The Literary Legacy of the Macmillan Company of Canada is a unique look at the contribution of publishers and editors to the formation of the Canadian literary canon Ruth Panofsky's study begins in 1905 with the establishment of Macmillan Canada as a branch plant to the company's London office While concentrating on the firm's original trade publishing which had considerable cultural influence Panofsky underscores the fundamental importance of educational titles to Macmillan's financial profile The Literary Legacy of the Macmillan Company of Canada also illuminates the key individuals including Hugh Eayrs John Gray and Hugh Kane whose personalities were as fascinating as those of the authors they published and whose achievements helped to advance modern literature in Canada Publisher's website **Reflections** K. Peter Stich, 1988 This volume discusses the autobiographical inclination in Canadian literature exploring works by such writers as Alice Munro W O Mitchell Michael Ondaatje John Glassco and Susanna Moodie Others works including the oral memoirs of a M'tis an Inuit's account as being civil servant in Ottawa and the autobiographical writings of pioneer women and French missionaries are examined to show the depth and breadth of this tradition in Canada These texts act as starting points for an in depth look at the relationships between autobiography biography and fiction in Canadian literature Published in English **Katie Mitchell** Benjamin Fowler, 2020-12-31 Katie Mitchell Beautiful Illogical Acts offers the first comprehensive study of Britain's most internationally recognised influential and controversial theatre director It examines Mitchell's innovations in fourth wall realism opera and Live Cinema across major British and European institutions bringing three decades of practice vividly to life Informed by first hand rehearsal observations and in depth conversations with the director and her collaborators Fowler investigates the intense and immersive qualities of Mitchell's distinctive theatrical realism and challenges mainstream narratives about realism as a defunct or inherently conservative genre He explores Mitchell's theatre and its often polarised reception to question familiar assumptions governing contemporary performance criticism including common binaries that pit realism against radical experimentation auteurs against texts feminists against Naturalism and Britain against Europe By examining a career trajectory that intersects with huge cultural change Fowler places Mitchell at the centre of urgent contemporary debates about cultural transformation and its genuinely inclusive potential This is an essential book for those interested in Katie Mitchell British theatre directing the transformative power of realism and feminism in contemporary theatre practice and challenges to hierarchical distributions of power inside the mainstream *Canadian Literature in English* W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words *Canadian Periodical Index* , 1997 **Made-in-Canada Humour** Beverly J. Rasporich, 2015-09-15 Made in Canada Humour is an interdisciplinary survey and analysis of Canadian humour and humorists in the nineteenth and twentieth centuries The book

The Love of a Good Woman Alice Munro,2011-06-22 In eight stories a master of the form extends and magnifies her great themes the vagaries of love the passion that leads down unexpected paths the chaos hovering just under the surface of things and the strange often comical desires of the human heart Time stretches out in some of the stories a man and a woman look back forty years to the summer they met the summer as it turns out that the true nature of their lives was revealed In others time is telescoped a young girl finds in the course of an evening that the mother she adores and whose fluttery sexuality she hopes to emulate will not sustain her she must count on herself Some choices are made in a will in a decision to leave home with irrevocable and surprising consequences At other times disaster is courted or barely skirted when a mother has a startling dream about her baby when a woman driving her grandchildren to visit the lakeside haunts of her youth starts a game that could have dangerous consequences The rich layering that gives Alice Munro s work so strong a sense of life is particularly apparent in the title story in which the death of a local optometrist brings an entire town into focus from the preadolescent boys who find his body to the man who probably killed him to the woman who must decide what to do about what she might know Large moving profound these are stories that extend the limits of fiction
