## **Eustace Diamonds The Part 1 Of :**

**In-Laws and Outlaws** Sybil Wolfram, 2023-07-05 Originally published in 1987 this book presented for the first time a unified treatment of English kinship of the nineteenth and twentieth centuries This system far from being a patchwork of historical accidents has a remarkably logical overall structure permeating both law and custom To understand it one must study a wide variety of sources ranging from Parliamentary debates through accounts of contemporary events cases and incidents to fiction of the day The work is pertinent to current studies in a number of fields in history it represents a systematic overview highlighting new sources of material while for lawyers it gives a historical context and explanation of family law particularly topical for impending English legislation in this area at the time It collects two centuries of sociological data and presents social anthropologists with the English system for comparison with systems conventionally studied in the field and with kinship theory Finally it provides philosophers with a new arena in which to discuss the nature of explanations of human activities besides raising fresh questions     Guide to Trollope Winifred Gregory Gerould, James Thayer Gerould, 2014-07-14 Trollope fans and all who want to increase their knowledge of that great Victorian novelist will welcome this guide to the worlds he created In alphabetical entries on the multitude of characters and places in his novels the reader can quickly find the material to follow the career of a favorite Lady Glencora perhaps or Mr Harding Frequent use of quotation lends the authentic Trollope touch A summary of the plot of each novel is included as are Trollope s own estimates of his works Maps of the geography of the novels are a delightful feature of the guide Originally published in 1948 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905     **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1881     **Bookseller and the Stationery Trades' Journal** ,1874     The Bookseller ,1915     **"The"** **Fortnightly Review** ,1871     **Imagining Women's Property in Victorian Fiction** Jill Rappoport, 2023-03-25 Imagining Women s Property in Victorian Fiction reframes how we think about Victorian women s changing economic rights and their representation in nineteenth century novels The reform of married women s property law between 1856 and 1882 constituted one of the largest economic transformations England had ever seen as well as one of its most significant challenges to family traditions By the end of this period women who had once lost their common law property rights to their husbands reclaimed their own assets regained economic agency and forever altered the legal and theoretical nature of wedlock by doing so Yet in literary accounts reforms were neither as decisive as the law implied nor limited to marriage Legal rights frequently clashed with other family claims and the reallocation of wealth affected far more than spouses or the

marital state Competition between wives and children is just one of many ways in which Victorian fiction suggests the perceived benefits and threats of property reform In nineteenth century fiction portrayals of women s claims to ownership provide insight into the social networks forged through property transactions and also offer a lens to examine a wide range of other social matters including testamentary practices wills and copyright law economic and evolutionary models of mutuality the twin dangers of greed and generosity inheritance and custody rights the economic ramifications of loyalty and family obligation and the legacy of nineteenth century economic practices for women today Understanding the reform of married women s property as both an ideologically and materially substantial redistribution of the nation s wealth as well as one complicated by competing cultural traditions this book explores the widespread ways in which women s financial agency was imagined by fiction that engages with but also diverges from the law in accounts of economic choices and transactions Repeatedly narratives by Austen Dickens Gaskell Trollope Eliot and Oliphant suggest both that the law is inadequate to account for the way that property enables and disrupts relationships and that the form of the Victorian novel in its ability to track intimate and intricate exchanges across generations is better suited to such tasks The Publishers' Circular and General Record of British and Foreign Literature ,1873 Publishers' circular and booksellers' record ,1900 **The Victorian Geopolitical Aesthetic** Lauren M. E. Goodlad,2015-01-22 How did realist fiction alter in the effort to craft forms and genres receptive to the dynamism of an expanding empire and globalizing world Do these nineteenth century variations on the geopolitical aesthetic continue to resonate today Crossing literary criticism political theory and longue dur e history The Victorian Geopolitical Aesthetic explores these questions from the standpoint of nineteenth century novelists such as Wilkie Collins George Eliot Gustave Flaubert and Anthony Trollope as well as successors including E M Forster and the creators of recent television serials By looking at the category of sovereignty at multiple scales and in diverse contexts Lauren M E Goodlad shows that the ideological crucible for high realism was not a hegemonic liberalism It was rather a clash of modern liberal ideals struggling to distill themselves from a powerful conservative vision of empire while striving to negotiate the inequalities of power which a supposedly universalistic liberalism had helped to generate The material occasion for the Victorian era s rich realist experiments was the long transition from an informal empire of trade that could be celebrated as liberal to a neo feudal imperialism that only Tories could warmly embrace The book places realism s geopolitical aesthetic at the heart of recurring modern experiences of breached sovereignty forgotten history and subjective exile The Coda titled The Way We Historicize Now concludes the study with connections to recent debates about surface reading distant reading and the hermeneutics of suspicion The Publishers Weekly ,1924 **Books Out Loud** ,2007 **The Ring of Truth and Other Myths of Sex and Jewelry** Wendy Doniger,2017 In The Ring of Truth Wendy Doniger expertly unfolds the cultural and historical significance of rings and other kinds of circular jewelry through timeless stories taken from mythology religious traditions and literature Each chapter like a separate charm on a charm bracelet considers a

different constellation of stories linked by a common cluster of meanings the mutual imitation of real and fake legal and illegal marital and extra marital jewelry the circular form of rings and bracelets miming the circle of eternity which persists in the face of human ephemera     **Poole's Index to Periodical Literature: pt. 2. K-Z, 1802-1881** William Frederick Poole, 1882     The Publishers' Circular and Booksellers' Record , 1929     *The Fortnightly* , 1871     **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** , 1904     *English Fiction of the Victorian Period* Michael Wheeler, 2014-01-14 Professor Wheeler s widely acclaimed survey of the nineteenth century fiction covers both the major writers and their works and encompasses the genres and minor fiction of the period This excellent introduction and reference source has been revised for this second edition to include new material on lesser known writers and a comprehensively updated bibliography     *Words on Cassette, 2002* R R Bowker Publishing, 2002     *The Bookman's Journal and Print Collector* Wilfred Partington, 1919

This Engaging World of E-book Books: A Comprehensive Guide Unveiling the Advantages of Kindle Books: A Realm of Ease and Flexibility Kindle books, with their inherent portability and simplicity of access, have liberated readers from the limitations of physical books.
