular Encyclopedia of Church History Ed Hindson, Dan Mitchell, 2013-08-01 Announcing the newest release in our well-received Popular Encyclopedia series, The Popular Encyclopedia of Church History, an ideal resource for anyone who wants a clear, user-friendly guide to understanding the key people, places, and events that shaped Christianity. General editors Ed Hindson and Dan Mitchell have extensive experience with producing reference works that combine expert scholarship and popular accessibility. Together with a broad range of well-qualified contributors, they have put together what is sure to become a standard must-have for both Bible teachers and students. With nearly 300 articles across 400 pages, readers will enjoy a comprehensive panorama of church history from Acts 2 to today, a clear presentation of how the church and its teachings have developed, concise biographies of major Christian figures and their contributions, fascinating overviews of key turning points in church history. This valuable resource will enrich believers' appreciation for the wonderful heritage behind their Christian faith.

What's Right with the Church Elmer L. Towns, 2009-09-15 The early believers of Jesus Christ knew that they were not just members of an organization nor were they just an extension of Old Testament Judaism. They knew that they were followers of the living Lord Jesus Christ. They were members of a thing called the church. Through the centuries, the church has been the most powerful transforming force in history. Yet in America, many observe it as anemic and powerless. Author Elmer Towns contends that there is good news: there are many things that are still right with the church. What Is Right with the Church affirms the positive things that are present in the church today and what will carry it forward as a transforming force. This book is not a defense of the traditional church nor does it run to embrace all new forms of worship. Rather, this book examines the biblical nature of church, allowing the best to come forth. It is not a book about old churches, new churches, or home churches. It is a book about what is right about every true church, no matter the expression, history, or culture. A growing number of people are not aware of the enduring strengths of the church. The author contends that if believers in Christ are to effectively move forward with healthy communities and a vibrant faith in this new century, they must be established on foundational biblical truths and core values. And when this happens, the church thrives as a transforming force.

How to share your Christian Faith *The Encyclopedia of Christian Literature* George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles *The Popular Encyclopedia of Apologetics* Ed Hindson,Ergun Caner,2008-05-01 The perfect combination of scholarship and accessible presentation for Christians who desire to know how to better understand and defend their faith Bestselling authors Ed Hindson and Ergun Caner have brought together a who s who of apologetic experts including Lee Strobel Norm Geisler Josh McDowell and John Ankerberg to produce a resource that s both easy to understand and comprehensive in scope Every entry provides a biblical perspective and mentions the key essentials that believers need to know about a wide variety of apologetic concerns including issues concerning God Christ and the Bible scientific and historical controversies ethical matters genetic engineering homosexuality ecology feminism a Christian response to world religions and cults a Christian response to the major worldviews and philosophies of our day Included with each entry are practical applications for approaching or defending the issue at hand along with recommendations for additional reading on the subject **The Ten Most Influential Churches of the Past Century** Elmer Towns,2015-01-20 Your Church Can Influence the World History has shown that great leaders have the ability to reach beyond the walls of their churches to influence cultures for Christ We ve seen it in the Pentecostal Charismatic movement in the explosive growth of house churches in Communist China in the expansion of the Southern Baptist Convention and in the worldwide rise of praise and worship music led by Hillsong Church among other phenomena In *The Ten Most Influential Churches of the Past Century* Dr Elmer Towns presents evidence of the powerful influence of these churches and how their innovative strategies and faith accomplish these goals Then he tells how you can apply these principles to your church You will learn how some of the most influential leaders in Church history

became conduits for your future ministry and how your church can experience exponential growth Most importantly you will see that the great results in these ten churches grow out of the power of the Word of God the ministry of many dedicated lay workers the faith producing ministry of great leaders all under the anointing of the Holy Spirit Transforming Mission Theology Charles Van Engen,2017-10-01 Missiology Permeated with Theological Reflection This volume is the culmination of Van Engen s teachings but takes us to an even deeper level Since mission is first and foremost God s mission theological reflection must be permeated by missiological understanding and our missiology must be permeated with theological reflection Mission theology is an activity of the Church of Jesus Christ seeking to understand more deeply why how when where and wherefore the followers of Jesus may participate in God s mission in God s world **Perimeters of Light** Elmer Towns,Ed Stetzer,2018-03-20 How much biblical contents is needed for a sermon to be true preaching Does God have a preferred style of Sunday worship What makes a church the Church Almost everyone knows the difference between light and darkness But what is the boundary between them When does a Christian leave the edge of light and enter the world of darkness Elmer *Family in Mission* Johannes Reimer,2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God s intended vehicle for experiencing life community and growth In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church s greatest resource for transmitting truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes Transformational Leadership: The Senior Pastor's Impact on Church Effectiveness David Rumley,2011-09-29 Struggling with church health and growth Struggling with growing in your personal leadership abilities and impact This book provides a greater understanding of leadership church growth and church effectiveness It engages the audience to learn transformational leadership and how the pastor can be more effective in how they lead Learn from recent research the impact a senior pastor makes on churches effectiveness and why transformational leadership style will impact the health and growth of a church The Master's Way of Personal Evangelism Robert E. Coleman,1997 From the author of the bestselling book The Master Plan of Evangelism comes this study manual on the personal evangelism style of the Son of God An interactive guide this work includes insights 12 examples drawn from the life of Jesus suggestions for small group meetings an action plan personal questions and observations from each chapter **Reaching the Resistant** J. Dudley Woodberry,1998-09-15 The lands where Muslims Jews and Christians have encountered each other are littered with the ruins of fortresses Each faith community built barriers to keep out the enemies of their faith The present studies look at the barriers erected by peoples considered resistant to the

gospel and the bridges God is using to carry the gospel to them **Walking with Giants** Elmer L. Towns, 2012-09-03 Elmer Towns is known around the world as cofounder of the world's largest Christian university and as author of more than 175 popular books on prayer, spirituality and the church. He is also known as a motivator par excellence of men and women who long to be exceptional for the cause of Christ. But not many people know that a long desert experience lies behind Towns's extraordinary success, an experience that taught him how to be in the words of the apostle Paul crucified with Christ Galatians 2:20. In these memoirs, one of the modern church's most influential teachers shares his fascinating life story, drawing out principles that can be applied by anyone seeking to become great in God's kingdom. Leaders and students alike will be challenged to greater faithfulness and encouraged to seek God more deeply. [Planting Reproducing Churches](#) Elmer Towns, 2018-01-16 The church was meant to multiply. For where two or three are gathered together in My name, I am there in the midst of them. Matt 18:20. Are you interested in planting a church that has exponential impact? If so, you will be partnering with God to build something that is alive, vital and majestic. There is a parallel between
