Evangelical Revivals In New Zealand:

Evangelical Revivals in New Zealand Robert Evans, Roy McKenzie, 2015 **A Brief History of Revival in New Zealand** Jenny Sharkey, 2016-12-18 This book outlines a brief timeline based history of Christian revival movements and outpourings in the nation of New Zealand Being born again being revived is clearly on God's agenda for his people He wants us to experience the wind of the Spirit bringing us into new life in his Kingdom Revival is not a one off event for the church in a set era it is a fundamental aspect of the Kingdom of God coming on earth in every era Life in the Spirit through the power of resurrection that Jesus has made available to us through his own death and resurrection by the loving grace of the Father this is revival This is being born again The is the good news Revival is for every generation every day New Zealand has an incredible history of revival These stories are our testimony and the testimony about Jesus is essentially the prophetic spirit Revelation 19 10 The Voice Version It is my understanding that our testimonies of Jesus moving among us in the past release the prophecy of what he can and will do among us in the future and even greater things than these So my prayer is that as you read about the wonderful things that have already happened in New Zealand and maybe even where you live you will have hope renewed for what he is about to release in our era for a new generation May the ancient wells of revival be reopened that the water of life may flow across our free land **A Full-er Gospel?: Pentecostal Proclamation in New Zealand 1990-2008** Linda Flett, 2015 This book draws on the belief statements and official publications of Elim and AOG denominations in New Zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to A statement that In order to reach New Zealand our methods need to change but not our message provides a framing device inviting the reader to explore their responsiveness to aspects of social change within New Zealand before gauging interest in new methodologies known to have impacted Pentecostal churches in New Zealand during this period Actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re examined It will be evident that not only were new methodologies embraced but views on salvation broadened becoming increasingly holistic dynamic and relational **Great Southland Revival** Kurt Mahlborg, Warwick Marsh, 2022-11-21 Discover Australia's Great Awakenings Australia is a nation forged in the furnace of revival Long forgotten Australia's Spirit filled history comes to life in Great Southland Revival Discover how the flame of Pentecost spread from the book of Acts all the way to the South Pacific Journey on convict ships and city trams to goldfields outback communities and far flung islands transformed by the gospel Most of all be inspired that God longs to revive the church sweep multitudes into His kingdom and renew our world once again **The Growth of the Brethren Movement: National and International Experiences** Neil T. R. Dickson, Tim Grass, 2006-12-01 The essays in this book have been contributed in honour of Dr H H Rowdon a teacher of several generations of students at the London Bible College and a historian of the Brethren movement The book includes reflections on the historiography of the Brethren but it is their character and growth which form the

principal focus The writers make original contributions to national regional or local histories and at the same time raise wider themes and issues on topics such as revivalism in New Zealand and the Orkney Islands or paternalism and missionary endeavor in Zambia Leading features of the Brethren are discussed through papers on several seminal figures such as Anthony Norris Groves John Eliot Howard and George Muller Above all the opportunities and problems represented by the worldwide growth of the movement are looked at with reference to a number of countries among them Britain Germany Jamaica and Angola or to individual congregations in places as diverse as Birmingham Singapore and Tasmania Over the whole world concludes Prof D W Bebbington in his contribution Brethren played a distinctive role as evangelicals of the evangelicals

Christian Politics in Oceania Matt Tomlinson, Debra L. McDougall, 2013 The phrase Christian politics evokes two meanings political relations between denominations in one direction and the contributions of Christian churches to debates about the governing of society The contributors to this volume address Christian politics in both senses and argue that Christianity is always and inevitably political in the Pacific Islands Drawing on ethnographic and historical research in Papua New Guinea Solomon Islands Vanuatu and Fiji the authors argue that Christianity and politics have redefined each other in much of Oceania in ways that make the two categories inseparable at any level of analysis The individual chapters vividly illuminate the ways in which Christian politics operate across a wide scale from interpersonal relations to national and
