

The background of the slide is a painting of a church interior. It shows a view from the back of the sanctuary looking forward. Several rows of people are seated in dark wooden pews. The church has a high, vaulted ceiling and a large, light-colored stone or plaster wall on the left side. The lighting is dramatic, with strong highlights and deep shadows, creating a solemn and historical atmosphere.

Evangelistic Preaching The Old Testame:

Preaching and Teaching from the Old Testament Walter C. Kaiser Jr., Walter C. Kaiser, 2003-03 The Old Testament should not be ignored Advocating its importance this book examines the various ways to preach and teach from it **Preaching the Old Testament** Scott M. Gibson, 2006-10 Preaching the Old Testament equips pastors to journey into the forest and find a passion and confidence for preaching on the Old Testament *Reclaiming the Old Testament for Christian Preaching* Grenville J. R. Kent, Paul J. Kissling, Laurence A. Turner, 2013-04-06 2011 Preaching Today Magazine Book Award winner The Old Testament is filled with intriguing characters stories and themes But preaching from its remote historical context wrapped in sometimes unfamiliar literary genres and narrative devices can be daunting Based on the conviction that the Old Testament texts are a vital and dynamic part of the Christian canon and pertinent to Christian practice this stimulating volume offers guidance for expository preaching and practical suggestions for understanding the message of its diverse literature The chapters cover narrative plot characters genre and preaching from difficult texts The book concludes with a vital chapter on preaching Christ from the Old Testament which offers a theological account of biblical interpretation without unnaturally forcing the texts The contributors are internationally respected evangelical Old Testament scholars from a wide range of church traditions and global regions who are also active in preaching Daniel I Block David G Firth Grenville J R Kent Paul J Kissling Alison Lo Tremper Longman III Ernest C Lucas R W L Moberly Laurence A Turner Frederico G Villanueva Gordon Wenham H G M Williamson and Christopher J H Wright Here is a book that will help you use all of the Bible s rich resources in preaching the good news of the global kindgom of God *Preaching from the Old Testament* Elizabeth Rice Achtemeier, 1989-01-01 This book provides theological insights as well as practical sermon suggestions for preachers and seminary students It treats the reader to a thorough examination of how to approach and interpret any portion of the Old Testament **And God Spoke to Abraham** Fleming Rutledge, 2011-11-01 Sixty superlative sermons on familiar Old Testament texts Many Christian preachers today largely neglect the Old Testament in their sermons focusing instead on the Gospel accounts of Jesus teachings and activities As Fleming Rutledge points out however when the New Testament is disconnected from the context of the Old Testament it is like a house with no foundation a plant with no roots or a pump with no well In this powerful collection of sixty sermons on the Old Testament Rutledge expounds on a number of familiar Old Testament passages featuring Abraham Samuel David Elijah Job Jonah and many other larger than life figures Applying these texts to contemporary life and Christian theology she highlights the ways in which their multivocal messages can be heard in all their diversity while still proclaiming univocally Hear O Israel the Lord our God the Lord is One **Evangelistic Preaching** Lloyd M. Perry, John R. Strubhar, 2000-02-05 *Preaching the Old Testament* Ronald James Allen, Clark M. Williamson, 2007-01-01 In this third and concluding volume of their lectionary commentary collection Preaching the Gospels without Blaming the Jews and Preaching the Letters without Dismissing the Law Ronald Allen and Clark Williamson encourage

