Evangelizing Unchurched Children:

Evangelizing Unchurched Children Therese Boucher, 2008-05-01 One Generation from Extinction Mark Griffiths, 2012-09-12 When Robert Raikes started his first Sunday School in 1780 he saw his idea grow to reach 300 000 unchurched children within five years this in a nation widely ignorant of Christian ideas and values Mark Griffiths has used Raikes pioneering work in examining child evangelism in the UK Working from extensive local and national research leading to a PhD he considers how children tick what basic theology is at work in Christian outreach and what constitutes best practice in child evangelism His text is studded with insights and observations and brings together the author's passion for his subject with the rigour of careful research This is an unparalleled resource laying the foundations of future growth

Will Their Children Have Faith? Timothy S. Nelson, 2004 *SHARING THE GOSPEL; GOOD NEWS ON THE GO; Practical Evangelism* Matthew A. Davis, DTL, Marchelle D. Lee, Th.D., 2023-04-19 SHARING THE GOSPEL GOOD NEWS ON THE GO is a valuable soul winning training tool We encourage you to place this book in the hands of every new convert seasoned Christian church member missionary seminarian professor witnessing ministry leader community liaison and seeker of all ages It is simple but profound practical but inspiring real life but compelling SHARING THE GOSPEL GOOD NEWS ON THE GO presents engaging and heartfelt soul winning experiences This book is filled with practical evangelistic applications in presenting the gospel message This is an evangelistic discipleship initiative for the entire community This team of authors share with the readers their expertise in soul winning It will educate equip and energize individuals to evangelize through the Gospel Message as they are on the go **The Child Catchers** Kathryn Joyce, 2013-04-16 When Jessie Hawkins adopted daughter told her she had another mom back in Ethiopia Jessie didn't at first know what to think She'd wanted her adoption to be great story about a child who needed a home and got one and a family led by God to adopt Instead she felt like she'd done something wrong Adoption has long been enmeshed in the politics of reproductive rights pitched as a win win compromise in the never ending abortion debate But as Kathryn Joyce makes clear in *The Child Catchers* adoption has lately become even more entangled in the conservative Christian agenda To tens of millions of evangelicals adoption is a new front in the culture wars a test of pro life bona fides a way for born again Christians to reinvent compassionate conservatism on the global stage and a means to fulfill the Great Commission mandate to evangelize the nations Influential leaders fervently promote a new orphan theology urging followers to adopt en masse with little thought for the families these orphans may already have Conservative evangelicals control much of that industry through an infrastructure of adoption agencies ministries political lobbying groups and publicly supported crisis pregnancy centers which convince women not just to choose life but to choose adoption Overseas conservative Christians preside over a spiraling boom bust adoption market in countries where people are poor and regulations weak and where hefty adoption fees provide lots of incentive to increase the supply of adoptable children recruiting orphans from intact but vulnerable families

The Child Catchers is a shocking exposé of what the adoption industry has become and how it got there told through deep investigative reporting and the heartbreaking stories of individuals who became collateral damage in a market driven by profit and now pulpit command. Anyone who seeks to adopt of whatever faith or no faith and however well meaning is affected by the evangelical adoption movement whether they know it or not. The movement has shaped the way we think about adoption, the language we use to discuss it, the places we seek to adopt from and the policies and laws that govern the process. In *The Child Catchers* Kathryn Joyce reveals with great sensitivity and empathy why if we truly care for children we need to see more clearly.

Small Congregation, Big Potential Lyle E Schaller, 2010-10-01 Kindle Edition. There are many questions that leaders of small membership congregations ask themselves about their church's future. Lyle Schaller suggests that two in particular should rise to the top of the list. First, what's the right size of for a church? Is the small congregation averaging two or three dozen people at worship a legitimate order of God's creation? You bet it is, says Schaller. Second, should these congregations make their plans on the basis of few resources and fewer options, or should they see themselves as possessed of pools of talent and expanding possibilities? If you are convinced that the former is true, then this book is not for you. If however you are among those who believe that small membership churches are distinctive places of Christian witness and service, spreading the gospel and living in service to the world in ways that other larger churches are not, then this book is for you. In it you will find the right questions to ask as you seek to lead a small membership congregation and solid practical guidance for doing so.

The Evangelizing Catholic Frank P. DeSiano, 1998. Practical advice for putting evangelizing programs into effect by individuals. Discusses one on one encounters, specific parish programs and public relations and mail campaigns.

Mission-Shaped Children Margaret Withers, 2014-12-08. During the 20th Century Sunday school attendance fell from 55% to only 4% of children. Mission shaped Children will show you how to turn this statistic around. The book outlines the many obstacles that are currently preventing growth in children's work in the Church and suggests practical and effective strategies for overcoming these.

