Evangelism For Our Generation:

Evangelism for Our Generation Jim Petersen, 1985 **Will Our Generation Speak?** Grace Mally, 2012 *Will Our Generation Speak* is filled with dialog recounting witnessing conversations and giving practical ideas for beginning conversations with unbelievers about the Lord. It teaches how to ask good questions and answer objections while illustrating points with humorous cartoons and stories. Written from a young perspective, this book gives other young people a vision of how much the Lord can use them in the years of their youth. It communicates how exciting it is to be working alongside the God of the Universe in the mission of saving souls and it gives young people courage from the Word to combat fear and reject excuses. *Will Our Generation Speak* is a wonderful practical and very timely publication. Never before in history has the Church so needed to speak up and to speak clearly. This book does that and it tells you how to do it with practical examples and inspiring heart warming personal experiences. It's fuel for your fire. Ray Comfort, Founder of Living Waters, cohost of *Way of the Master*. Witnessing often makes people nervous, but it's important that we share our faith. Grace Mally shares practical tools that work. The Duggar Family TLC's 19 Kids and Counting. Grace Mally shows how to break the ice and introduce people to the good news of the Gospel. Jeff Myers, Ph.D., President Summit Ministries *Reimagining Evangelism* Rick Richardson, 2009-12-09. What if introducing your friends to Jesus was less like selling a problem solving pie in the sky product and more like inviting them to join you on an adventure? Would you find a new freedom to be yourself and to be of use to God? Rick Richardson dares to describe what evangelism really ought to be like *Essentials of Evangelism* Tom Malone, 2000-08

Evangelism Unprocessed Michael Stine, 2005-11. This is a short book that will totally change the way you think about evangelism. This book looks at the value of establishing relationships rather than going through a list of processes to witness to a non-Christian **Witness to this Generation** Roger Oakland, 2018. Creation Evangelism for the Last Days. If the foundational principal of Christianity is recognizing who Jesus is and what He has done, then sharing this truth with unbelievers should be next in line. If we follow Jesus' New Testament commandment which challenges us to love God first and then our neighbors before ourselves, should we not do everything in our power to share the Good News of God's saving grace with others? There has never been a more critical time to sow the truth of the Gospel into our world. Proclaiming the Good News of Jesus Christ to our present generation is becoming increasingly more difficult. While people everywhere have embraced Darwinian evolution as a means of explaining away the existence of God, there is a growing trend in our society to accept the New Age worldview that evolution is God. *Witness to This Generation* provides biblical insights showing how creation evangelism can be used to witness the Gospel of Jesus Christ to our generation and why the time remaining to do so may be very short. Book jacket **The Study of Evangelism** Paul W. Chilcote, Lacey C. Warner, 2008-02-13. Christians and communities of faith today are rediscovering evangelism as an essential aspect of the church's mission. Many of the resulting books in the marketplace, however, have a hands-on orientation often lacking serious theological engagement and reflection.

Bucking that how to trend The Study of Evangelism offers thirty groundbreaking essays that plumb the depths of the biblical and theological heritage of the church with reference to evangelistic practice Helpfully organized into six categories these broad diverse writings lay a solid scholarly foundation for meaningful dialogue about the church s practice of evangelism

Planning Strategies for World Evangelization Edward R. Dayton,David A. Fraser,2003-12-24 We believe God has given his church some new insights into how to think about reaching the hidden and unreached peoples That is what this book is about Evangelism and the Openness of God Vaughn W. Baker,2012-12-18 Argues that a dynamic concept of God as articulated in open theism better serves the evangelistic mission of the church than does conventional theology Back

June,Matthew Parker,1999 Here is a comprehensive guide to the how to s of the African American church and many aspects of its ministry "The Evangelization of the World in this Generation" Denton Lotz,1970 Embodying Our Faith Tim Morey,2009-11-30 Your Christians are so unlike your Christ Mohandas Gandhi famously critiqued the contemporary church with this pithy phrase Church planter Tim Morey keeps this challenge in mind as he coaches other planters in the Evangelical Covenant Church In this book he brings his experience combined with research and theological reflection to help your church cultivate the irreducible qualities of an embodied apologetic a community that is revealed by its faithful to be experiential communal and enacted **Examining Billy Graham's Theology of Evangelism** Thomas P. Johnston,2003-03-12

