Moreman,2013-08-27 At once controversial and intriguing Spiritualism has spread from the United States to become a global movement Bringing together perspectives from within the movement and without this unique collection treats readers to insights about Spiritualism s history belief and practice Based on the belief that the dead can communicate with the living through mediums Spiritualism touches concepts as timelessly fascinating as human mortality and the continuing existence of the soul beyond bodily death This comprehensive work will help readers parse the mysteries of this uniquely American religion through three thematically organized volumes Spiritualism in the U S and Globally Evidence and Beliefs and Cultural and Social Issues Drawing on fields as diverse as psychology sociology religious studies anthropology history ethnic and

gender studies literature and art this broad based collection frames Spiritualism through the views of a team of international scholars Among the many things that separate Spiritualism from mainstream religions is the involvement of women in central leadership roles Such cultural and political elements of the movement are one aspect of this study Of equal interest to believers and skeptics alike will be the work of scholars who have devoted themselves to examining the claim that communication through mediums proves the existence of life after death

**Eusapia Palladino and Her Phenomena - Scholar's Choice Edition** Hereward Carrington,2015-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Supernatural Entertainments** Simone Natale,2016-03-31 In Supernatural Entertainments Simone Natale vividly depicts spiritualism s rise as a religious and cultural phenomenon and explores its strong connection to the growth of the media entertainment industry in the nineteenth century He frames the spiritualist movement as part of a new commodity culture that changed how public entertainments were produced and consumed Starting with the story of the Fox sisters considered the first spiritualist mediums in history Natale follows the trajectory of spiritualism in Great Britain and the United States from its foundation in 1848 to the beginning of the twentieth century He demonstrates that spiritualist mediums and leaders adopted many of the promotional strategies and spectacular techniques that were being developed for the broader entertainment industry Spiritualist mediums were indistinguishable from other professional performers as they had managers and agents advertised in the press and used spectacularism to draw audiences Addressing the overlap between spiritualism s explosion and nineteenth century show business Natale provides an archaeology of how the supernatural became a powerful force in the media and popular culture of today

**Calling the Spirits** Lisa Morton,2022-10-10 From Halloween expert Morton a level headed and entertaining history of our desire and attempts to hold conversations with the dead Calling the Spirits investigates the eerie history of our conversations with the dead from necromancy in Homer s Odyssey to the emergence of Spiritualism when Victorians were entranced by mediums and the seance was born Among our cast are the Fox sisters teenagers surrounded by spirit rappings Daniel Dunglas Home the greatest medium of all time Houdini and Sir Arthur Conan Doyle whose unlikely friendship was forged then riven by the

afterlife and Helen Duncan the medium whose trial in 1944 for witchcraft proved more popular to the public than news about the war The book also considers Ouija boards modern psychics and paranormal investigations and is illustrated with engravings fine art from beyond and photographs Hugely entertaining it begs the question is anybody there The History of Spiritualism, Vol. II Arthur Conan Doyle,2022-07-21 In The History of Spiritualism Vol II Arthur Conan Doyle embarks on a compelling exploration of the spiritualist movement that gained momentum in the late 19th and early 20th centuries This volume delves into the historical and cultural contexts of spiritualism examining its philosophical underpinnings and its impact on society As Doyle intertwines vivid anecdotes with rigorous analysis he presents a rich tapestry of beliefs practices and notable figures offering insight into the larger metaphysical discourse of the time His prose is characterized by a combination of analytical rigor and narrative flair engaging readers both intellectually and emotionally Arthur Conan Doyle renowned as the creator of Sherlock Holmes was deeply influenced by his fascination with the occult and the afterlife elements that permeate his literary works His personal experiences with spiritualism including interactions with prominent mediums and investigations into paranormal occurrences shaped his perspective on the movement Doyle's earnest commitment to the spiritualist cause driven by a profound loss and search for answers reinforces his credibility as a defender and chronicler of this complex phenomenon The History of Spiritualism Vol II is an essential read for those intrigued by the intersections of literature spirituality and history Doyle's thoughtful examination invites readers to consider the societal implications of spiritualism and its enduring legacy making it a valuable text for scholars enthusiasts and anyone seeking to understand the human quest for connection beyond the material world Psychics, Sensitives and Somnambules Rodger I. Anderson,2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference **Arthur Conan Doyle: Esoteric Writings** Arthur Conan Doyle,2022-05-17 In Arthur Conan Doyle Esoteric Writings readers delve into the lesser known but profoundly intriguing spectrum of Doyle's oeuvre that transcends his famed Sherlock Holmes series This compendium assembles a variety of

essays short stories and philosophical musings that engage with themes of mysticism spirituality and the arcane With a unique literary style marked by lucidity and a penetrating insight into the human psyche Doyle s works reflect the intellectual fervor of the late Victorian and early Edwardian periods a time marked by burgeoning interests in the occult and alternative spiritualities Arthur Conan Doyle trained as a physician was drawn into the realms of the supernatural and the esoteric influenced by personal tragedies and his quest for understanding life after death Beyond his detective fiction he was a passionate advocate for spiritualism fervently believing in the existence of a spiritual realm His life experiences and scientific background laid the groundwork for a profound engagement with esoteric concepts which he skillfully wove into this compelling collection Arthur Conan Doyle Esoteric Writings is an essential read for scholars of literature and esotericism alike It invites readers to explore the dimensions of Doyle s thought and the wider historical context of his beliefs enriching their understanding of one of literature s most complex figures Engage with this collection to discover the intersections between reason and mysticism and the enduring questions that continue to intrigue us today

**The History of Spiritualism** Arthur Conan Doyle,1926 [The Complete Spiritual Works of Sir Arthur Conan Doyle \(Illustrated Edition\)](#)

