

FLOATING PALACES

Floating Palaces

Ann Satterthwaite

Floating Palaces:

Floating Palaces William H. Miller, 2010-12-15 The story in words and pictures of the Floating Palaces the transatlantic liners that were as much floating art as a means of transport

Distant Palaces Abilio Estevez, 2011-12-03 A novel of Havana With passion and eloquence master craftsman Abilio Estevez brings to life the mysterious broken down city of Havana on the eve of the new millennium Victorio a lonely middle aged gay man awakes to the news that the ancient palace where he rents a tiny apartment is scheduled to be demolished leaving him homeless Wandering the streets in search of a new place to call his own he meets two unusual people who are destined to change his life Salma a young prostitute and Don Fuco an eccentric old clown who brings both of them to live in his own refuge an abandoned theater In a city riddled with conflict and no longer tolerant of outcasts the pair find solace in one another and in the dilapidated theater that shelters them and a renewed joy in their collective abilities to entertain people with their clowning But when the harsh realities of life intrude on their self contained utopia Victorio and Salma are forced back out into the streets where they struggle to keep beauty and laughter alive Skyhorse Publishing as well as our Arcade Yucca and Good Books imprints are proud to publish a broad range of books for readers interested in fiction novels novellas political and medical thrillers comedy satire historical fiction romance erotic and love stories mystery classic literature folklore and mythology literary classics including Shakespeare Dumas Wilde Cather and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Tombigbee River Steamboats: Rollodores, Dead Heads and Side-Wheelers Rufus Ward, 2010-07-30 The Tombigbee River flows through the history of Alabama and Mississippi connecting the Black Prairie cotton belt of northeast Mississippi and west Alabama to Mobile and the Gulf of Mexico In the early 1800s it became the regional artery of commerce and trade with steamboats carrying cotton to the port of Mobile and then returning upriver with farm supplies and consumer goods Today the rollodores who rolled cotton bales down slides to the decks of boats the sunken logs or dead heads that could sink a boat if struck and the side wheeler model steamboats have all but vanished The Tombigbee River Steamboats brings this forgotten era back to life through accounts of the steamboats their crews and their trials such as the haunting story of the steamer Eliza Battle which burned and sank on a freezing flooded river

Shantyboats and Roustabouts Gregg Andrews, 2022-12-07 Winner of the James V Swift Medal for Excellence in Maritime Literature Winner of the Missouri History Book Award Winner of the John Lyman Book Award Winner of the Hamlin Garland Prize in Popular History Shantyboat dwellers and steamboat roustabouts formed an organic part of the cultural landscape of the Mississippi River bottoms during the rise of industrial America and the twilight of steamboat packets from 1875 to 1930 Nevertheless both groups remain understudied by scholars of the era Most of what we know about these laborers on the river comes not from the work of historians but from travel accounts novelists songwriters and early film producers As a

result images of these men and women are laden with nostalgia and minstrelsy Gregg Andrews's *Shantyboats and Roustabouts* uses the waterfront squatter settlements and Black entertainment district near the levee in St Louis as a window into the world of the river poor in the Mississippi Valley exploring their daily struggles and experiences and vividly describing people heretofore obscured by classist and racist caricatures **Lonely Planet Rajasthan Delhi and Agra** Lonely Planet, National Waterways, 1929 The Naz A'Ren Prophecies S. Mitchell, 2003-02-24 It's a time of mythical creatures demons shape changers armies of wolves and enormous battle cats standing with and against heroic characters from which legend and myth are born **Southern Medical Journal**, 1927 The Empire of Austria; Its Rise and Present Power John S. C. Abbott, 2020-01-09 In *The Empire of Austria Its Rise and Present Power* John S C Abbott presents a comprehensive examination of the Habsburg monarchy's historical trajectory exploring its remarkable evolution from a collection of fragmented principalities to a formidable empire Abbott employs a narrative style that blends scholarly analysis with accessible prose making the complex political cultural and social dynamics of Austria intriguing to both the academic community and general readers The book situates itself within the broader context of 19th century European nationalism and imperialism shedding light on the intricate factors that contributed to Austria's prominence in regional geopolitics John S C Abbott a prominent 19th century historian was deeply interested in the development of national identities and the interplay of power within empires His extensive studies and travels across Europe arguably influenced his perspective on Austria shaping his understanding of its multifaceted society Abbott's previous works on historical narratives and biographical sketches reflect his ambition to make history engaging and illuminating crafting a legacy that continues to inform readers today I highly recommend *The Empire of Austria* to readers seeking a nuanced engaging exploration of the foundational aspects of European history Abbott's work not only offers insights into the symbiotic relationship between power and identity but also reverberates with contemporary discussions on nationalism and imperial legacies **The History of the Austrian Empire** John S. C. Abbott, 2020-07-03 *History of the Austrian Empire* embraces all that is wild and wonderful in history early struggles for aggrandizement the fierce strife with the Turks as wave after wave of Muslim invasion rolled up the Danube the long conflicts and bloody persecutions of the Reformation the thirty years religious war the intrigues of Popes the enormous pride power and encroachments of Louis XIV the warfare of the Spanish succession and the Polish dismemberment All these events combine in a sublime tragedy which fiction may in vain attempt to parallel **Marvels of Modern Science** Paul Severing, 2021-05-20 In *Marvels of Modern Science* Paul Severing embarks on an enlightening journey through the transformative advancements of the 20th century merging rigorous scientific exploration with a narrative style that captivates both the informed scholar and the curious layperson The book delves into monumental discoveries in various fields physiology chemistry and physics contextualizing them within the era's broader socio political landscape Severing's prose reflects a delicate balance between enthusiasm and critical analysis effectively illustrating the implications of scientific

