that one of the most visionary filmmakers of the next seven decades was formed Until age 11 Herzog did not even know of the existence of cinema His interest in films began at age 15 but since no one was willing to finance them he worked the night shift as a welder in a steel factory He started to travel on foot He made his first phone call at age 17 and his first film in 1961 at age 19 The wildly productive working life that followed spanning the seven continents and encompassing both documentary and fiction was an adventure as grand and otherworldly as any depicted in his many classic films Every Man for Himself and God Against All is at once a personal record of one of the great and self invented lives of our time and a singular literary masterpiece that will enthrall fans old and new alike In a hypnotic swirl of memory Herzog untangles and relives his most important experiences and inspirations telling his story for the first and only time **Man for Himself** Erich
