## European Union Treaty:

*The Treaty on European Union (TEU)* Hermann-Josef Blanke, Stelio Mangiameli, 2013-11-26 The major Commentary on the Treaty on European Union TEU is a European project that aims to contribute to the development of ever closer conceptual and dogmatic standpoints with regard to the creation of a Europeanised research on Union law This publication in English contains detailed explanations article by article on all the provisions of the TEU as well as on several Protocols and Declarations including the Protocols No 1 2 and 30 and Declaration No 17 having steady regard to the application of Union law in the national legal orders and its interpretation by the Court of Justice of the EU The authors of the Commentary are academics from ten European states and different legal fields some from a constitutional law background others experts in the field of international law and EU law professionals This should lead to more unity in European law notwithstanding all the legitimate diversity The different traditions of constitutional law are reflected and mentioned by name thus striving for a common framework for European constitutional law

**Treaties of the European Union** European Union, 2017-01-11 The Treaty of European Union and The Treaty on the Functioning of the European Union fundamental texts of International Law both gathered in an exclusive edition *European Basic Treaties*, 2010 *Treaty on the Functioning of the European Union - A Commentary* Hermann-Josef Blanke, Stelio Mangiameli, 2021-05-31 The Commentary on the Treaty on the Functioning of the European Union four volumes is a major European project that aims to contribute to the development of ever closer conceptual and dogmatic standpoints with regard to the creation of Europeanised research on Union law Following on from the Commentary on the Treaty of the European Union this book presents detailed explanations article by article of all the provisions of the TFEU discussing the application of Union law in the national legal orders and its interpretation by the Court of Justice of the EU The authors are academics and practitioners from twenty eight European states and different legal fields some from a constitutional law background others experts in the field of international law and EU law Reflecting the various approaches to European legal culture this book promotes a system concept of European Union law toward more unity notwithstanding its rich diversity grounded in national traditions

**Treaty on European Union, Treaty on the Functioning of the European Union** Rudolf Geiger, Daniel-Erasmus Khan, Markus Kotzur, 2012 **The European Union After the Treaty of Lisbon** Diamond Ashiagbor, Nicola Countouris, Ioannis Lianos, 2012-04-16 Analysis of some of the most controversial aspects of the European Union s Lisbon Treaty *European Basic Treaties* Ronald H. Ooik, Thomas A. J. A. Vandamme, 2013 This second edition of European Basic Treaties contains the texts of the Treaty on European Union the Treaty on the Functioning of the European Union and the EU Charter of Fundamental Rights including the latter s Explanations This edition incorporates all rectifications and treaty amendments up until 1 July 2013 including those that follow from the accession of Croatia to the EU on that date It also contains the provisions of the Treaty of Lisbon that exist alongside these three core texts Furthermore a selection of the Protocols and of the most important Declarations

has been added The numbers of provisions of the former EC Treaty and EU Treaty before they were renumbered by the Lisbon Treaty are also included Thus older jurisprudence legislation and literature remain accessible

**European Union Treaties** Rudolf Geiger, Daniel-Erasmus Khan, Markus Kotzur, 2015 This is the new English edition of a Commentary on the basic European Treaties which has already been very successfully published in five earlier editions in German It comprises concise article by article commentaries on the most recent versions of the Treaty on European Union and the Treaty on the Functioning of the European Union supplemented by the Charter of Fundamental Rights including the comments of the European Convention's Presidency and the Treaty Protocols The authors all of them specialists on European law provide a compact overview of the European primary law and also refer to the relevant secondary law Each commentary contains an introduction to the particular legal area at issue and gives particular importance to the current case law of the European Court of Justice

**Reforming the Treaty on European Union** Alfred E. Kellermann, Bruno de Witte, Deirdre M. Curtin, Jan A. Winter, 2023-07-10 The studies collected in this work are the updated and revised versions of the reports and commentaries presented at an international conference on European Law held in September 1995 The aim of the conference was to stimulate informed reflection and debate on a number of fundamental issues relating to the impending revision of the Treaty on European Union and to discuss the sort of sensible legal options and realistic avenues of thought that could assist those involved with the work of the actual Intergovernmental Council IGC The contributions are grouped around three major themes an exploration of the framework of the revision debate general institutional questions the general architecture of the Union and the scope of the powers of the Community and the Union Questions that are addressed in this work are among others Is it possible in the near future to simplify the procedure for amending the Treaty on European Union Is the objective of the European Union in the long term to become a European superstate a constitutional order of States or merely an advanced type of international organization What are the chances and pitfalls of allowing increased differentiated integration The book concludes with a comprehensive summing up and annexed are the Reflection Group's Report of 5 December 1995 as well as an extensive table of legal provisions and a table of cases

The EU Treaties and the Charter of Fundamental Rights Manuel Kellerbauer, Marcus Klamert, Jonathan Tomkin, 2019 This Commentary provides an article by article summary of the TEU the TFEU and the Charter of Fundamental Rights offering a quick reference to the provisions of the Treaties and how they are interpreted and applied in practice Written by a team of contributors drawn from the Legal Service of the European Commission and academia the Commentary offers expert guidance to practitioners and academics seeking fast access to the Treaties and current practice The Commentary follows a set structure offering a short overview of the Article the Article text itself a key references list including essential case law and legislation and a structured commentary on the Article itself The editors and contributors combine experience in practice with a strong academic background and have published widely on a variety of EU law subjects

