Russell Ogden Ph.D., 2011-07-25 Freedom is America's highest value We are the land of the free and the home of the brave The stars and stripes of our flag wave Freedom over our embassies around the world Immigrants risk their lives to gain freedom in America The Statue of Liberty welcomes them to our shores Our laws are designed to protect physical and political freedom for all citizens equally Spiritual freedom is the Christians highest value This is the basis of all the freedoms we enjoy The Freedom Book traces the history of freedom how God gave us freedom at creation how it was impaired by the fall in Eden and how Jesus Christ restored it through his death on the cross and resurrection to eternal life Not all truth is liberating but the truth of God's word is liberating Jesus said If you abide in my word you are truly my disciples and you will know the truth and this truth will set you free John 8:31-32 This book can guide you on the path to true freedom DISCIPLESHIP Gary Beisheim, 2024-01-17 This book is a must read for every Christian desiring to deepen and strengthen their relationship with Jesus Christ The author provides a renewed insight for the church and for individuals into being and making disciples by going back to the historic roots of the word disciple i.e. what it meant in ancient times He also demonstrates what Jesus really meant when He said Go make disciples Mr Beisheim also shows how the word and concept have become distorted and watered down in all but a few churches in America In today's world it is just a concept or a course or a program using terms like mentoring or coaching you will find it is so much more The author does this by redefining what the word disciple and making disciples really means Then the author explains Jesus's only two commands love God and love one another Finally the author spends time on what to teach others ways in which you and Christ can really dive deep and get to know each other The result is a radically renewed way of thinking about being a disciple not merely an occasional churchgoer and making disciples and life itself and how this concept can shape a way of living that affects every relationship you have This is not

some concept that worked only in Jesus's day but one which works today in our world as illustrated and attested to by the author 2 *Onward*, 1919 **365 Days of Messages** Dr. Dawn Marie Roller, 2024-04-25 About the Author Dr Dawn Marie Roller As a hobby Dawn would write a message or grab a bible verse and send it to a bunch of cell phones Years later she realized people who were receiving the messages were evolving buying new houses and cars getting new jobs and excited to get her messages daily After continuing the text ministry for 8 years we compiled 365 messages for a yearly guide All written one a day to bless humans Be blessed stay blessed You are amazing In God you are so powerful *Discovering Your True Identity in Christ* Coria Brock, 2021-10-14 The world is full of lies We know that we are children of God and that the whole world is under the control of the evil one 1 John 5:19 NIV We all try to look for the answer to the question of who we are in the knowledge of the world We all try to gain our self value and build our life based on our own understanding and with our own hands What is the result It's time to begin to break the lies and replace them with truth This is the reason *Discovering Your True Identity in Christ* was written This is the Lord's desire for you to set you free from the lies and live for his glory

Book 7 Revelation PB Kurt Jurgensmeier, 2012-08-22 How and why has God spoken to us Our purpose in this book is to provide a biblical study of the various types and purposes of the myriad of different methods of divine revelation In the process we endeavor to answer such critical and controversial questions as How do we know when God is speaking What has been the progression of divine revelation What are the only two methods of revelation that God uses to communicate to all of humanity Why is Scripture so authoritative and sufficient for the Christian life What are the several vital but often neglected ways that God speaks to us apart from Scripture How does God expect us to make decisions and does He have a personal will for our lives that cannot be found in Scripture Does God speak to us by planting thoughts in our mind

When Man Listens Cecil Rose, 1937 [Book 14 Mysticism PB](#) Kurt Jurgensmeier, 2012-08-22 Does God speak to us apart from Scripture The belief that God provides us with extra biblical revelation for extra biblical decision making what we term as mega mysticism is incredibly popular Hence there are a multitude of books explaining how to hear from God Once again we go to Scripture to answer vital questions regarding how God communicates with us today and come to the following conclusions The idea that God grants extra biblical moral

revelation directly to our minds is not supported in Scripture God does not have a private personal will for our lives that we must discern outside of Scripture The translation of paraklete in the Gospel of John as Counselor is incorrect The wisdom we are to ask for in James 1 is entirely moral in nature as described in James 3 It does not include answers to all the questions that mega mystics claim God wants to answer Mega mysticism is leading many Christians astray in dangerous ways