E.L.I. Children's Prayers from the Heart Trumpet Of God Ministries, 2012-08. **L I CHILDREN'S PRAYERS FROM THE HEART** book is definitely an excellent tool for children ages 4-8. There are 16 power packed prayers with bright colorful illustrations that your children are sure to love. Some of the prayer topics are: A prayer for Salvation, A prayer about the struggles of Peer Pressure, A prayer for Dad, A prayer for Mom, A prayer about the struggles of Divorce, A prayer about having a good Attitude, Much More.

The Chance of Salvation Lincoln A. Mullen, 2017-08-28. The Chance of Salvation offers a history of conversions in the United States which shows how religious identity came to be a matter of choice. Shortly after the American Revolution people in the United States increasingly encountered an expanded array of religious options. Evangelical Protestants began an effort to convert Americans while developing new practices that emphasized conversion as an immediate choice. Their missionary effort extended to Native American nations such as the

Cherokee in the Southeast who received Christianity on their own terms Enslaved and newly freed African Americans likewise created a variety of Christian conversion that was centered on religious hope and eschatological expectation Mormons drawing on earlier Protestant practices and beliefs enthusiastically proselytized for a new tradition that emphasized individual choice and free will By uncovering the way that religious identity is structured as an obligatory decision this book explains why Americans change their religions so much and why the United States is both highly religious in terms of religious affiliation and very secular in the sense that no religion is an unquestioned default [The Military Industrial Complex At 50](#) David Swanson,2013-02 This book is the most comprehensive collection available explaining what the military industrial complex MIC is where it comes from what damage it does what further destruction it threatens and what can be done and is being done to chart a different course **Foundations for Christian Education** Eleanor Ann Daniel,John William Wade,1999 Here is an excellent resource for your Christian Education program Daniel and Wade discuss the foundations of an effective Christian Education program and tackle organizational and administrative issues involved with such a program You will also find age specific information for all ages of learners If you are a Christian Ed Director or a teacher who wants to better understand the elements of a C E program that will make a difference in the lives of the teachers and the students this is the book for you **Church Wake-Up Call** William Benke,Le Etta Benke,Robert E Stevens,David L Loudon,2014-05-22 Is your church viable in the changing marketplace of today and tomorrow Today s church market is comprised of four cultural paradigms Youth Baby Busters Generation X Baby Boomers and Pre Boomers Each has unique characteristics in terms of attitudes spiritual orientation values emotional needs moral perspective and lifestyle This implies significant changes for the church new approaches to ministry and different methods of communication and interface Church Wake Up Call s unique Ministries Matrix approach provides effective management techniques to help you define and evaluate duties priorities and remedial actions for the future of your ministry in today s multigenerational context Church Wake Up Call will inform and enlighten you on these subjects understanding and using the Ministries Matrix to define purposes and priorities for your church eirecting your ministry toward a particular age group without compromising the church s message increasing your church s visibility structuring your church s management organization creating an effective outreach program and more Although the book is oriented toward churches and their leadership and has been written largely from an evangelical Christian perspective the descriptive information regarding each of the generational categories that comprise today s populace is applicable to all Christian organizations whether they be evangelical or mainline Protestant Catholic or parachurch Similarly the management system which integrates defined purposes priorities and programming options into a well coordinated plan of action can be applied by all such organizations [The Family As Basic Social Unit](#) Kevin Schemenauer,2024-06 The Family as Basic Social Unit provides a theologically rooted account of the family s social roles and responsibilities As a basic social unit the family is both internally social and socially interdependent with

other social communities Reflecting on the family's internally social character Schemenauer proposes that Catholic social teaching applies to family interactions He analyzes household labor using papal teaching on work and sibling violence with more recent theological analysis of peacemaking and he argues that families can complete works of mercy when they feed hungry and care for sick family members In the second part of the volume Schemenauer describes the social interdependence of families He analyzes the relationship between families and the Church civil society the economy and the state Schemenauer proposes that the question for families is not whether to engage with other social communities but how to do so well He explicitly highlights how consumer capitalism creates obstacles for families attempting to live as a basic social unit Then employing the categories of infused simplicity and moral cooperation he provides a framework for discerning family engagement with broader society Finally Schemenauer analyzes the relationship between family commitments and social ministry Working from the family outward Schemenauer describes how family commitments can motivate broader social service but then employs the example of families involved in the Catholic Worker Movement to reflect on the joys and dangers of balancing commitment to one's family with social ministry focused on the urgent needs of those outside of one's household