Federalism and the European Union Michael

Burgess,2002-09-11 A revisionist interpretation of the post war evolution of European integration and the European Union EU this book reappraises and reassesses conventional explanations of European integration It adopts a federalist approach which supplements state based arguments with federal political ideas influences and strategies By exploring the philosophical and historical origins of federal ideas and tracing their influence throughout the whole of the EU s evolution the book makes a significant contribution to the scholarly debate about the nature and development of the EU The book looks at federal ideas stretching back to the sixteenth century and demonstrates their fundamental continuity to contemporary European integration It situates these ideas in the broad context of post war western Europe and underlines their practical relevance in the activities of Jean Monnet and Altiero Spinelli Post war empirical developments are explored from a federalist perspective revealing an enduring persistence of federal ideas which have been either ignored or overlooked in conventional interpretations The book challenges traditional conceptions of the post war and contemporary evolution of the EU to reassert and reinstate federalism in theory and practice at the very core of European integration     A Dictionary of the European Union Lee McGowan,David Phinnemore,2003-09-02 Concise definitions and explanations on all aspects of the European Union Over 1 000 entries Explains the terminology surrounding the EU and outlines the roles and significance of the institutions member countries programmes and policies treaties and personalities Clear and succinct definitions Spells out acronyms and abbreviations Entries include Globalization PHARE Treaty of Nice Helmut Schmidt Anti Fraud Office OLAF Tampere Summit Governance White Paper Val ry Giscard d Estaing Arranged alphabetically and fully cross referenced

*European Union* European Union,2006 Contains the consolidated versions of the treaty on European Union and of the treaty establishing the European Community incorporating the amendments made by the Treaty of Atehns signed on 16 April 2003 It also reproduces all the protocols annexed to those treaties as amended by the 2003 act of accession     **The Lisbon Treaty and Social Europe** Niklas Bruun,Klaus Lörcher,Isabelle Schömann,2012-05-08 On 1 December 2009 the Treaty of Lisbon entered into force Although often described as primarily technical it significantly amended the Treaty on the European Union TEU and the old EC Treaty now the Treaty on the Functioning of the European Union TFEU The authors aim in this book is to explore what the Treaty means for social law and social policy at the European level The first part of the book on the general framework looks at a time of financial crisis for new foundations for Europe s Social market economy questions the balance between fundamental social rights and economic freedoms analyses the role of the now binding Charter of Fundamental Rights maps the potential impact of the horizontal clauses on social policy and addresses the possibilities for social partners to enlarge their role in labour law and industrial relations The second part on the social framework of the Treaty focuses on the development of the Union s competences In it the authors evaluate the consequences of the new general framework on social competences analyse the evolution of the principle of subsidiarity and its impact in the new Treaty look at the coordination of economic policies in the light of fundamental rights and analyse the adoption in

the Treaty of a new architecture for services of general interest      **An Ever Closer Union** Roland Bieber, Jean-Paul Jacqué, Joseph Weiler, European University Institute. European Policy Unit, 1985      European Union - European Industrial Relations? Wolfgang Lecher, Hans-Wolfgang Platzer, 1997-11-06 This book explores the prospects for the emergence of a distinctly European pattern of industrial relations in which the European level organisations representing employers and trade unions gain in importance vis a vis their national organisations In particular the impact of the Social Chapter to the Maastricht Treaty is considered The study also considers the likelihood of European level collective bargaining and what effect mandatory European Works Councils might have on existing national systems of employee representation and offers a trilateral comparison between industrial relations in Europe North America and Japan      **The European Union and Member State Territories: A New Legal Framework Under the EU Treaties** Fiona Murray, 2012-01-05 The book reviews the EU Treaties provisions governing relations between the EU and Member State territories such as the Netherlands Antilles the UK Channel Islands and the French Overseas Departments The book includes an overview of each of the relevant territories including their present constitutional relations with their Member State and their legal relations with the EU Prior to the entry into force of the Lisbon Treaty the over arching Treaty provision for this relationship was Article 299 of the EC Treaty Having traced the development of Article 299 from 1957 to the present Lisbon framework the book identifies many inconsistencies and issues with this current framework and proposes a new model framework one that is more concise and up to date and which is adaptable to possible future developments Useful for EU Law departments and Research Centres EU Think Tanks EU Institutions Libraries Permanent Representatives to the EU and law firms specializing in EU law      **Treaties of the European Union** European Union, 2016-12-11 The Treaty on European Union TUE and the Treaty on the Functioning of the European Union TFEU are the main treaties of the European Union The TEU establishes general principles of the European Union outlines its governance the Commission Parliament and Council and gives the guidelines on external foreign and security policy The TFEU in turn provides the detailed basis of the European law delimiting the scope of the European Union legislative authority and providing guidelines in those areas where EU law operates      Policy-making in the European Union Helen Wallace, Mark A. Pollack, Alasdair R. Young, 2015 The policies of the European Union profoundly affect the lives of people in Europe and around the world The new edition of this highly successful textbook outlines how and why such decisions are made as well as the key challenges faced by policy makers in the current political and economic climate      **The ^AOxford Handbook of Comparative Foreign Relations Law** Curtis A. Bradley, 2019-06-07 This 46 chapter book written by leading experts across the globe compares and contrasts the foreign relations law of nations around the world both documenting important differences and also noting commonalities and emerging trends Comparative foreign relations law is a newly emerging field of study and teaching and this volume is likely to become a key reference work as the field continues to develop