the church and its preachers to rediscover the Old Testament as a vibrant wellspring of Christian faith and life Preachers often neglect the Old Testament misrepresent it or regard its theological content as superseded by Jesus and the New Testament Allen and Williamson claim The authors help preachers avoid these traps by explaining how a text was understood before the Common Era without any reference to Jesus or Christian doctrine mentioning representative New Testament passages or themes that are informed by the older material and commenting briefly on the relationship between the lections in those cases when readings from the Old Testament are paired with readings from the New Testament *Old Testament Evangelistic Sermons* Martyn Lloyd-Jones,1995-01-01 The great British expositor and preacher D Martyn Lloyd Jones artfully displays his ability to find and communicate evangelistic truth in Old Testament texts providing a model for effective and relevant preaching today *Preparing Evangelistic Sermons* Ramesh Richard,2005-10 Ministry leader and evangelist provides readers with a proven do it yourself method for effective evangelistic sermons [Preaching and Teaching the Last Things](#) Walter C. Kaiser, Jr.,2011-09-01 Distinguished Old Testament scholar Walter Kaiser believes that the Old Testament is sorely neglected today in teaching and preaching but it is even more neglected when it comes to setting forth the hope that Christians have for the future Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life he provides guidance for expositing fifteen key Old Testament eschatological passages to preachers teachers and Bible students Each chapter focuses on a single biblical text Kaiser introduces the topic examines the issues notes who has contributed to some of the solutions and shows how this sets up the text to be exegeted and prepared for exposition **Preaching Christ from the Old Testament** Sidney Greidanus,1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament **Evangelistic Preaching That Connects** Craig A. Loscalzo,1995-10-24 Craig A Loscalzo shows how to develop evangelistic sermons that will appeal to today s audiences He includes a rationale for evangelistic preaching sample sermons and lots of practical advice [How to Preach and Teach the Old Testament for All Its Worth](#) Christopher J. H. Wright,2016-04-19 Many preachers ignore preaching from the Old Testament because they feel it is outdated in light of the New Testament and difficult to expound On the other hand some preachers will preach from the Old Testament frequently but fail to handle it correctly turning it into moralistic rules or symbolic lessons for our spiritual life In *How to Preach and Teach the Old Testament for All Its Worth* Christopher J H Wright proclaims that preachers must not ignore the Old Testament It is the Word of God The Old Testament lays the foundation for our faith and it was the Bible that Jesus read and used Looking first at why we should preach from the Old Testament the author moves on to show the reader how they

can preach from it Covering the History Law Prophets Psalms and Wisdom Literature interspersed with practical checklists exercises and sermons Wright provides an essential guide on how to handle the Old Testament responsibly **Preaching from the Old Testament** Walter Brueggemann,2019-05-07 In this new volume prolific scholar Walter Brueggemann seeks to show Christian preachers how to consider the faith witnessed in several Old Testament traditions and to help them discover rich and suggestive connections to our contemporary faith challenges The author also assumes that a wholesale sustained engagement with the Old Testament is worth the effort for the preacher He recognizes what he calls the sorry state of Old Testament texts in the Revised Common Lectionary which he claims often constitute a major disservice for the church and its preachers The lectionary gerrymanders the Old Testament to make it serve other claims most of the time not allowing it to have its own evangelical say Brueggemann hopes that his exposition in this volume will evoke and energize fresh homiletical attention to the Old Testament precisely because he believes the urgent work of the gospel in our society requires attentive listening to these ancient voices of bold insistent faith **Proclaiming the Promise** Foster R.

McCurley,1974 *Your Old Testament Sermon Needs to Get Saved* David M King,2021-05-04 Every good sermon proclaims the gospel even those from the Old Testament From the miracles of the Gospels to the teachings of the Epistles the New Testament is saturated with the saving work of Jesus Christ But where is He in the poetry prophets and history of the Old Testament Your Old Testament Sermon Needs to Get Saved is a practical handbook for preaching Christ from the Old Testament The book provides a comprehensive but simple hermeneutic for discerning how Jesus is present on every page of the Hebrew Scriptures You ll learn why and how to preach Christ from the Old Testament while experiencing the beauty of discovering and teaching how the saving work of Christ permeates the first two thirds of the Bible *Evangelistic Preaching and the Old Testament* Faris D. Whitesell,1947 **Holy Root, Holy Branches** Ronald James Allen,John C. Holbert,1995

Allen and Holbert address what seems to be an insurmountable problem for preaching ministers how the confession that Jesus is Lord affects our reading and preaching from the Old Testament Their work attempts to explore how the Hebrew Bible is and is not instructive for the Christian church Preparing Evangelistic Sermons Ramesh Richard,2015-08-11 When it comes to evangelism converting the sinner is God s part Communicating the gospel is the preacher s part But how is this done effectively Professor of expository preaching Ramesh Richard offers pastors a simple do it yourself resource for preparing and delivering evangelistic sermons Incorporating a seven step process this book guides readers through the foundation framework method and special issues of evangelistic preaching With six appendices that provide relevant information outlines and checklists Preparing Evangelistic Sermons is ideal for students of evangelism preachers and ministry leaders who seek a better way to proclaim Christ to others **The Art of Preaching Old Testament Narrative** Steven D.
