Harry Houdini Mysteries: The Houdini Specter Daniel Stashower, 2012-06-12 Will Harry Houdini's penchant for exposing the trickery of mediums get him into a deeper mystery than he can handle Still struggling to make a name for himself in turn of the century New York Harry Houdini sees an opportunity for glory in exposing the tricks of the medium Lucius Craig But to do so he must work out how the medium managed to conjure a spirit while tied to a chair by Houdini himself and how the apparition was able to stab an audience member to death and then disappear The Houdini Specter is the third thrilling adventure in a Sherlock Holmes inspired series starring the legendary magician

Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008
