## **Evangelistic Love Of God And Neighbor A Theology Of Discipleship And Witness:**

*The Evangelistic Love of God & Neighbor* Bishop Scott J. Jones, 2010-08-01 There are it seems as many definitions of the term evangelism as there are people doing the defining For some it means proclaiming the gospel to those who have not heard it To others it means making disciples of Jesus Christ To others it means working for the transformation of the world into the kingdom of God For still others it has principally to do with building vibrant healthy congregations Underlying this confusion is a fundamental inability to locate the practice of evangelism within one s overall theological convictions We will never understand the part that proclamation disciple making kingdom building and church growth play in evangelism until we first ask a more important question What does evangelism have to do with who God is What is it we know about God that makes evangelism a central part of what it means to be Christian In this comprehensive theology of evangelism Scott J Jones proposes to ground the practice of evangelism in an understanding of God s love for the world specifically as seen in the incarnation of God in Christ In Jesus God took on all of what it means to be human Because of this evangelism must be a ministry to the whole person The typical distinctions between soul winning social action and church growth evaporate individual conversion and acts of mercy are part of the same ministry of bringing persons more fully into the reign of a loving God

*Gospel Witness* David M. Gustafson, 2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God s human drama as a way to explain the gospel within God s redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today

Gehring,Andrew D. Kinsey,Vaughn W. Baker,2019-02-14 The publication of William J Abraham s *The Logic of Evangelism* in 1989 marked a turning point in the field and practice of evangelism Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God s reign Combining theological insight and historical analysis Abraham s groundbreaking work remains the primary text to set the stage for how evangelism may be conceived In these timely essays written by both theologians and church leaders *The Logic of Evangelism Revisited* takes a critical and yet appreciative look into the ways Abraham s work still speaks to the church in today s world The authors coming from a wide array of backgrounds show how *The Logic of Evangelism* remains a key text into the twenty first century      **Effective Intercultural Evangelism** W. Jay Moon,W. Bud Simon,2021-08-24 We live in a multicultural society but many Christians hesitate to engage those of other faiths about Christianity Exploring evangelism from the perspective of four major worldviews Jay Moon and Bud Simon unpack the intercultural dynamics at hand when sharing the gospel across cultures offering contextual evangelism approaches that are relevant biblical and practical      **Offering Christ** Jack Jackson,2017-06-06 After decades of conversation serving up a mosaic of understandings of Wesleyan evangelism focusing on proclamation initiation and embodiment Jack Jackson offers a clearer portrait of Wesley s evangelistic vision understood

through the lens of offering grace Any discussion of Wesley s vision of evangelism must center on the proclamation of the story of God in Christ But for John Wesley evangelism was much more than preaching for conversion This book offers a fresh conception of Wesley s evangelistic vision by analyzing his method of gospel proclamation Wesley was not constrained by the truncated vision of evangelism that has been dominant since the late nineteenth century one that all too often centers on group preaching with a sole emphasis on conversion Rather he stressed a number of practices that focus on a verbal proclamation of the gospel These practices occur in a variety of settings only one of which is public preaching and result in a number of responses only one of which is conversion Of crucial importance for current theological students clergy and church leaders around the world the book demonstrates that visitation for the purpose of spiritual direction and evangelism was in many ways the critical leadership and pastoral practice of early British Methodism This book offers important insights into early Methodism that inform both contemporary practices of evangelism and Christian leadership for both clergy and laity The Oxbridge Evangelist Michael J. Gehring, 2017-02-28 In The Oxbridge Evangelist Motivations Practices and Legacy of C S Lewis Michael Gehring examines the evangelistic practices of one of the most significant lay evangelists of the twentieth century In the early 1930s not many who knew Lewis would have guessed that he would become such a significant evangelist He has left an evangelistic legacy that has influenced millions across the world Yet Lewis scholarship has not given sufficient attention to this crucial aspect of his legacy This work examines Lewis s loss and recovery of faith and it shows how his experience heightened his own awareness of the loss of the Christian faith in England Because of his ability to identify with others Lewis engaged in the work of evangelism with uncanny skill This work required singular courage on his part it cost him dearly professionally and in his relationships Gehring critically explores Lewis s motivations practices and legacy of evangelism In doing so he provides penetrating insight for those interested in the theory and practice of evangelism in a culture that too readily leaves it to the crazies of the Christian tradition or relegates it to the margins of church life

**Transforming Evangelism** Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism

and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor Leaning Both Ways at Once Jeffrey A. Conklin-Miller,2020-08-26 How should the Methodist tradition continue to embody its evangelistic mission Some believe effective evangelism requires ecclesial adaptation seeking relevance to attract outsiders But does this strategy result in the church s embrace of consumer market practices pandering to a world of church shoppers Others suggest the most evangelistic thing the church can do is to be the church displaying to the world the attractive beauty of a holy community But could this ironically distance the church from its context and neglect the many ways the church is called to engage the world The Wesleys formed a people called Methodist embodying an evangelistic mission combining commitments to disciplined spiritual life and vital social engagement In this book Conklin Miller suggests faithful United Methodist evangelism requires living in the tension between the church and the world leaning both ways at once emphasizing the holiness of the church as a particular people but at the same time being a people sent to intercede in the world as servants advocates and witnesses This understanding constitutes not only a broader reframing of evangelistic mission but also a vision for the identity and agency of the church in the Wesleyan tradition a Methodist missional ecclesiology **An Introduction to Ministry** Ian S. Markham,Oran E.

