Rebirth Michael

Hansen,2016 Introduction Rebirth is the story of survival in a world dominated by predator civilizations fighting for existence in a realm created from the shambling remnants of mankind Rebirth is a dark fantasy RPG that features a d100 percentile system and takes place in a setting reminiscent of the middle ages Lore 275 years after the end of the world the land of Kreyo stands divided by seven war torn nations Each nation falls under the rule of one of seven great necromancers The seven who brought a dying mankind to its end The seven who poured demonic power and new life into its husk Sar gon the Diplomat Nahrun the Student Narcon the Inventor Reuce the Surgeon Kre uul the Murderer Daerrus the Master and Fae el the God Each nation is represented by their own culture a reflection of their necromancer s reason for betraying humanity The corpse of humanity rose as the demonic power coursed through their veins reanimated and reborn in the image of the mankind they replaced The reborn of Kreyo appear no different than man except for the mark of their necromancer scarred into their right hand Cursed with the free will of their predecessors the reborn fight for survival glory fame riches power or whatever they desire Free from the bonds of sleep the reborn are not controlled by the waning of the day though they are not free of the burden of required nourishment Playing the Game Rebirth is a tabletop role playing game determined to grant diversity to the players allowing them to navigate a broken world With 14 base professions and 24 advanced professions Rebirth rewards diversity in party creation shedding light on often forgotten roles such as support and crafting making them almost essential to the party s survival and breathing new life into the ever present fighters and charismatic manipulators of the role playing genre The setting is a dark world constantly at war both on the bloodstained battlefield and behind the political curtain The theme of the game is resource management and is displayed through the combat currency and crafting systems rewarding forethought and preparation Teamwork and flexibility are integral to survival in Rebirth and one of the major appeals of the game Mastering synergies between professions can be the difference between life and death The gladiator a melee based fighting profession becomes exponentially stronger when supported by a prophet a support

profession that deals self inflicted damage to drastically increase the abilities of their allies The gladiator becomes even stronger when using powerful artifacts weapons imbued with special abilities such as life stealing attacks created by the artificer a crafting profession focused on the creation of artifacts Unique and in depth professions allow for complicated synergies between party members Review Absolutely love it The book is about 50 50 lore and crunch which works very well to paint the picture of the setting without Telling you everything that s going on in the world verbatim It leaves much very open for the players in a way I really enjoy A solid framework without hand holding too much Nicholas Baughman Additional Information For further information free additional content and GM support including downloadable characters NPCs and campaigns check out our website at RebirthRoleplaying com For updates and sneak peeks follow us on Twitter and Facebook <https://www.twitter.com/roleplayrebirth> <https://www.facebook.com/RPGRebirth> If you have any questions we will help in anyway we can Please email your questions to rebirth_roleplaying@gmail.com Rebirth Roleplaying Game Version 1 1
