*Evangelism Without Additives* Jim Henderson,2009-01-20 What if evangelism meant just being yourself If the gospel really is good news

why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn't it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn't have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you're already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn't another program or pitch It's a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us     Personal Evangelism J C Macaulay, Robert H Belton, 2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self-righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou     Lifestyle Evangelism Dr. Joe Aldrich, 2006-03-01 Finding common ground and earning the right to be heard is the secret to lifestyle evangelism In this classic bestseller now released as a mass market paperback Dr Joe Aldrich shows us how we can build genuine caring relationships with nonbelievers that will open their hearts to the gospel message The author's approach is biblical practical and natural Lifestyle Evangelism is the definitive work in introducing people to the Savior in a way that displays God's authentic love for the lost     Evangelism Harvie M. Conn, 1982

Power, 2012-01-13 Thoughtful Christians are legitimately perplexed by a number of issues relating to the church's belief and practice They are perplexed partly because they recognize that the issues themselves are thorny and partly because they are not sure how to test the

mutually inconsistent theories and explanations affirmed by diverse voices speaking with equal assurance Most Christians find relatively little occasion or encouragement to address their perplexities with intellectual candor and integrity If they dare to acknowledge their theological perplexities at all they are too often told that these perplexities are unimportant or that they can be answered very simply or that they should be left to the experts *Guide for the Christian Perplexed* written by members of the faculty of Wycliffe College Toronto aims to explore a diversity of issues and questions to do with our knowledge of Jesus othe meaning of suffering othe function of doctrine othe understanding of Scripture othe place of other religions othe challenge of atheism othe pleasures and complications of sexuality othe nature of worship othe way to evangelize ounderstanding who our neighbor is locally and globally odiversities of spirituality Here you will find thoughtful reflections and answers to the questions around these issues A study guide is included for individual and group use     *Good News Church* John P Bowen, Michael P Knowles, 2018-05-28 In more than forty years of ministry Harold Percy has sought to waken a slumbering church by reminding it of its true calling to imaginative evangelism faithful discipleship and innovative leadership As a priest in the Anglican Diocese of Toronto and as founding Director of the Wycliffe College Institute of Evangelism Harold has challenged and encouraged leaders in a range of denominations across Canada through articles and books conferences and workshops This book engages in lively dialogue with Harold s many contributions to the life of the church today with chapters on leadership discipleship spirituality congregational ministry and missional outreach from eighteen pastoral practitioners all of whom continue to expand on his unique legacy in the service of Christ
