Evangelism By Fire Igniting Your Pabion For The Lost:

Evangelism by Fire Reinhard Bonnke, 1992-12 By the Way Preston Williams, II, 2002-06 Understanding The Fivefold Ministry Matthew D Green, 2015-01-26

The ministry gifts are alive and well today When Jesus ascended to heaven He left gifts behind apostles prophets evangelists pastors and teachers But their operation has often been surrounded by neglect confusion and outright controversy Jack Hayford Cindy Jacobs Reinhard Bonnke C Peter Wagner Fuchsia Pickett Tommy Barnett and many others combine decades of experience reflection and biblical study to uncover the true purpose for the fivefold ministry Find answers to these questions regarding the release and shepherding of the fivefold ministry Who are the modern day apostles and why does the church still need them What are the marks of an authentic prophet and how should we judge prophecy How do you know if you re called to be an evangelist and what s the most effective method for leading an unbeliever to Christ Why are teachers so influential and how do we discern false doctrine What is the role of the pastor in the twenty first century and how is it changing How do the five ministry gifts cooperate in the local church and who s in charge when all five are active God is building His body around the world in the most unexpected ways through the most unexpected people Take a self test to find out where your gifts lie and what area of ministry God may have custom designed you for

Pentecostal movement and charismatic movement Evangelische Kirche in Deutschland (EKD), 2022-05-24

In many countries Pentecostal churches are the fastest growing Christian group About one quarter of Christians around the world belong to a Pentecostal or charismatic church The denominational landscape is thereby changing also increasingly in Europe How can a constructive dialogue succeed which does not ignore critical aspects This is the guiding question of the orientation aid of the EKD chamber for worldwide ecumenism To facilitate dialogue it first introduces the history and typology of the Pentecostal movement and on the basis of case studies draws a broad panorama of its cultural forms A focus of the volume is on the discussion of fundamental theological questions that arise in conversation with Pentecostal churches

Political Spiritualities Ruth Marshall, 2009-08-01

After an explosion of conversions to Pentecostalism over the past three decades tens of millions of Nigerians now claim that Jesus is the answer But if Jesus is the answer what is the question What led to the movement s dramatic rise and how can we make sense of its social and political significance In this ambitiously interdisciplinary study Ruth Marshall draws on years of fieldwork and grapples with a host of important thinkers including Foucault Agamben Arendt and Benjamin to answer these questions To account for the movement s success Marshall explores how Pentecostalism presents the experience of being born again as a chance for Nigerians to realize the promises of political and religious salvation made during the colonial and postcolonial eras Her astute analysis of this religious trend sheds light on Nigeria s contemporary politics postcolonial statecraft and the everyday struggles of ordinary citizens coping with poverty corruption and inequality Pentecostalism s rise is truly global and *Political Spiritualities* persuasively argues that Nigeria is a key case in this phenomenon while calling for new ways of thinking about the place of religion in contemporary politics
