Reflections K. Peter Stich, 1988 This volume discusses the autobiographical inclination in Canadian literature exploring works by such writers as Alice Munro W O Mitchell Michael Ondaatje John Glassco and Susanna Moodie Others works including the oral memoirs of a Métis an Inuit's account as being civil servant in Ottawa and the autobiographical writings of pioneer women and French missionaries are examined to show the depth and breadth of this tradition in Canada These texts act as starting points for an in depth look at the relationships between autobiography biography and fiction in Canadian literature Published in English **Katie Mitchell** Benjamin Fowler, 2020-12-31 Katie Mitchell *Beautiful Illogical Acts* offers the first comprehensive study of Britain's most internationally recognised influential and controversial theatre director It examines Mitchell's innovations in fourth wall realism opera and Live Cinema across major British and European institutions bringing three decades of practice vividly to life Informed by first hand rehearsal observations and in depth conversations with the director and her collaborators Fowler investigates the intense and immersive qualities of Mitchell's distinctive theatrical realism and challenges mainstream narratives about realism as a defunct or inherently conservative genre He explores Mitchell's theatre and its often polarised reception to question familiar assumptions governing contemporary performance criticism including common binaries that pit realism against radical experimentation auteurs against texts feminists against Naturalism and Britain against Europe By examining a career trajectory that intersects with huge cultural change Fowler places Mitchell at the centre of urgent contemporary debates about cultural transformation and its genuinely inclusive potential This is an essential book for those interested in Katie Mitchell British theatre directing the transformative power of realism and feminism in contemporary theatre practice and challenges to hierarchical distributions of power inside the mainstream **Canadian Literature in English** W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words **Canadian Periodical Index**, 1997 *Made-in-Canada Humour* Beverly J. Rasporich, 2015-09-15 *Made in Canada Humour* is an interdisciplinary survey and analysis of Canadian humour and

humorists in the nineteenth and twentieth centuries The book focuses on a variety of genres It includes celebrated Canadian writers and poets with ironic and satiric perspectives oral storytellers of tall tales in the country and the city newspaper print humorists representative national and regional cartoonists and comedians of stage radio and television The humour gives voice to Canadian values and experiences and consequently techniques and styles of humour particular to the country While a persistent comic theme has been joking at the expense of the United States both countries have influenced one another s humour Canada s unique humorous tradition also reflects its emergence from a colonial country to a postcolonial and postmodern nation with contemporary humour that addresses gender and racial issues

The Love of a Good Woman

Alice Munro, 2011-06-22 In eight stories a master of the form extends and magnifies her great themes the vagaries of love the passion that leads down unexpected paths the chaos hovering just under the surface of things and the strange often comical desires of the human heart Time stretches out in some of the stories a man and a woman look back forty years to the summer they met the summer as it turns out that the true nature of their lives was revealed In others time is telescoped a young girl finds in the course of an evening that the mother she adores and whose fluttery sexuality she hopes to emulate will not sustain her she must count on herself Some choices are made in a will in a decision to leave home with irrevocable and surprising consequences At other times disaster is courted or barely skirted when a mother has a startling dream about her baby when a woman driving her grandchildren to visit the lakeside haunts of her youth starts a game that could have dangerous consequences The rich layering that gives Alice Munro s work so strong a sense of life is particularly apparent in the title story in which the death of a local optometrist brings an entire town into focus from the preadolescent boys who find his body to the man who probably killed him to the woman who must decide what to do about what she might know Large moving profound these are stories that extend the limits of fiction

The Literary History of Alberta Volume Two George Melnyk,1998 In this the companion to the landmark volume The Literary History of Alberta Volume One From Writing on Stone to World War Two George Melnyk examines Alberta literature in the second half of the twentieth century At last Melnyk argues Alberta writers have found their voice and their accomplishments have been remarkable The contradictory landscape the stereotypes of the Indian the Mountie and the Cowboy and the language of the Other speaking from the margins these elements all left their impressions on the consciousness of early Alberta But writers in the last few decades have turned this inheritance to their advantage to create compelling stories about this place and its people Today Melnyk discovers Alberta writers can appreciate not only this achievement but also its essential source the symbolic communication of Writing on Stone The Literary History of Alberta Volume Two extends the study of Alberta s cultural history to the present day It is a vital text for anyone interested in Alberta s vibrant literary culture
