Flirting With Danger Young Womens Reflections On Sexuality And Domination

Janet M. Stoppard, Linda M. McMullen

Flirting With Danger Young Womens Reflections On Sexuality And Domination:

Flirting with Danger Lynn Phillips, 2000-11 How young women make sense of resist and negotiate conflicting messages on female sexuality and sexual agency In *Flirting with Danger* Lynn M Phillips explores how young women make sense of resist and negotiate conflicting cultural messages about sexual agency responsibility aggression and desire How do women develop their ideas about sex love and domination Why do they express feminist views condemning male violence in the abstract but often adamantly refuse to name their own violent and exploitive encounters as abuse rape or victimization Based on in depth individual and collective interviews with a racially and culturally diverse sample of college aged women *Flirting with Danger* sheds valuable light on the cultural lenses through which young women interpret their sexual encounters and their experiences of male aggression in heterosexual relationships Phillips makes an important contribution to the fields of female and adolescent sexuality feminist theory and feminist method The volume will also be of particular use to advocates seeking to design prevention and intervention programs which speak to the complex needs of women grappling with questions of sexuality and violence

Dilemmas of Desire Deborah L. TOLMAN, Deborah L Tolman, 2009-06-30 Be sexy but not sexual Don't be a prude but don't be a slut These are the cultural messages that barrage teenage girls In movies and magazines in music and advice columns girls are portrayed as the object or the victim of someone else's desire but virtually never as someone with acceptable sexual feelings of her own What teenage girls make of these contradictory messages and what they make of their awakening sexuality so distant from and yet so susceptible to cultural stereotypes emerges for the first time in frank and complex fashion in Deborah Tolman's *Dilemmas of Desire* A unique look into the world of adolescent sexuality this book offers an intimate and often disturbing sometimes inspiring picture of how teenage girls experience understand and respond to their sexual feelings and of how society mediates shapes and distorts this experience In extensive interviews we listen as actual adolescent girls both urban and suburban speak candidly of their curiosity and confusion their pleasure and disappointment their fears defiance or capitulation in the face of a seemingly imperishable double standard that smiles upon burgeoning sexuality in boys yet frowns even panics at its equivalent in girls As a vivid evocation of girls negotiating some of the most vexing issues of adolescence and as a thoughtful richly informed examination of the dilemmas these girls face this readable and revealing book begins the critical work of understanding the sexuality of young women in all its personal social and emotional significance

Catholic Sexual Theology and Adolescent Girls Doris M. Kieser, 2015-06-18 This book explores the intersection in contemporary Western culture of Catholic sexual theology and adolescent female developmental and sexual experiences The voices of adolescent females so long silent in sexual theologies are given privilege here in the articulation of a normative theology Applying a feminist natural law framework the book engages both theoretical scholarship and practical evidence from psychological and other social sciences to inform sexual theology in the Catholic tradition Attending to gendered developmental and social contexts Doris Kieser explores adolescent

females experiences of puberty menarche various sexual activities communities of support sexual desire and the pleasure and danger these realities reap She critically explores historical and traditional sexual theologies and prevailing social patriarchal and androcentric sexual attitudes through a feminist lens The author s attention to the voices of girls and women and her aim to see their sexual flourishing in particular and diverse social contexts yields a theology mindful of the rich complexities of female sexual desire pleasure and well being The result is an integrated sexual theology that grapples with the Catholic theological tradition feminist theory and theology and the embodied experiences of females For anyone who is invested in the lives and well being of adolescent females this work uncovers both barriers and boons to their sexual flourishing Beauty and Misogyny Sheila Jeffreys, 2005-05-31 Should western beauty practices ranging from lipstick to labiaplasty be included within the United Nations understandings of harmful traditional cultural practices By examining the role of common beauty practices in damaging the health of women creating sexual difference and enforcing female deference this book argues that they should In the 1970s feminists criticized pervasive beauty regimes such as dieting and depilation but some new feminists argue that beauty practices are no longer oppressive now that women can choose them However in the last two decades the brutality of western beauty practices seems to have become much more severe requiring the breaking of skin spilling of blood and rearrangement or amputation of body parts Beauty and Misogyny seeks to make sense of why beauty practices are not only just as persistent but in many ways more extreme It examines the pervasive use of makeup the misogyny of fashion and high heeled shoes and looks at the role of pornography in the creation of increasingly popular beauty practices such as breast implants genital waxing and surgical alteration of the labia It looks at the cosmetic surgery and body piercing cutting industries as being forms of self mutilation by proxy in which the surgeons and piercers serve as proxies to harm women s bodies and concludes by considering how a culture of resistance to these practices can be created This essential work will appeal to students and teachers of feminist psychology gender studies cultural studies and feminist sociology at both undergraduate and postgraduate levels and to anyone with an interest in feminism women and beauty and women s health