*Offer Them Life* Dan W. Dunn,2013-07-15 In this book Dan Dunn proposes that the biblical theme of life is extremely important and thus provides a helpful foundation for the theory and practice of evangelism He makes a strong case for Christ followers to embrace a life based evangelistic vision as a way to help non believers choose the full and vibrant life that God intends for them in Jesus While making this strong case he also urges readers to avoid casting aside other evangelistic visions such as those based on discipleship the kingdom forgiveness atonement etc Instead he invites us to add a life based evangelistic vision to the possibilities available to us for helping people choose to follow Jesus and thus experience the life He makes possible for them *Seeking the Lost, Keeping Them, Making Them Disciples* Dr. Benoit Petit-Homme,2018-08-27 *Seeking the Lost Keeping Them Making Them Disciples* By Dr Benoit Petit Homme God bless Dr Benoit Petit Homme for all

the work he has done in putting this book together I believe that any church or leader who will follow these biblically grounded principles will see beautiful results in changed lives for the kingdom

Teresa L Reeve PhD Associate Dean Seventh day Adventist Theological Seminary Associate Professor of New Testament Contexts Andrews University United States of America

Dr Benoit Petit Homme s contribution to the discipleship crisis is a compelling re examination of scripture church history and 21st century pastoral experience Practical and convincing his straightforward style brings real solutions to the evangelistic Achilles heels of attrition He reminds us of what has been forgotten and calls us back to our relational roots

Pr Ron Kelly Senior Pastor Village Seventh day Adventist Church Berrien Springs Michigan United States of America

Seeking the Lost Keeping Them Making Them Disciples by Dr Benoit Petit Homme is a handy Christ based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping retaining and nurturing new believing Christians This is a must read for church officers pastors and ministry directors in the Christian church

Ron C Smith PhD D Min President Southern Union Conference of SDA Every year many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community Unfortunately it is also true that every year many new converts leave a church relatively shortly after joining The specific reasons that each person leaves the church could fill a book by themselves but they all boil down to one thing a lack of focus on the part of the church community on turning converts into disciples of our Savior A disciple of Christ does more than attend church services A disciple is an active member of the church community A disciple is a witness to others A disciple seeks to grow the church by seeking to lead everyone they meet to Christ

Dr Benoit Petit Homme is a committed disciple of Christ and after extensive study of exactly why new converts leave the church he has developed a process by which any church can make disciples All it takes is a little extra work a bit of encouragement and an unwavering faith in the Lord

**Table Matters** Felicia Howell

LaBoy,2017-11-09 In many churches the work of evangelism and social justice is relegated to clergy staff or special committees Rarely do most members of the laity believe they should or even want to engage in the tasks of evangelism and social justice In this volume LaBoy contends that participation in baptism and Eucharist mandates for all Christians and those who are Wesleyan in their orientation in particular that evangelism and social justice are not optional but in fact integral to their worship and witness She argues that this understanding and practice of the integration of sacraments evangelism and social justice are what can help churches deal with contemporary issues of decline and church disenfranchisement by both congregants and those beyond church walls LaBoy further argues that making the sacraments central to the worship life of congregations is what made early Methodists great evangelists and advocates for social justice

**Graceful Evangelism**

Frances S. Adeney,2011-02-01 The word evangelism evokes strong reactions among Christians Conflict about what it is whether to do it how to go about it and the desired results divides churches demonstrating the need for new theologies and methods that address today s religiously pluralistic and secular contexts This book offers a comprehensive treatment of

evangelism from biblical models to contemporary practice Frances Adeney shows that understanding different contexts and approaches to evangelism and accepting the views of others on this crucial topic can help replace the evangelism wars social action vs proclamation with a more graceful approach to sharing God's good news with the world **Becoming the Gospel** Michael J. Gorman, 2015-04-09 Faith in the Marketplace Samuel Lee, 2021-04-12 Contemporary missions often include evangelistic and socio economic dimensions For effective missions some way of assessing what is being achieved is needed beyond just the common metrics touching on the spiritual and or economic which neglects social transformation that ideally should also be occurring This book seeks to identify key factors for holistic evaluation based on salient characteristics that emerged as three Entrepreneurial Church Planting sites were studied in San Francisco Redeemer Community Church Selma Alabama Blue Jean Church and Lynch Kentucky Meridzo Ministries What emerges from these case studies is the importance of relationality general emphasis on growth and development and a well established focus on holistic transformation The mechanisms for the operation of holistic transformation are spelled out to reflect the operation of the three actors of the Trinity in missions The practical component of the book is the conceptual framework that reveals the operation of holistic transformation and ways to measure the dynamic relationships that occur