breakthroughs on human life and society's evolving moral compass Paul Severing a renowned science writer and historian draws on his extensive background in both the sciences and humanities to illuminate the significance of scientific inquiry in a rapidly changing world His engagement with the pressing ethical dilemmas stemming from these advancements reveals his deep commitment to fostering public understanding of science Influenced by the tumultuous historical events of his time including two World Wars and the onset of the Cold War Severing's insights are not simply academic they are deeply personal urging readers to reflect on our collective responsibility This book is a must read for anyone interested in the intricate relationship between science and society Whether you are a student educator or simply a lover of knowledge *Marvels of Modern Science* offers a profound understanding of how scientific developments have shaped the modern world and invites readers to ponder the future of humanity in the face of relentless innovation

The Steamboat Era S.L. Kotar, J.E. Gessler, 2009-12-21 The steamboat evokes images of leisurely travel genteel gambling and lively commerce but behind the romanticized view is an engineering marvel that led the way for the steam locomotive From the steamboat's development by Robert Fulton to the dawn of the Civil War the new mode of transportation opened up America's frontiers and created new trade routes and economic centers Firsthand accounts of steamboat accidents races business records and river improvements are collected here to reveal the culture and economy of the early to mid 1800s as well as the daily routines of crew and passengers A glossary of steamboat terms and a collection of contemporary accounts of accidents round out this history of the riverboat era

Local Glories Ann Satterthwaite, 2016-02-23 By 1900 opera houses were everywhere but in the twentieth century radio and movies and later television and changing tastes made these opera houses seem obsolete Some were demolished while others languished for decades until stalwart revivers discovered them again in the 1970s By considering states with distinctly different histories principally New York Maine Nebraska Vermont and Colorado Ann Satterthwaite explores the creative social and communal roles of the thousands of opera houses that flourished in small towns across the country

Elegant Queens of the Sea Pasquale De Marco, 2025-03-09 In the golden age of ocean travel two majestic vessels reigned supreme the Queen Mary and the Queen Elizabeth These iconic ocean liners launched in the 1930s were more than just ships they were floating palaces that captured the hearts and imaginations of millions This captivating book takes readers on a journey through the extraordinary history of the Queen Mary and Queen Elizabeth from their inception to their lasting legacy Through vivid descriptions and captivating anecdotes we bring to life the excitement the romance and the challenges that defined the era of these ocean queens From their record breaking crossings to their role in World War II the Queen Mary and Queen Elizabeth played a pivotal role in shaping the course of history They carried not only passengers but also dreams hopes and aspirations connecting continents and cultures in a way that had never been done before We explore the impact these ships had on society culture and technology shedding light on their enduring significance Beyond their historical importance the Queen Mary and Queen Elizabeth were also floating palaces renowned for their

opulent interiors exquisite cuisine and world class entertainment We take a glimpse into the lives of the passengers who experienced the height of luxury aboard these ships from celebrities and royalty to everyday travelers seeking adventure As the jet age dawned the era of ocean liners began to fade but the Queen Mary and Queen Elizabeth continued to capture the imagination of the public We trace their transformation from active service to retirement as they found new roles as museums and tourist attractions preserving their legacy for generations to come This book is a celebration of the Queen Mary and Queen Elizabeth their enduring impact on the world and the timeless allure of ocean travel Join us on this journey as we delve into the rich history of these maritime icons and discover why they continue to hold a special place in our hearts If you like this book write a review

The Educated Ape and Other Wonders of the Worlds Robert Rankin,2012-11-15 An epic in four movements this is the third book in Robert Rankin s highly acclaimed meta Victorian series Comparable to Pratchett or Douglas Adams the Father of Far Fetched Fiction has pulled out all of the stops with this riotous tale of wicked women a dangerous detective and Darwin the educated ape Lord Brentford has a dream To create a Grand Exposition that will showcase The Wonders of the Worlds and encourage peace between the inhabited planets of Venus Jupiter and Earth Ernest Rutherford has a dream To construct a time ship powered by the large hadron collider he has built beneath the streets of London Cameron Bell is England s greatest detective and he too has a dream To solve the crime of the century before it takes place without blowing up any more of London s landmarks Darwin is a monkey butler and he also has a dream To end Man s inhumanity to Monkey and bring a little joy into the world Lavinia Dharkstorm has a dream of her own Although hers is more of a nightmare To erase Man and Monkey alike from the face of the Earth and to hasten in the End of Days Then there is the crime fighting superlady all those chickens from the past and the unwelcome arrival of The Antichrist Things are looking rather grim on planet Earth

Fatherlands Abigail Green,2001-09-06 An exploration of the nature of identity in nineteenth century Germany

Happy India Sayulita Storm Robinsong,2011-04-26 Sayulita went to India searching for adventure She wanted to feel a new challenge and to survive a place considered by many a difficult place to travel She wanted to see the depths and variations of the human experience She realized that she would see poverty and despair unimaginable There was no shortage of pain and suffering to be found in India In the midst of these challenges Sayulita was surprised to meet some of the most joyful people she had ever met She saw comfort She saw love She felt acceptance In Happy India Sayulita writes about how incredibly inspired she was by the resilience of the human spirit that she encountered on her journey In the midst of some of the world s most difficult conditions people were thriving Instead of a broken poor angry India she found a vibrant and gorgeous India teeming with humility simple gratitude and joy Sayulita s account of her journey though India demonstrates that life really is what you make it
