Flo Goes To Canberra:

We'll Show the World Jackie Ryan, 2018-04-26 How did one long and expensive party change a city forever World Expo 88 was the largest longest and loudest of Australia's bicentennial events A shiny 1980s amalgam of cultural precinct shopping mall theme park travelogue and rock concert Expo 88 is commonly credited as the catalyst for Brisbane's coming of age So how did an elaborate and expensive party change a city forever *We'll Show the World* explores the shifting social and political environment of Expo 88 shaped as much by Queensland's controversial premier Sir Joh Bjelke Petersen as it was by those who reacted against him It shows how something initially greeted with outrage scepticism and indifference came to mean so much to so many how a state better known for eliciting insults enchanted much of the nation and how to Brisbane Expo was personal

The Nationals Paul Davey, 2006 The Nationals tells the story of the NSW National Party from its foundation in 1919 as The Progressive Party to the contemporary era under Andrew Stoner's leadership Paul Davey a former Federal Director and NSW General Secretary writes with an insider's knowledge of the politics policies and personalities that have shaped the modern party His research is comprehensive including unfettered access to party archives

Emerging in the wake of World War I The Progressive Party splits after only two years when seven of its 15 members refuse to join a coalition government These dissidents become known as the True Blues and are the founding parliamentary members of the Country and subsequent National Party The party grows into one of the largest political organisations in the country boasting nearly 50 000 financial members in New South Wales in the 1980s It fights off merger proposals and survives despite constant predictions of impending doom as the only party which exclusively represents rural and regional New South Wales The State party is also highly influential in the national context every Federal Leader since John McEwen's retirement in 1971 has come from New South Wales The Nationals is as much about people as policies Davey studied a myriad of documents and interviewed a wide cross section of party figures including all surviving State and Federal leaders The studies and candid comments shed new light on people policies and incidents ranging from Mick Bruxner's and David Drummond's building of inland roads railways and country education facilities to Charles Cutler's fight for State Aid for Independent schools from the repulse of the Joh for Canberra campaign and Pauline Hanson's One Nation to the challenge of Independents from sometimes poisonous relations with the United Australia and Liberal parties to the State's longest serving Coalition Government from relations with the media especially the country press to the role of women and young people in the organisation from the threats posed by changing demographics and electoral redistributions to the push by Doug Anthony to change the name from Country Party to National Country Party and later National Party The Nationals tells the story of a unique organisation a political party that is not factionalised and that despite occasional defections not new in any party remains remarkably stable It has had only nine

State and 11 Federal parliamentary leaders in its entire history to date Moreover while at times recording an apparently small share of the vote it consistently returns a forceful block of members to the New South Wales and Commonwealth parliaments and wields some would say disproportionately so a significant influence on Australia s political direction A NSW Sesquicentenary of Responsible Government publication *Anything Goes at Sea* Michael Rudder,2025-06-28 A unique and humorous memoir with a difference *Anything Goes at Sea* is an illuminating and extremely frank memoir exploring gay life aboard British ships from 1969 to 1990 floating gay havens despite the fact that homosexuality was still illegal at sea This seafaring author was there joining in the fun and games His candid and heartwarming memoir also chronicles a tender and enduring love story that despite a turbulent beginning spans over 50 years Set primarily at sea join him on a global voyage around the world Australia America the Atlantic and Pacific Oceans and the Mediterranean Sea From ships that were household names to camp paradises and dodgy dives sail into a hidden world through pages packed with vivid anecdotes and untold stories This book offers a rare glimpse into the life of a gay seafarer *Ninety Not Out* Paul Davey,2010 The Nationals originally the Australian Country Party is the second oldest political party in Australia This is the first comprehensive study of the federal Nationals since 1963 Highlights the political fortunes of an organisation that is often disregarded by the mainstream media *Australian News Summary* ,1950 *Advances in Machine Learning Research and Application: 2012 Edition* ,2012-12-26 *Advances in Machine Learning Research and Application 2012 Edition* is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about Machine Learning The editors have built *Advances in Machine Learning Research and Application 2012 Edition* on the vast information databases of ScholarlyNews You can expect the information about Machine Learning in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of *Advances in Machine Learning Research and Application 2012 Edition* has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> **Australian National Bibliography: 1992** National Library of Australia,1988 **Mura Solwata Kosker** Ellie Gaffney,2015-07-17 Throughout her lifetime Ellie Gaffney has been a strong advocate both within Australia and internationally of the interests and welfare of Torres Strait Islanders She has been particularly committed to advancing the rights of Indigenous women Her interests have spanned a wide spectrum of concerns As an administrator Ellie Gaffney played a significant part in the development of hostel accommodation and primary health care for all Torres Strait Islanders Ellie s work in establishing the Mura Kosker Sorority as a platform for change is widely recognised At all times she has been an eloquent and determined presenter of the real situation of Torres Strait Islanders In recognition of her contribution to the Torres Strait and its people Ellie was appointed a