Women, visibility and morality in Kenyan popular media Dina Ligaga, 2020-02-03 Women visibility and morality in Kenyan popular media explores familiar constructions of femininity to assess ways in which it circulates in discourse both stereotypically and otherwise It assesses the meanings of such discourses and their articulations in various public platforms in Kenya The book draws together theoretical questions on pre convened scripts that contain or condition how women can circulate in public The book asks questions about particular interpretations of womens bodies that are considered transgressive or unruly and why these bodies become significant symbolic sites for the generation of knowledge on morality and sexuality The book also poses questions about genre and representations of femininity The assertion made is that for knowledges of femininity to circulate effectively they must be melodramatic spectacular and scandalous Ultimately the book asks how such a theorisation of popular modes of representation enable a better understanding of the connections between

gender sexuality and violence in Kenya The Industrial Vagina Sheila Jeffreys, 2008-11-19 The industrialization of prostitution and the sex trade has created a multibillion dollar global market involving millions of women that makes a substantial contribution to national and global economies The Industrial Vagina examines how prostitution and other aspects of the sex industry have moved from being small scale clandestine and socially despised practices to become very profitable legitimate market sectors that are being legalised and decriminalised by governments Sheila Jeffreys demonstrates how prostitution has been globalized through an examination of the growth of pornography and its new global reach the boom in adult shops strip clubs and escort agencies military prostitution and sexual violence in war marriage and the mail order bride industry the rise in sex tourism and trafficking in women She argues that through these practices women's subordination has been outsourced and that states that legalise this industry are acting as pimps enabling male buyers in countries in which women's equality threatens male dominance to buy access to the bodies of women from poor countries who are paid for their sexual subservience This major and provocative contribution is essential reading for all with an interest in feminist gender and critical globalisation issues as well as students and scholars of international political economy **Sovereign Masculinity** Bonnie Mann, 2013-12-09 After 9 11 2001 gendered narratives of humiliation and revenge proliferated in the U S national imaginary How is it that gender which we commonly take to be a structure at the heart of individual identity is also at stake in the life of the nation What do we learn about gender when we pay attention to how it moves and circulates between the lived experience of the subject and the aspirations of the nation in war What is the relation between national sovereignty and sovereign masculinity Through examining practices of torture extra judicial assassination and first person accounts of soldiers on the ground Bonnie Mann develops a new theory of gender It is neither a natural essence nor merely a social construct Gender is first and foremost an operation of justification which binds the lived existence of the individual subject to the aspirations of the regime Inspired by a reexamination of the work of Simone de Beauvoir the author exposes how sovereign masculinity hinges on the nation's ability to tap into and mobilize the structure of self justification at the heart of masculine identity At the national level shame is repeatedly converted to power in the War on Terror through hyperbolic displays of agency including massive aerial bombardment and practices of torture This is why as Mann demonstrates the phenomenon of gender itself demands a four dimensional analysis that moves from the phenomenological level of lived experience through the collective life of a people expressed in the social imaginary and the operations of language to the material relations that prevail in our times The Macho Paradox Jackson Katz, 2019-06-04 A fully revised and updated edition to a classic bestseller The Macho Paradox is the first book to show how violence against women is a men's issue and how all genders can come together to stop it From the MeToo movement to current discussions about gender norms in schools sports politics and media culture The Macho Paradox incorporates the voices and experiences of the women men and others who have confronted the problem of gender violence from all angles Bestselling author Jackson Katz is a pioneering

