**Everlasting Flower** Keith Pratt, 2006 There are two starkly different Koreas that are equally important actors on today's tense geopolitical stage South Korea which is thriving as a democracy racing into the future as a high tech economic powerhouse and North Korea a repressive dictatorship ruled by the iron inclinations of the Dear Leader The dividing 38th Parallel is a Cold War relic that masks the deep and binding cultural ties between them and Keith Pratt tackles here in *Everlasting Flower* the complexly intertwined history of the two nations *Everlasting Flower* traverses the ancient physical and cultural landscape of the Koreas spanning from the ancient states of Old Choson and Wiman Choson to the present day Pratt reveals the rich origins of such cultural foundations as religious practices and food and drink and he connects them to key historical developments of both nations He also probes controversial historical events such as the abuses torture punishment and the comfort women of the Japanese occupation Concise and richly illustrated pictorial essays augment Pratt's compelling narrative chronicling various monuments of Korea's past including the world's oldest observatory and the famous turtle boats An engrossing and provocative history of the two Koreas *Everlasting Flower* is an essential study of two nations that are rapidly emerging from the shadows of their looming neighbors China and Japan and of each other as well As the Korean peninsula becomes an increasingly important geopolitical hotspot *Everlasting Flower* offers a broad perspective on this painfully divided nation

**Honey Bea's Everlasting Gift** Lornabelle Gethers, 2013-07-11 This is a story about my great great grandmother Maah on the Plantation in Abbeville South Carolina during the Civil War Era which takes you to my mother Honey Bea in Mount Pleasant Charleston during the Civil Rights Era and it ends with reflections on race relations 150 years later It tells of our struggles as an African American family and how victories were reached through prayers and persistence The first four chapters start off in a slightly Gullah Geechie dialect of Charleston with the modern English interpretation of those chapters at the back of the book for those that are not familiar with the Gullah dialect MAAH DURING THE 1860s CIVIL WAR ERA Massa aint know that Mae Ann cant stand he tail now and that she be fuh spit in he food and in he water every chance she get since Massa done whip she child worsa than he would do an old mule Now it be a lil fore midnight and we slaves all be fuh sit or fuh lie down in the church just fuh wait on somethin They say President Lincoln done give we somethin that gonna free all of we slaves in the south I know I gonna go to Charleston with my freedom MAAH WHEN THEY FINALLY GET TO CHARLESTON Lord Charleston be just fuh crawl over with the Negro folks I hey tell that most of the Negro folks in this ya whole country come from these parts and now cause I fuh see what I fuh see I be fuh believe them fuh real They dey yet still got the slave market right ya in Charleston HONEY BEA IN CHARLESTON SC DURING THE CIVIL RIGHTS ERA IN THE 1960s The pastor continues on with his fervent preaching God is able He brought our people from a mighty long way Oh yes My God is able We have got to have that same kind of faith next week when we go to vote We have got to believe that God is sending deliverance to our people through Kennedy to free us from the Jim Crow

Laws just he as he did a hundred years ago when he sent Abraham Lincoln to free the slaves Answer this for me please Is there anything too hard for our God I start thinking about those crazy Jim Crow s laws Just last week we had gone to Woolworth to get a soda float for Sarah I was tired because we had been shopping downtown all day on King Street and spending all my money in the white and Jewish stores Most of the Jewish merchants were usually really nice to my babies and always told me how clean and pretty I always kept them That day I was just too tired so I sat down at the counter at Woolworths The man that worked there refused to serve me because I was sitting down at the counter Niggra you know you cant sit down at this here counter You know the rules He says to me loudly I was getting tired of the silly rules and I was physically tired too I am paying my money just like everyone else that is sitting at the counter and I deserve to be served too He looked at me with scorn in his eyes and his face turned beet red with anger Now you listen here gal I dont care what you are paying You best be gittin out of here or I am gonna have to git you outta here myself and then Im gonna call the patrol man on you I look at him and say My momma always told me that git is for dogs and I am know that I am no dog I am due the same respect that you give to any lady He leaves from behind the counter and comes around the front toward me and my three children I thought about my babies and what would happen to them if the policeman came to arrest me and I had to leave them behind I start to leave and he turns around to go back behind the counter and stumbles over a box in his path He trips over the box and goes flying face forward and all I could think of is Da git for ya Which means that it is good for him that something bad just happened to him as punishment for being so mean to me We get outside and a white man runs up behind us Excuse me mam I just want to say that I a      **The Everlasting South. **Brothers and Myself, Etc** John FINLAYSON (Writer in Cupar.),1849      **The Possible South** R. Bruce Brasell,2015-11-09

