

A photograph of a church interior, likely a social gathering or a bar area. The scene is dimly lit with warm, ambient lighting from pendant lamps. In the foreground, a man in a blue t-shirt is seen from the back, looking towards a bar. To his right, a woman in an orange top and another in a yellow and white striped top are engaged in conversation. The background shows a bar counter with various items on it, and more people are visible behind the bar. The ceiling has exposed wooden beams and several pendant lights. The overall atmosphere is casual and social.

## **Evangelizing Church:**

**The Evangelizing Church** Richard H. Bliese, Craig Van Gelder, The Evangelizing Church moves from theory to practice as it relates the theology of evangelism to the life of congregations that are seeking to proclaim the gospel in the emerging postmodern context It provides congregations with perspectives on how to utilize this theology in shaping the practice of evangelism within their church life *Evangelism in the Early Church* Michael Green, 2023-09-28 Now a modern classic Michael Green's *Evangelism in the Early Church* shows how the first Christians worked to spread the good news to the rest of the world Studying the New Testament and church fathers Green explores the earliest methods motives and strategies of spreading the good news He also considers the obstacles to evangelism using outreach to Gentiles and to Jews as examples of differing contexts for proclamation Thoroughly informed by primary sources this book will help contemporary readers learn from the past and renew their own evangelistic vision *Evangelism* J. Mack Stiles, 2014-04-16 Christians often struggle to know where to start when it comes to telling others about God Jesus sin and salvation In this short book J Mack Stiles challenges us to view evangelism as something we do together instead of something we do alone helping churches cultivate a culture of evangelism that goes beyond simply creating new programs or adopting the latest method The seventh volume in the 9Marks Building Healthy Churches series this book will help Christians joyfully embrace evangelism as a way of life as it equips them to share their faith with those who don't yet know Jesus Part of the 9Marks Building Healthy Churches series **How to Revive Evangelism** Craig Springer, 2021-02-23 Christians need a compelling way to share their faith that combines the timeless practices of Jesus with timely perspectives about our post everything era In a post Christian post modern post truth society where Jesus followers aren't often well regarded modern evangelism methods and efforts are eroding and increasingly ineffective Christians often talk more than we listen confront when we should converse and demand that people believe before they belong Author and Executive Director of Alpha US Craig Springer believes that reaching non Christians is possible but only if we are willing to shift our perspectives abandon ineffective methodologies and consider the unique cultural moment in which we live In *How to Revive Evangelism* he shares the often overlooked evangelistic approaches of Jesus himself and demonstrates how returning to these fundamentals are the key to reviving evangelism in the 21st century Incorporating groundbreaking and often startling data Springer offers Christians seven shifts in how to share their faith with friends and family members neighbors and coworkers that create greater potential for life change and interest in Jesus *Evangelism* John MacArthur, 2011-03-22 A clear biblical theology of evangelism presented with a historical foundation and practical instruction Expand your MacArthur Pastor's Library to include this much needed topic *Evangelism* begins by comparing the current state of outreach in American Christianity with evangelism throughout church history and also in the Bible Presenting a theology on the subject that addresses the theological principles that govern evangelism showing how they are played out in the church as well as the family and personal interaction It includes

preaching one on one witnessing missions parenting evangelism and commissioning and supporting missionaries This book s substantive and doctrinally insightful guide to biblical outreach complements the previous volumes Preaching Biblical Counseling and Pastoral Ministry **Becoming a Contagious Church** Mark Mittelberg,2007 Mittelberg offers a vision for turning every church new or old into a contagious church that is a powerful magnet for attracting and influencing unchurched people **The Study of Evangelism** Paul W. Chilcote,Lacey C. Warner,2008-02-13 Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church s mission Many of the resulting books in the marketplace however have a hands on orientation often lacking serious theological engagement and reflection Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism

**Service Evangelism** Richard Stoll Armstrong,1979-01-01 Service Evangelism has been used by thousands of pastors and lay leaders throughout the United States and Canada to advance a style of evangelism that combines the social and personal dimensions of the gospel **Strategies for Church Growth** C. Peter Wagner,2010-01-01 Why Plan Strategy Is church growth theory incompatible with belief in the sovereignty of God Does adherence to church growth principles leave out dependency upon the work of the Holy Spirit C Peter Wagner answers no to both questions He further believes that no task could be more crucial than fulfilling the Great Commission in our generation and how to approach and plan for the execution of this task is the questions of the day Strategies for Church Growth addresses this key issue in a biblically pragmatic way It brings together for the first time many principles of evangelism and missions which have proved through recent research and experience to be effective in implementing the Great Commission It also unifies in concise form the latest research of the Church Growth Movement the Lausanne Committee on World Evangelization the U S Center for World Mission and numerous other key contributors to the recent explosion of evangelistic technology Among the topics explored are the major components of strategy choosing the appropriate strategy advantages of having a strategy the theology of church growth the harvest principle and soil testing why you should aim for church growth characteristics of good goals the meaning of mission and evangelism how to target your outreach **Crusade Evangelism and the Local Church** Sterling W. Huston,1984

**Reaching the Lost** Bobby Jamieson,2012-04-30 Part of the 9Marks Healthy Church Study Guide series this study explores the who what why and how of evangelism and equips participants to share the good news with others **The Evangelization of the World in this Generation** John Raleigh Mott,1905 **Evangelizing Today's Domestic Churches** Rev. Robert J. Hater, Ph.D.,2022-10-20 The Catholic family is a domestic church rooted in God s love and challenged to hope Yet Catholic families today are beset with attacks from within and without as were early Christian house churches The latter faced persecution and rejection from society and even their own family members Today s domestic churches face challenges of

materialism individualism and secularism coming through technology media and the contemporary culture The Church must respond to these challenges by seeking new ways to minister directly to families The future of parish life will depend largely on how a parish supports family life Drawing on the experience of the early Church Evangelizing Today s Domestic Churches invites pastors and those engaged in pastoral ministry to take the lead in helping families recognize their responsibility before God to become vibrant domestic churches *How to Build an Evangelistic Church* John R. Bisagno,1971

Drummond,2002-10-01 Evangelism is at the core of Christianity It is a life and death matter both for the salvation of individuals and for the continuing growth of the church Although the message of the gospel never changes its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture Reaching Generation Next is the perfect guide on how to effectively proclaim the gospel in today s postmodern culture Both theological and practical it provides Christian leaders and

[Dying to Grow \(Free eBook Sampler\)](#) Nathan Lorick, 2013-09-02 Never before have we seen the church degenerate at such a rapid pace This is largely due to the church pursuing congregational growth instead of kingdom growth The church is dying because our growth isn't based on strategies to reach the lost with the gospel The time to change is now we can't wait any longer People's eternities are at stake What is your church's priority Are you more concerned with filling your building or furthering the Kingdom This book will challenge you to evaluate just how important gospel based evangelism is to you and your church and call on you to restore an intentional evangelism strategy within the body Hell will tremble when churches once again make evangelism the central theme of their strategy