educator and activist on the topic of men's violence against women In this revised edition of his heralded book Katz outlines the ways in which cultural ideas about manhood contribute to men's sexually harassing and abusive behaviors and that men have a positive role to play in challenging and changing the sexist cultural norms that too often lead to gender violence This important book for abused women covers topics ranging from mental and emotional abuse to sexual harassment to domestic violence and is a vital read for women with controlling partners or as a self help book for men Praise for *The Macho Paradox* A candid look at the cultural factors that lend themselves to tolerance of abuse and violence against women Booklist If only men would read Katz's book it could serve as a potent form of male consciousness raising Publishers Weekly These pages will empower both men and women to end the scourge of male violence and abuse Katz knows how to cut to the core of the issues demonstrating undeniably that stopping the degradation of women should be every man's priority Lundy Bancroft author of *Why Does He Do That Inside the Minds of Angry and Controlling Men* **Living with Brain Injury** J. Eric Stewart, 2014

When Nancy was in her late twenties she began having blinding headaches tunnel vision and dizziness which led to the discovery of an abnormality on her brain stem Complications during surgery caused serious brain damage resulting in partial paralysis of the left side of her body and memory and cognitive problems Although she was constantly evaluated by her doctors Nancy's own questions and her distress got little attention in the hospital Later despite excellent job performance post injury her physical impairments were regarded as an embarrassment to the perfect and beautiful corporate image of her employer Many conversations about brain injury are deficit focused those with disabilities are typically spoken about by others as being a problem about which something must be done In *Living with Brain Injury* J. Eric Stewart takes a new approach offering narratives which highlight those with brain injury as agents of recovery and change in their own lives Stewart draws on in depth interviews with ten women with acquired brain injuries to offer an evocative multi voiced account of the women's strategies for resisting marginalization and of their process of making sense of new relationships to self to family and friends to work and to community Bridging psychology disability studies and medical sociology *Living with Brain Injury* showcases how and on what terms the women come to re author identity community and meaning post injury

21st-Century Gothic Daniel Olson, 2011 Selected by a poll of more than 180 Gothic specialists creative writers professors critics and Gothic Studies program developers at universities the fifty three original works discussed in *21st Century Gothic* represent the most impressive Gothic novels written around the world between 2000 2010 The essays in this volume discuss the merits of these novels highlighting the influences and key components that make them worthy of inclusion Many of the pioneer voices of Gothic Studies as well as other key critics of the field have all contributed new essays to this volume including David Punter Jerrold Hogle Karen F Stein Marie Mulvey Roberts Mary Ellen Snodgrass Tony Magistrale Don D Ammassa Mavis Haut Walter Rankin James Doig Laurence A Rickels Douglass H Thomson Sue Zlosnik Carol Margaret Davison Ruth Bienstock Anolik Glennis Byron Judith Wilt Bernice Murphy Darrell Schweitzer and June

