Morris the Pulitzer Prize and National Book Award winning author of *The Rise of Theodore Roosevelt* and *Theodore Rex* marks the completion of a trilogy sure to stand as definitive. Of all our great presidents Theodore Roosevelt is the only one whose greatness increased out of office. What other president has written forty books, hunted lions, founded a third political party, survived an assassin's bullet, and explored an unknown river longer than the Rhine? Packed with more adventure, variety, drama, humor, and tragedy than a big novel yet documented down to the smallest fact, this masterwork recounts the last decade of perhaps the most amazing life in American history. Hair-raising, awe-inspiring, a worthy close to a trilogy sure to be regarded as one of the best studies not just of any president but of any American. *San Francisco Chronicle* *House & Garden*, 1988

The Passionate Collector Roy R. Neuberger, 2003-05-13 Few living persons have served the Metropolitan Museum of Art indeed the entire world of art and art museums longer or with more distinction than Roy Neuberger. A man of taste, passion, persistence, and generosity, he has shared much of his great private collection with the public and for generations has supported activities that bring people to museums and motivate them to return again and again. Now this giant of a man has recorded eighty years of his life, and the result is entertaining, illuminating, and like the tireless gentleman himself, inspiring.

Philippe de Montebello, Director, The Metropolitan Museum of Art. Equal to his passion for investing is Roy Neuberger's love for art, which he has collected and encouraged for eight decades. In *The Passionate Collector: Eighty Years in the World of Art*, you'll follow this fascinating financial figure and great patron of the arts from the streets of 1920s Paris to the museums of New York as he develops the eye of a connoisseur and begins to collect great contemporary art. Vivid detail puts you in the center of the action as Neuberger collects the brilliant artists of his time: Milton Avery, Jackson Pollock, Ben Shahn, Edward Hopper, works with legendary art dealers Paul Rosenberg, Betty Parsons, Sidney Janis, and Leo Castelli, and befriends avid collectors including the incomparable Duncan Phillips. You'll follow Neuberger as he strives to further the cause of contemporary American artists by exhibiting, lending, and donating from his growing collection and becoming an activist for the Metropolitan Museum of Art, the Museum of Modern Art, and the Whitney. You'll also see how the Neuberger Museum of Art was created at the urging of Governor Nelson Rockefeller and how it continues to fascinate art enthusiasts today. Part personal memoir, part history of art, *The Passionate Collector* offers a unique view of twentieth-century American art from a man who has lived it.