Arthur Conan Doyle,2023-11-25 In The Complete Spiritual Works of Sir Arthur Conan Doyle Illustrated Edition readers embark on a profound exploration of the mystical and the metaphysical through the lens of one of literature s most intriguing figures This anthology gathers Doyle s essays lectures and personal reflections on Spiritualism a movement that profoundly influenced his life and writing The book is characterized by its eloquent prose and analytical depth weaving together anecdotal narratives and philosophical discourse The accompanying illustrations enrich the text providing a visual context to Doyle s spiritual inquiries and enhancing the reading experience Arthur Conan Doyle best known as the creator of the iconic detective Sherlock Holmes was also a fervent believer in Spiritualism His encounters with mediums and his fervent quest for evidence of life beyond death fuelled his literary pursuits in this genre Piecing together personal experiences with rigorous observation Doyle s commitment to exploring the unknown led him to write extensively on spiritual matters revealing a profound tension between his scientific background and his spiritual convictions This illustrated collection is not only a testament to Doyle s multifaceted genius but also serves as an essential read for those interested in Spiritualism the early 20th century literary landscape and the philosophical questions surrounding life death and existence A compelling introduction to Doyle s spiritual explorations it invites readers to contemplate their own beliefs about the unseen

*The History of Spiritualism* ,1926

**True Ghost Stories** Hereward Carrington,2024-02-10 In True Ghost Stories Mr Carrington presents a number of startling cases of this character but they are not the ordinary ghost stories based on pure fiction and having no foundation in reality Here we have a well arranged collection of incidents all thoroughly investigated and vouched for and the testimony obtained first hand and corroborated by others The chapter on Haunted Houses is particularly striking The first chapter deals with the interesting question What is a Ghost and attempts to answer this question in the light of the

latest scientific theories which have been advanced to explain these supernatural happenings and visitants It is a book of absorbing interest and cannot fail to grip and hold the attention of every reader no matter whether he be a student of these questions or one merely in search of hair raising anecdotes and stories He will find them here a plenty The following little book endeavors to bring together a number of ghost stories of the more startling and dramatic type but stories nevertheless which seem to be well authenticated and which have been obtained in most instances at first hand from the original witnesses and often contain corroborative testimony from others who also experienced the ghostly phenomena Some of these incidents indeed rise to the dignity of scientific evidence others are less well authenticated cases but interesting for all that These have been grouped in various Chapters according to their evidential value Chapters II and III contain well evidenced cases some of which have been taken from the Proceedings and Journals of the Society for Psychical Research S P R or from Phantasms of the Living or from other scientific books in which narratives of this character receive serious consideration Chapter V on the contrary contains a number of incidents which striking and dramatic as they are cannot be included in the two earlier Chapters as presenting real evidence of Ghosts but are published rather as startling and interesting ghost stories Chapter IV devoted to Haunted Houses contains brief accounts of the most famous Haunted Houses and of the phenomena which have been witnessed within them Appendix A gives a list of a few of the important Historical Ghosts Appendix B describes the Phantom Armies lately seen by the Allied troops in France while Appendix C lists a number of books of Ghost Stories which the interested reader may care to peruse A short Glossary at the beginning of the book explains the meaning of certain terms used which are not perhaps ordinarily met with in books of this character In the Introductory Chapter I have endeavored to explain very briefly the nature and character of Ghosts what they are and the various scientific theories which have been brought forward of late years to explain Ghosts I hope that this may prove of interest to the reader in case it does not do so he is invited to skip directly to Chapter II which begins our account of True Ghost Stories I wish to express my thanks in this place to the Council of the English S P R for special permission to quote and to summarize several striking cases here reproduced also to Miss Estelle Stead for permission to utilize several cases previously printed at length in Mr Wm T Stead s collections of Ghost Stories H C Author      **Spiritism and Religion** Johan Baron Liljencrants,1918

**Reincarnation Refuted - Evidence, Logic and Common Sense** Stephen Blake M.Sc (Lond),2014-03-31

REINCARNATION REFUTED is the first definitive proof that reincarnation does not happen Opposing the grain of New Age thinking the approach is logical self contained and free of religious dogma Published for the first time is the Impossibility Theorem the spiritual constitution of the self and the relationship between spirit possession and obsession mind body interaction and how it produces the strange phenomena often attributed to reincarnation an original critique of reincarnationism s best known work Twenty Cases Suggestive of Reincarnation Whatever the reader s interests beliefs or religious persuasion REINCARNATION REFUTED is a fascinating journey of discovery into belief logic and the paranormal

**Extrasensory Perception** Edwin C. May, Sonali Bhatt Marwaha, 2015-06-23 Scholars from around the world collaborate to explain the history of parapsychology the study of extrasensory perception ESP and the arguments of skeptics and supporters in this fascinating collection This two volume set introduces ESP also known as anomalous cognition and psychokinesis addressing the history research philosophy and scientific theories surrounding the phenomena With contributions from leading research scientists from within the field of parapsychology and other areas of study this reference addresses the fundamental questions that the evidence of ESP evokes examines parapsychology research from all over the world and explores the controversies skepticism and contemporary criticism disparaging the field Written for a multidisciplinary audience ranging from physicists to psychologists to lay persons the volumes present the scientific validity of the field Volume 1 addresses the historical philosophical skeptical and research viewpoints volume 2 lays out the current theories on ESP Chapters reveal how strict scientific protocols and state of the art technologies enable scientists at sites such as Harvard and Cornell universities to their international counterparts in Amsterdam Austria and Asia to pinpoint and investigate ESP abilities Appendices include a glossary of key terms in parapsychology ESP research protocol ESP research organizations skeptic associations and recommended reading
