Evangelical Idolatry:

Evangelical Idolatry Jeff Mikels, 2025-01-23 I am a pastor who is guilty of perpetuating the worship of idols Like many people today Jeff Mikels is concerned by the evangelical church's embrace of cultural and political idols Unlike many people however Mikels is a former evangelical pastor who regrets his complicity in this trend **Evangelical Idolatry How Pastors Like Me Have Failed the People of God** is both a confession and a call to repentance Reflecting on his twenty year pastoral ministry with candor and humility Mikels acknowledges the ways he enabled parishioners to develop destructive loyalties to cultural and political idols As he works to reform his own worldview and embrace allegiance to Christ alone he urges evangelical pastors and laypeople to join him in reforming their faith and living out the good news of the true gospel

Elwell, 2001-05 This thoroughly updated edition of a standard reference tool covers systematic historical and philosophical theology as well as theological ethics **Evangelical Idolatry** Don W. Hillis, 1983-01-01 **Evangelical Christendom** ,1893 *The Evangelical Episcopalian* ,1908 **The Connecticut Evangelical Magazine** ,1813 The Evangelical Magazine and Missionary Chronicle ,1811 **The Quarterly Review of the Evangelical Lutheran Church** ,1873 Labor Evangelicals Ken Estey, 2024-10-12 *Labor Evangelicals* studies theologically conservative working class evangelicals in the United States who resist the common preconception that they eagerly embrace deregulation unfettered markets and globalized capital Methodologically this book studies evangelical workers at the grassroots level to discern the complexity of their perspectives about work unions class and power This book shows how white and African American evangelicals think about labor in working class communities in Bethlehem Pennsylvania and Moncure North Carolina **Evangelical Idolatry; a Sermon ... Idolatry**, 1829 **RELIGIOUS SYNCRETISM IN AFRICAN CHRISTIANITY** ISIAH OLUWAJEMIRIYE OLATOYAN, 2024-04-18 Christianity among the African people whether on the soil of Africa or in diaspora is perceived and defined differently by different people For instance among African traditional religious people and Muslims Christianity is a

foreign religion that must not be allowed to thrive in Africa To several Africans who profess Jesus Christianity is good but it is not adequate and effective enough to handle all human needs Still among some Western Christians and missionaries African Christianity is superficial and lacks total commitment to Christ Of course the Africans are a cultural people with profound religious inclinations Their traditional religion ATR has tremendously shaped their worldviews and socioeconomic and political activities Consequently when traditional Africans are converted to Christianity they do not break ties with their traditional religions completely The examination of relevant biblical texts on syncretism however reveals that God condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship Therefore this work investigates the root cause of religious syncretism among African people In the attempt to find answers to why the average African Christian finds it difficult if not impossible to abandon his her traditional religious belief systems completely to embrace Christianity the author concludes that unless the issues surrounding the African forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures

How to Be Evangelical without Being Conservative Roger E. Olson, 2009-05-26 Many people equate evangelical Christianity with conservatism in religion politics theology and social attitudes Some are scandalized by any separation between them As one evangelical pastor's wife declared to a church group We are a conservative people In fact however evangelicals have not always been conservative radical stances on doctrines worship social norms politics and church leadership have often marked evangelicalism in the past The 2007 movie *Amazing Grace* about William Wilberforce's protracted battle against the slave trade featured a small group of British evangelicals committed to abolition The same radicalism characterized much of American evangelicalism in the years before the Civil War In recent years the American media have portrayed the evangelical movement as a conservative force in society sometimes equating it with fundamentalism and puritanism The missing piece of the story is however that both fundamentalism and puritanism contained radical elements that opposed the status quo This book sets forth evidence that the link between evangelicalism and conservatism has not always been as strong as it is today in the popular mind and it will provide suggestions for contemporary evangelicals who want to remain evangelical and not become post evangelical without identifying with conservatism in every way