Examining Billy Graham s Theology of Evangelism was written to advance an unbiased understanding of Billy Graham s theology and practice Theological examination of Graham s sermons revealed four distinct eras in his theology and practice The Early Early Graham pre 1949 The Early Graham 1949 1955 The Middle Graham 1955 1965 The Later Graham 1965 present In each of these eras Graham portrayed a discernible and distinct approach to defining evangelism theological nomenclature and cooperative strategy No literature on Billy Graham discusses in combination this evolution in Graham s theology and practice You are invited to take a fresh look at the teaching and practice of this man who has touched millions of lives through the proclamation of the Gospel of Jesus Christ **Living Proof** Jim Petersen,2014-02-27 Jim Petersen shares what he s learned from over 25 years of working with the unchurched He shows that although many people don t want to hear about our faith they will talk about their own felt needs needs that can only be met in Christ Learn how to

develop relationships with the unreached model the Christian message and eventually present the Bible's claims in a non-threatening manner *Northwestern Christian Advocate*, 1903 The Kingdom of Character Michael Parker, 2008-01-09 The Unseen Heroes of the Global Missionary Movement The Student Volunteer Movement for Foreign Missions was a Protestant missionary recruiting organization Launched in the late nineteenth century it played an indispensable role in the creation of the modern missionary movement While it was influenced by the optimism and expansiveness that characterized Americans at the turn of the century it also mirrored the period's provincialism and ethnocentrism The Kingdom of Character provides a thorough history of the Student Volunteer Movement SVM exposing both its strengths and weaknesses Parker highlights how these student leaders addressed issues such as gender roles the social impact of World War I and various internal controversies while emphasizing an American middle class worldview that stressed the Victorian idea of character in their hope to spread the gospel around the world The Kingdom of Character is a great read for those interested in the creation of the modern missionary movement Evangelism in the Twenty-first Century Thom S. Rainer, 1989

After-Mission, Beyond Evangelicalism Najib George Awad, 2020-11-04 After Mission touches on three questions The first question is about self perception and identity formation strategies and the various views that we have on the Protestants relation to their Arab Muslim Middle Eastern context This will furnish the basis for the ensuing parts as it will provide the study with coherent and analytical readings of the cultural situation and intellectual views of the Arab Eastern Protestants in their *Sitz im Leben* from the perspective of the hermeneutic tripod of identity othering relationality The second question about the theological dimension asks what kind of a theological discourse do the Protestants need to develop and how do they need to re form their own theological heritage in such a manner that will allow them to heal the historical enmity and suspicion towards them from the Eastern Orthodox Christian community in the region How should they re think their traditional view on theological subjects common to them and the Eastern Christian tradition Traditional Protestant attitudes towards Eastern Christianity which have been viewed through the lens of evangelicalism and mission have failed to grant the Protestants an influential and truly indigenous presence in the region and have led to them being constantly accused of being a foreign transplant and alien entity In the light of this it is clear that going beyond missiology and traditional evangelicalism demands re thinking certain mutually shared but contentious theological subjects from a new perspective with the focus on more constructive attempts to build fellowship through dialogue Finally the third question touches on the Protestants future in the Arab Muslim Middle East by viewing this inquiry from a broader perspective that is related to all the Middle Eastern Christian communities presence and role in the Muslim majority context It will discuss questions about the kind of presence and role that Christians Protestants included should hope to play in order to guarantee survival and a continuing presence in the region The question of identity formation and the managing of difference without trapping it in the mud of otherizing and self otherizing will also be tackled so that the theological dimension is integrated

with the broader multifaceted contextual one **Your Spiritual Gifts Can Help Your Church Grow** C.