Pulliam The guide includes a preface by one of the world's leading authorities on the weird and fantastic S T Joshi Sharing their knowledge of how traditional Gothic elements and tensions surface in a changed way within a contemporary novel the contributors enhance the reader's dark enjoyment emotional involvement and appreciation of these works These essays show not only how each of these novels are Gothic but also how they advance or change Gothicism making the works both irresistible for readers and establishing their place in the Gothic canon Gender Violence, 3rd Edition Laura L O'Toole, Jessica R Schiffman, Rosemary Sullivan, 2020-07-14 An updated edition of the groundbreaking anthology that explores the proliferation of gendered violence From Harvey Weinstein to Brett Kavanaugh accusations of gender violence saturate today's headlines In this fully revised edition of Gender Violence Laura L O Toole Jessica R Schiffman and Rosemary Sullivan bring together a new interdisciplinary group of scholars with up to date material on emerging issues like workplace harassment transgender violence intersectionality and the MeToo movement Contributors provide a fresh informed perspective on gender violence in all of its various forms With twenty nine new contributors and twelve original essays the third edition now includes emerging contemporary issues such as LGBTQ violence sex work and toxic masculinity A trailblazing text Gender Violence Third Edition is an essential read for students activists and others *The Psychology of the Car* Stefan Gossling, 2017-06-16 The Psychology of the Car explores automotive cultures through the lens of psychology with the goal of achieving a low carbon transport future Worldwide there are now more than one billion cars and their number grows continuously Yet there is growing evidence that humanity needs to reach peak cars as increased air pollution noise accidents and climate change support a decline in car usage While many governments agree the car remains attractive and endeavors to change transport systems have faced fierce resistance Based on insights from a wide range of transport behaviors The Psychology of the Car shows the why of automotive cultures providing new perspectives essential for understanding its attractiveness and for defining a more desirable transport future The Psychology of the Car illustrates the growth of global car use over time and its effect on urban transport systems and the global environment It looks at the adoption of the car into lifestyles the mobilities turn and how the car impacts collective and personal identities The book examines car drivers themselves their personalities preferences and personality disorders relevant to driving The book looks at the role power control dominance speed and gender play as well as the interrelationship between personal freedom and law enforcement The book explores risk taking behaviors as accidental death is a central element of car driving The book addresses how interventions can be successful as well as which interventions are unlikely to work and concludes with how a more sustainable transport future can be created based on emerging transport trends Features deep analyses of individual and collective psychologies of car affection moving beyond sociology based interpretations of automobile culture Illustrates concepts using popular culture examples that expose ideas about automobility Shows how fewer smaller and more environmentally friendly cars as well as low carbon transport modes are more socially attractive The Anthem Companion

to C. Wright Mills Guy Oakes, 2016-06-19 The Anthem Companion to C Wright Mills offers the best contemporary work on C Wright Mills written by the best scholars currently working in this field Original authoritative and wide ranging the critical assessments of this volume will make it ideal for Wright Mills students and scholars alike Anthem Companions to Sociology offer authoritative and comprehensive assessments of major figures in the development of sociology from the last two centuries Covering the major advancements in sociological thought these companions offer critical evaluations of key figures in the American and European sociological tradition and will provide students and scholars with both an in depth assessment of the makers of sociology and chart their relevance to modern society Consent Culture and Teen Films Michele Meek, 2023-04-04 Teen films of the 1980s were notorious for treating consent as irrelevant with scenes of boys spying in girls locker rooms and tricking girls into sex While contemporary movies now routinely prioritize consent ensure date rape is no longer a joke and celebrate girls desires sexual consent remains a problematic and often elusive ideal in teen films In Consent Culture and Teen Films Michele Meek traces the history of adolescent sexuality in US cinema and examines how several films from the 2000s including Blockers To All the Boys I ve Loved Before The Kissing Booth and Alex Strangelove take consent into account Yet at the same time Meek reveals that teen films expose how affirmative consent yes means yes fails to protect youth from unwanted and unpleasant sexual encounters By highlighting ambiguous sexual interactions in teen films such as girls failure to obtain consent from boys queer teens subjected to conversion therapy camps and youth manipulated into sexual relationships with adults Meek unravels some of consent s intricacies rather than relying on oversimplification By exposing affirmative consent in teen films as gendered heteronormative and cis centered Consent Culture and Teen Films suggests we must continue building a more inclusive consent framework that normalizes youth sexual desire and agency with all its complexities and ambivalences **Gay Dads** Abbie E. Goldberg, 2012-07-23 When gay couples become parents they face a host of questions and issues that their straight counterparts may never have to consider How important is it for each partner to have a biological tie to their child How will they become parents will they pursue surrogacy or will they adopt Will both partners legally be able to adopt their child Will they have to hide their relationship to speed up the adoption process Will one partner be the primary breadwinner And how will their lives change now that the presence of a child has made their relationship visible to the rest of the world In Gay Dads Transitions to Adoptive Fatherhood Abbie E Goldberg examines the ways in which gay fathers approach and negotiate parenthood when they adopt Drawing on empirical data from her in depth interviews with 70 gay men Goldberg analyzes how gay dads interact with competing ideals of fatherhood and masculinity alternately pioneering and accommodating heteronormative parenthood culture The first study of gay men s transitions to fatherhood this work will appeal to a wide range of readers from those in the social sciences to social work to legal studies as well as to gay adoptive parent families themselves **Situating Sadness** Janet M. Stoppard, Linda M. McMullen, 2003-05 Situating Sadness sheds light on the influence of sociocultural

factors such as economic distress child bearing or child care difficulties or feelings of powerlessness which may play a significant role and points to the importance of context for understanding women's depression

