D. Stewart, 2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today      *Evangelistic Preaching That Connects* Craig A. The New Reformation Shai Linne, 2021-05-18 In the sixteenth century the church faced a doctrinal crisis Today the crisis is race We all know that racial unity is important But what's the right way to approach it How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides In The New Reformation Christian hip hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity When it comes to ethnicity Christians today have to fight against two tendencies idolatry and apathy Idolatry makes ethnicity ultimate while apathy tends to ignore it altogether But there is a third way the way of the Bible Shai explains how ethnicity the biblical word for what we mean by race exists for God's glory Drawing from his experience as an artist theologian church planter and pastor Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God

historical and qualitative studies to outline the understanding of mission developed by Russian Baptists during the Soviet era when they were almost completely isolated from global missiological developments First Kravtsev identifies four key missiological concepts and uses them to analyze the history of mission theology in global evangelical mission movements and the Russian Baptists He then interviewed thirty leaders from the Russian Union of Evangelical Christian Baptists to find their view of these concepts and their convictions of the need to reconsider traditional missiological views From his findings Dr Kravtsev suggests five themes for facilitating the transition of Russian Baptist mission theology from the late Soviet model of eschatological escapism to a holistic missional evangelicalism This book places evangelical mission in contemporary Russian socio political and ideological contexts and provides an important contribution for leading churches to a renewed missionary encounter with culture
