The Everlasting Righteousness Horatius Bonar,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1873 edition Excerpt CHAPTER X THE HOLY LIFE OF THE JUSTIFIED finO him that worketh not but believeth says the J apostle speaking of the way in which we are reckoned just before God Does he by this speech make light of good works Does he encourage an unholy walk Does he use a rash word which had better been left unspoken No truly He is laying the foundation of good works He is removing the great obstacle to a holy life viz the bondage of an unforgiven state He is speaking by the power of the Holy Ghost the words of truth and soberness The difference between working and believing is that which God would have us learn lest we confound these two things and so destroy them both The order and relation of these two things are here very explicitly laid down so as to anticipate the error of many who mix up working and believing together or who make believing the result of working instead of working the result of believing We carefully distinguish yet we as carefully connect the two We do not put asunder what God has joined together yet we would not reverse the divine

order nor disturb the divine relation nor place that last which God has set first It was not to depreciate or discourage good works that the apostle spoke of not working but believing or of a man being justified by faith without the deeds of the law Rom iii 28 or of God imputing righteousness without works ib iv 6 It was to distinguish things that differ it was to show the true use of faith in connecting us for justification with what another has done it was to stay us from doing anything in order to be justified In this view then faith is truly a ceasing from work and not a working it is not the doing of anything in order to be justified Absolutely Basic Horatius Bonar,2009-11-01 Two well known writers and preachers of the nineteenth century describe the twofold work of God that is needed to make us Christians Horatius Bonar 1808 1889 explains the work of God that Christ has done for us so that we can be accepted as righteous for ever by God His book is a great help in appreciating what Christ has done and contains much comfort and encouragement for believers J C Ryle 1816 1900 unfolds the work of God that the Holy Spirit does within us to make us new creatures and children of God Simply and clearly he sets out the need to be born again explains how it happens and what results may be expected These are updated and shortened versions for the benefit of modern readers *Classic Sermon Outlines* Matthew Henry,George Whitefield,Alexander Maclaren,2001 This volume contains 105 model sermons among the best ever written and delivered in the English language These practical and doctrinally sound sermons have been expertly outlined and are ready to use The grace of God the righteousness of Christ and humankind's need for salvation shine loud and clear through these sermons **Sermons** George Whitefield,1832

Breakthrough Analysis of Daniel's Prophecies R. Allan Dermott,2023-04-16 Have you ever thought about the possible relevance of Bible prophecies to our lives today In this book you will find new perspectives to consider on the prophecies of Daniel and related history These viewpoints may lead to seeing our world in a different light Stepping away from preconceived ideas about prophecies in general and Daniel's visions in particular give new perspective based on decades of study prayer and insightful contemplation Compelling insights bring to light precisely how these prophetic dates are interrelated how they have significant meaning and may have implications for our lives today Even though the Biblical book of Daniel was written millennia ago interest in its meaning for faith and the heart remain A broader perspective and the lens of history brings additional context and reconsideration to earlier interpretations Without these perspectives some tended to have been taken piecemeal out of context or viewed without an understanding of the role of each element in their

interrelation to the whole This book reexamines many of these and more and based upon a review of literature no book is found that matches the comprehensive nature regarding each of Daniel s nine prophetic spans Dr Dermott brings out the meanings behind each date and he correlates Biblical authorities with each other and with further compelling and original research The narrative invites you to join this exciting journey and experience the exceptionally detailed unfoldment from each beginning prophetic date to its undeniable fulfillment in history The Works of John Owen, D.D.: An exposition of the Epistle to the Hebrews, with preliminary exercitations John Owen,1854