Using cultural theory author R Bruce Brasell investigates issues surrounding the discursive presentation of the American South as biracial and explores its manifestation in documentary films including such works as *Tell about the South* by Ken ground and *Family Name*. After considering the emergence of the region's biraciality through a consideration of the concepts of racial citizenry and racial performativity Brasell examines two problems associated with this framework. First the framework assumes racial purity and second it assumes that two races exist. In other words biraciality enacts two denials: first the existence of miscegenation in the region and second the existence of other races and ethnicities. Brasell considers bodily miscegenation discussing the racial closet and the southeastern expatriate road film. Then he examines cultural miscegenation through the lens of racial poaching and 1970s southeastern documentaries that use redemptive ethnography. In the subsequent chapters using specific documentary films he considers the racial in-betweenness of Spanish speaking ethnicities *Mosquitoes* and *High Water*. *Living in America Nuestra Comunidad* probes issues related to the process of racial negotiation experienced by Asian Americans as they seek a racial position beyond the black and white binary. *Mississippi Triangle* and engages the problem of racial legitimacy confronted by federally nonrecognized Native groups as they attempt the same feat. **Real Indian**

**Southern Churches in Crisis Revisited** Samuel S. Hill,2020-12-15 Hill's landmark work in southern religious history returns to print updated and expanded and compellingly relevant. In 1966 Samuel S. Hill's *Southern Churches in Crisis* argued that southern Protestantism a cornerstone of white southern society and culture was shirking its moral duty by refusing to join in the fight for racial justice. Hill predicted that the church was risking its standing in southern society and that it would ultimately decline in influence and power. A groundbreaking study at the time Hill's book helped establish southern religious history as a field of scholarly inquiry. Three decades later *Southern Churches in Crisis* continues to be widely read, quoted, and cited. In *Southern Churches in Crisis Revisited* which reprints the 1966 text in full Hill reexamines his earlier predictions in an introductory essay that also describes how the study of religion in the South has become a major field of scholarly inquiry. Hill skillfully engages his critics by integrating new perspectives and recent scholarship. He suggests new areas for exploration and provides a selected bibliography of key studies in southern religious history published in the three decades subsequent to the original appearance of this groundbreaking work.

**Pitchfork Ben Tillman, South Carolinian** Francis Butler Simkins,2002 The definitive biography of a controversial South Carolina leader. Upon its initial publication in 1944 *Pitchfork Ben Tillman* was a signal event in the writing of modern South Carolina history. In a biography the *Journal of Southern History* called definitive Francis Butler Simkins a South Carolinian and Columbia University educated historian brings his research skills and professional dispassion to bear upon a study of one of the state's most controversial political leaders. Benjamin Ryan Tillman 1847-1918 accomplished a political revolution in South Carolina when he defeated Governor Wade Hampton and the old guard Bourbons who had run the state since the end of

Reconstruction Tillman and his movement aimed to expand the political control of the state to lower and middle class whites at the expense of African Americans and the state's former leaders. During his political ascendancy as governor and then United States Senator Tillman introduced the state's dispensary system and shaped the state's 1895 constitution into a bulwark of white supremacy. His legacy was one of divisiveness between black and white and between whites of differing economic and geographical backgrounds. Even as Tillman championed greater equity for white farmers and mill workers he masterminded the pernicious system of segregation and disfranchisement for African Americans during the 1890s when he not only trampled their needs but stripped them of fundamental political and civil rights. Almost single handedly Tillman established the iniquities of Jim Crow that countless other Southern demagogues would imitate. These accomplishments would plague the South and the nation until this day. Orville Vernon Burton's new introduction to this Southern classic looks at both Tillman and author Francis Simkins as prime examples of southerners with tremendous talent but unsettling accomplishments.
