## **Evangelism Now Then:**

Evangelism Michael Green,1992      **Evangelism, Now & Then** Michael Green,1982      Evangelism after Christendom Bryan Stone,2007-03-01 Most people think of evangelism as something an individual does one person talking to one or more other people about the gospel Bryan Stone however argues that evangelism is the duty and call of the entire church as a body of witness Evangelism after Christendom explores what it means to understand and put to work evangelism as a rich practice of the church grounding evangelism in the stories of Israel Jesus and the Apostles This thorough treatment is marked by an astute sensitivity to the ways in which Christian evangelism has in the past been practiced violently intentionally or unintentionally Pointing to exemplars both Protestant and Catholic Stone shows pastors professors and students how evangelism can work nonviolently      **Essentials of Evangelism** Tom Malone,2000-08      *Much Closer Now Than When We First Believed* Gene George,2024-10-26 A diagnosis of cancer frees the author to answer God s call into kingdom work even while he confronts his mortality and the pain and anxiety that come with a terminal disease The Apostle Paul sums up the author s experience of God s truth by writing This is all the more urgent for you know how late it is time is running out Wake up for our salvation is nearer now than when we first believed Romans 13 11 NLT      **The Living Church** ,1946

**Evangelism** Sean McGeever,2023-05-17 Evangelism is the heart of pastoral care In *Evangelism For the Care of Souls* Sean McGeever reminds ministers that announcing and reannouncing the good news of Jesus is central to pastoral care The crucified Jesus has been raised from the dead and is Lord of all The gospel rightly belongs at the start of a Christian s life but its role does not end there It is the balm and cure of our hearts for all of life And evangelists must not confuse the messenger with the message We must all be evangelized and re evangelized Avoiding a simplistic manipulative or guilt inducing message *Evangelism For the Care of Souls* presents a vision and strategy for ministers to evangelize in a way that is refreshing biblical and sustainable      **Evangelism Without Additives** Jim Henderson,2009-01-20 What if evangelism meant just being yourself If the gospel really is good news why do most Christians avoid evangelism Why is witnessing often a negative experience for both the sender and receiver Wouldn t it be great if you could communicate the good news without having to become a spiritual salesperson What if you didn t have to make a speech in order to witness you could use everyday experiences to nudge others closer to Jesus the things you re already doing counted as evangelism Evangelism can be as normal as asking great questions and paying attention to the people Jesus misses most It involves doing things you already do but with a little more intentionality Just by being yourself and becoming unusually interested in others you can discover that people will ask you about Jesus This isn t another program or pitch It s a handbook on how to make real connections with the people formerly known as lost Think of it as evangelism for the rest of us      **Tongues of Fire** Mary Beavers,2005-04 Committed to becoming an ambassador for Christ Become a true disciple or evangelism teacher by studying God s orchestrated plan for discipleship and spiritual multiplication from Genesis throughout the New Testament      **Aldersgate**

**Primitive Methodist Magazine** ,1907     The Christian Century ,1915     **Offer Them Life** Dan W. Dunn,2013-07-15 In this book Dan Dunn proposes that the biblical theme of life is extremely important and thus provides a helpful foundation for the theory and practice of evangelism He makes a strong case for Christ followers to embrace a life based evangelistic vision as a way to help non believers choose the full and vibrant life that God intends for them in Jesus While making this strong case he also urges readers to avoid casting aside other evangelistic visions such as those based on discipleship the kingdom forgiveness atonement etc Instead he invites us to add a life based evangelistic vision to the possibilities available to us for helping people choose to follow Jesus and thus experience the life He makes possible for them     **Did You Receive the Holy Spirit When You Believed? (Acts 19:2)** Bob McArthur,2011-06-08 Do you know how to lead someone to Christ This book will make you think again Do you know the gospel message Do you know the purpose for church leaders Are you fully birthed into the family of God Did you receive the Holy Spirit when you believed Think again That is what this book will challenge you to do The Rev Paul Hoyt a retired Church of the Nazarene pastor said of the book My mind is being challenged and stretched The question is simply What does the Bible say about how New Testament believers became Christians What were their experiences and what does the Bible say they believed and understood about those experiences This book will challenge you to rethink commonly held positions and universally understood practices and beliefs Dont be alarmed This book is completely Jesus focused The age old biblical truths about Christ are not being challenged Jesus is God the second person of the triune Godhead born of a virgin crucified and resurrected bodily and spiritually to new life His blood cleanses mankind of all sin no one comes to God except through Him and the Bible is the Word of God But the evangelistic message and experiences of the Bible of those early believers about this saving Jesus should correspond to the thought and practice of present day evangelism The disparity however might surprise you This book will help the Church get back to a New Testament evangelism that has somehow been lost along the way     **Herald of Gospel Liberty** Elias Smith,1910

**Understanding Evangelism** J. D. Payne,2025-09-30 When seeking to understand evangelism it can be difficult to know where to begin due to the wealth of written material available on the topic This one stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world Understanding Evangelism emerges from the author s experiences as a pastor missionary evangelist and professor of evangelism and from his expertise as a scholar in the field The book provides the necessary biblical knowledge cultural awareness and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world The first part of the book covers contemporary definitions of evangelism the global status of world evangelization and personal motives and ethics for evangelism The second part addresses its biblical and theological foundations while the third part offers a historical overview The fourth part focuses on cultural contexts and effective communication of the gospel The book concludes with contemporary issues that

offer practical guidance in the ministry of evangelism Pedagogical tools including case studies sidebars figures and reflection questions help students retain information      **Delighting in God** A.W. Tozer,2024-02-22 Many people believe in God and believe that God is everywhere but they have yet to experience his presence Delighting in God is the message Tozer intended to be the follow up to The Knowledge of the Holy He demonstrates how the attributes of God those things God has revealed about himself are a way to understand the Christian life of worship and service We are here to serve and adore him but we can only fulfill that role by acknowledging who he is which is the essence of the Christian life and the source of all our fulfillment joy and comfort To understand who we are we need to understand who God is His very character and nature are reflected through us Unless we fully grasp who we are we ll never become all God wants us to be      **Church is More than Bodies, Bucks, and Bricks** Jeremy Myers,2019-03-15 Many people think of church as a place and time where people gather a way for ministry money to be given and spent and a building in which people regularly meet on Sunday mornings In this book Jeremy Myers shows that church is more than bodies bucks and bricks Church is the people of God who follow Jesus into the world and we can be the church no matter how many people we are with no matter the size of our church budget and regardless of whether we have a church building or not By abandoning our emphasis on more people bigger budgets and newer buildings we may actually liberate the church to better follow Jesus into the world This book is Volume 4 in the Close Your Church for Good series of books Other volumes include Preface Skeleton Church Vol 1 The Death and Resurrection of the Church Vol 2 Put Service Back into the Church Service Vol 3 Dying to Religion and Empire Vol 4 Church is More than Bodies Bucks and Bricks Vol 5 Cruciform Pastoral Leadership      *China's Millions* ,1913      Larry Moyer's How-to Book on Personal Evangelism Richard Larry Moyer,R. Larry Moyer,1998 Drawing upon over twenty five years of experience in evangelism Larry Moyer introduces readers to ways in which they can share the Gospel with others clearly and confidently      **Woman's Home Missions of the Methodist Episcopal Church** ,1920
