You Are Today's Women of the Bible and I Can Prove It Darci Jeffries, 2018-03-26 When Jesus was on earth he did nothing to indicate women were second class citizens For example he asked Mary Magdalene at one of the most critical times in his life to be the disciple to announce his resurrection Yet somewhere in history women have been made to feel like they shouldn't be pastors or leaders of the church because of their gender In You Are Today's Women of the Bible and I can prove it author Darci Jeffries shows women are just as much a child of God as anyone no better than men and no worse than men Through a variety of Biblical entries and scriptures she recognizes the important roles women played in the Bible and how today's women still have significant impact influencing people for God's kingdom Jeffries notes the influential female of the Bible such as Jochebed Moses mother Esther and Rebekah and shares how it's because of those women and the roles they played in Biblical history that today's women have the same level of influence Inspiring today's women to achieve all they can You Are Today's Women of the Bible and I can prove it seeks to get more women working with others for God's kingdom and to help them understand how important they are in God's workplace

Hence Sr.,2005-11-28 In *The Eye of the Storm* Genesis 10 24 29 Genesis tells us how the idea of slavery within the Americas first came about and how religion was used as a justification to bind and hold a group of people to a dieing system The impact of slavery on this nation was so horrendous it tore the fabric of America apart and set a nation on a course that all but doomed it The anger and resentment still hold two groups of people apart steeped in jealousy and distrust of one another Learn when slavery began and where it began and the nations involved that to this day have not relented nor apologized for the deaths and incarceration of more than 100 million people Learn how the history books carefully walked around the truth about slavery and taught you what they wanted you to know Slavery was not what you were taught the hypocrisy of those that were involved showed the mental struggle within that society for what
