The Discord of Gods Jenn Lyons,2022-04-26 The Discord of Gods marks the epic conclusion to Jenn Lyons s Chorus of Dragons series closing out the saga that began with The Ruin of Kings for fans of Brandon Sanderson and Patrick Rothfuss THEIR CONFLICT COULD END THEM ALL Relos Var s final plans to enslave the universe are on the cusp of fruition He believes there s only one being in existence that might be able to stop him the demon Xaltorath As these two masterminds circle each other neither is paying attention to the third player on the board Kihrin Unfortunately keeping himself classified in the pawn category means Kihrin must pretend to be everything the prophecies threatened he d become the destroyer of all the sun eater a mindless remorseless plague upon the land It also means finding an excuse to not destroy the people he loves or any of the remaining Immortals without arousing suspicion Kihrin s goals are complicated by the fact that not all of his act is one His intentions may be sincere but he s still being forced to grapple with the aftereffects of the corrupted magic ritual that twisted both him and the dragons Worse he s now tied to a body that is the literal avatar of a star a form that is becoming increasingly catastrophically unstable All of which means he s running out of time After all some stars fade but others explode At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
