## Evening Standard London Pub Guide:

**Evening Standard London Pub Bar Guide 1999 S S Int** Edward Sullivan, 1998 This is a comprehensive guide to drinking in London with over 700 reviews of pubs bars and wine bars It also unearths some unexpected aspects of London life

**London's Lost Pubs** Sam Cullen, 2025-03-30 The humble pub has played a central role in London's history across centuries Over time many old favourites have been lost because of the ever evolving landscape of the city and changing trends and habits For the first time in print Sam Cullen looks back at a selection of 200 London pubs which have closed in the last twenty five years Thanks to extensive research taking in newspaper articles historic books and even conversations with former patrons of these establishments this book presents some of the most memorable London boozers we've lost in recent years London's Lost Pubs leads readers on a borough by borough guided tour of the city visiting everything from the old haunts of Chelsea bohemians and City workers to favourites on legendary London streets from the Old Kent Road to Fleet Street Each featured pub's listing includes interesting facts and quirky trivia which will bring a smile to readers' faces while also reminding just how much London pubs can reveal about the city's history Along the way readers will encounter pubs which boasted pets pools and even pythons The book is also illustrated throughout with both archive and current photos London's Lost Pubs is an essential read for fans and scholars of local history as well as honouring and celebrating countless colourful pubs which have played a pivotal role in the city's life A fascinating directory of the all too many pubs this city has lost Londonist Despite the sad subject matter this story of London pubs now gone is a thoroughly absorbing read The accounts and anecdotes are wittily told and bring to mind just how varied diverse and wonderful London pubs are Jane Jepchote Chair of London Pubs Group CAMRA

**Theatres of Memory** Raphael Samuel, 2012-09-11 When *Theatres of Memory* was first published in 1994 it transformed the debate about what is to be considered history and questioned the role of heritage that lies at the heart of every Western nation's obsession with the past Today in the age of *Downton Abbey* and *Mad Men* we are once again conjuring historical fictions to make sense of our everyday lives In this remarkable book Samuel looks at the many different ways we use the unofficial knowledge of the past Considering such varied areas as the fashion for retrofitting the rise of family history the joys of collecting old photographs the allure of reenactment societies and televised adaptations of Dickens Samuel transforms our understanding of the uses of history He shows us that history is a living practice something constantly being reassessed in the world around us