Presentations of the 29th Annual SW/Texas Regional Meeting of the Popular Culture and American Culture Association Gypsey Elaine Teague, 2008-12-18 Gender is an often misunderstood subject area even within the discipline even to those who teach and write about it One of my presenters when she first approached me to present at the conference asked What does my paper really have to do with gender To me the answer was obvious everything has to do with gender Gender is everywhere from the cradle to the grave What color blanket are we given at birth What clothes are we laid out in at death We are bombarded with advertisements specifically targeted at our gender either male female or somewhere in between We are judged by our gender which is often synonymous with our sex although in many of the presentations through the years it is becoming evident that more and more people understand the difference Our clothing food entertainment and reading material are all tied to gender in one form or another Gender is like the air It is all around us seldom thought of but always present In an area that spans literature politics sex religion and personal choices it is hard to get finite and clear cut delineations The contributors are the main focus here and I have just been the ringmaster of this incredible circus of ideas Without them this could never have gone to press and it is all our hopes that you enjoy the volume and take something away from it that you did not anticipate

Violent Accounts Robert N. Kraft, 2014-03-21 Violent Accounts presents a compelling study of how ordinary people commit extraordinary acts of violence and how perpetrators and victims manage in the aftermath Grounded in extensive qualitative analysis of perpetrator testimony the volume reveals the individual experiences of perpetrators as well as general patterns of influence that lead to collective violence Drawing on public testimony from the amnesty hearings of the South African Truth and Reconciliation Commission the book interweaves hundreds of hours of testimony from seventy four violent perpetrators in apartheid South Africa including twelve major cases that involved direct interactions between victims and perpetrators The analysis of perpetrator testimony covers all tiers on the hierarchy of organized violence from executives who translated political doctrine into general strategies to managers who translated these general strategies into specific plans to the staff the foot soldiers who carried out the destructive plans of these managers Vivid and accessible Violent Accounts is a work of innovative scholarship that transcends the particulars of the Truth and Reconciliation Commission to reveal broader themes and unexpected insights about perpetrators of collective violence the confrontations between victims and perpetrators in the aftermath of this violence the reality of multiple truths the complexities of reconciliation and lessons of restorative justice

Youth Activism in an Era of Education Inequality Benjamin Kirshner, 2015-06-05 Winner 2016 Best Authored Book presented by the Society for Research on Adolescence Diverse case studies on how youth build political power during an era of racial and educational inequality in America This is what democracy looks like Youth organizers in Colorado negotiate new school discipline policies to end the school to jail track

Latino and African American students march to district headquarters to protest high school closure Young immigration rights activists persuade state legislators to pass a bill to make in state tuition available to undocumented state residents Students in an ESL class collect survey data revealing the prevalence of racism and xenophobia These examples based on ten years of research by youth development scholar Ben Kirshner show young people building political power during an era of racial inequality diminished educational opportunity and an atrophied public square The book s case studies analyze what these experiences mean for young people and why they are good for democracy What is youth activism and how does it contribute to youth development How might collective movements of young people expand educational opportunity and participatory democracy The interdependent relationship between youths political engagement their personal development and democratic renewal is the central focus of this book Kirshner argues that youth and societal institutions are strengthened when young people particularly those most disadvantaged by educational inequity turn their critical gaze to education systems and participate in efforts to improve them

Social Order and the Fear of Crime in Contemporary Times Stephen D. Farrall,Jonathan Jackson,Emily Gray,2009-10 The fear of crime has been recognized as an important social problem affecting a significant number of people In this book the authors review the findings from over 35 years of research into attitudes to crime and propose a new model separating those who only expressively fear crime from those who have actual experience of worrying about it
