## Everybody Slept Here:

*Everybody's*, 1924     **Everybody's Magazine**, 1922     *Air University Quarterly Review*, 1957     The Road Not Taken  
Max Boot, 2018-01-09 Finalist for the Pulitzer Prize Biography A New York Times bestseller this epic and elegant biography Wall Street Journal profoundly recasts our understanding of the Vietnam War Praised as a superb scholarly achievement Foreign Policy The Road Not Taken confirms Max Boot's role as a master chronicler Washington Times of American military affairs Through dozens of interviews and never before seen documents Boot rescues Edward Lansdale 1908-1987 from historical ignominy to restore a sense of proportion to this political Svengali or Lawrence of Asia The New Yorker Boot demonstrates how Lansdale the man said to be the fictional model for Graham Greene's The Quiet American pioneered a hearts and minds diplomacy first in the Philippines and then in Vietnam Bringing a tragic complexity to Lansdale and a nuanced analysis to his visionary foreign policy Boot suggests Vietnam could have been different had we only listened With contemporary reverberations in Iraq Afghanistan and Syria The Road Not Taken is a judicious and absorbing New York Times Book Review biography of lasting historical consequence     *Flannery O'Connor's Manhattan* Kathryn Krotzer Laborde, 2024-08-20 This book offers a unique twist to the Who's Who of midcentury writers editors and artists Much is made of Flannery O'Connor's life on the Georgia dairy farm Andalusia a rural setting that clearly influenced her writing But before she lived on that farm before she showed signs of having lupus before she became dependent on her mother and then succumbed to the disease at thirty-nine O'Connor lived in the northeast She stayed at the artists colony Yaddo in 1948 and early 1949 and lived in Connecticut with good friends from fall of 1949 through all of 1950 But in between those experiences and perhaps more importantly O'Connor lived in Manhattan In her biographies little is said of her time in Gotham in some sources this period gets no more than one sentence But little is said because little has been known In Flannery O'Connor's Manhattan the author's goal is to explore New York City from O'Connor's point of view To do this the author consults not just letters both unpublished and published and biography but five personal address books housed in Emory's Stuart A. Rose Manuscript Archives and Rare Book Library The result is a book of interest to both the O'Connor fan and the O'Connor scholar not to mention those interested in midcentury Manhattan Flannery O'Connor's Manhattan is part guide to the who was who and who lived where of New York from roughly 1948 to 1964 at least those as they mattered to O'Connor It also acts as a window to the writer's experiences in the city whether she was coming into town for a series of meetings or strolling down Broadway on her way to lunch In the end it is the combination of the who she knew and the what she did that formed O'Connor's personal view of what is arguably the most famous of American cities     *The Barbizon* Paulina Bren, 2022-03-15 From award-winning author Paulina Bren comes the captivating portrait The Wall Street Journal of New York's most famous residential hotel The Barbizon and the remarkable women who lived there Welcome to New York's legendary hotel for women Liberated from home and hearth by World War I politically enfranchised and ready to work

women arrived to take their place in the dazzling new skyscrapers of Manhattan But they did not want to stay in uncomfortable boarding houses They wanted what men already had exclusive residential hotels with maid service workout rooms and private dining Built in 1927 at the height of the Roaring Twenties the Barbizon Hotel was designed as a luxurious safe haven for the Modern Woman hoping for a career in the arts Over time it became the place to stay for any ambitious young woman hoping for fame and fortune Sylvia Plath fictionalized her time there in *The Bell Jar* and over the years it s almost 700 tiny rooms with matching floral curtains and bedspreads housed among many others Titanic survivor Molly Brown actresses Grace Kelly Liza Minnelli Ali MacGraw Jaclyn Smith and writers Joan Didion Gael Greene Diane Johnson Meg Wolitzer *Mademoiselle* magazine boarded its summer interns there as did Katharine Gibbs Secretarial School its students and the Ford Modeling Agency its young models Before the hotel s residents were household names they were young women arriving at the Barbizon with a suitcase and a dream Not everyone who passed through the Barbizon s doors was destined for success for some it was a story of dashed hopes but until 1981 when men were finally let in the Barbizon offered its residents a room of their own and a life without family obligations It gave women a chance to remake themselves however they pleased it was the hotel that set them free No place had existed like it before or has since Poignant and intriguing *The New Republic* The Barbizon weaves together a tale that has until now never been told It is both a vivid portrait of the lives of these young women looking for something more and a brilliant many layered social history of women s ambition and a rapidly changing New York through the 20th century *The Guardian* Richard Wright Keneth Kinnamon,2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics Writers Directory NA,2016-03-05 Would a Maharajah Sleep Here? Stephen Troy and Leanne Troy,2013-08 Inspired by a movie television show book or stories from friends we may find ourselves daydreaming about trips to exotic locations with exciting adventures For some lucky ones these dreams become reality *Would a Maharajah Sleep Here* presents firsthand stories of luxury travel and discovery by two fun and experienced travelers Authors and travelers Stephen and Leanne Troy provide accounts of historic exploration luxury hotel stays and encounters with interesting people around the world Each trip is private and planned in great detail to make sure each and every
