**██████████** NOW AT THE  
BEGINNING of its third year,  
Emerson College remains a place  
where the student who doesn't  
know what he or she wants to do  
can begin by sitting in on all the  
lectures. **████████████████████**

At first he may simply be a listener  
and a reader, but as the teachers  
begin to form seminars as supple-  
ments to their weekly lectures, and  
as the individual studies program  
begins, he may want to become a  
more active member of the College.

If the work of one teacher has par-  
ticular meaning to the student,  
they can meet for tutorial hours so  
that the student can work on the  
edge of his own interest. **██████████**

If other students share his interest,  
or if he wants to know more about  
the fields in which other students  
are working, the individual studies  
meeting can become an informal  
seminar. **████████████████████**

For information on the work-study  
plan for students without money,  
on scholarships for the term be-  
ginning May 2, and on the special  
summer term for students from  
other colleges, write for the bulletin.
