## **Florentine Essays:**

*Florentine Essays* Marvin B. Becker, James R. Banker, Carol Lansing, 2002 A collection of essays on Florentine history by a seasoned and innovative Renaissance scholar     Siena, Florence, and Padua: Interpretative essays ed. Norman, 1995-01-01 Siena Florence and Padua were all major centres for the flowering of early Italian Renaissance art and civic culture The three communities shared a common concern for the embellishment of their cities by means of painting sculpture and architecture The eleven papers in this volume re examine and re assess the artistic legacy of the three cities during the 14th century and locate the various works of art considered within their broader cultural social and religious contexts Contributors include D Norman Patrons politics and art C Harrison Giotto and the rise of painting C King The arts of carving and casting T Benton The building trades and design methods D Norman Art and religion after the Black Death C King The trecento New ideas new evidence     *In Search of Florentine Civic Humanism* Hans Baron, 1988     *Society and Individual in Renaissance Florence* William J. Connell, 2002-09-10 Essays illustrate the ways Renaissance Florentines expressed or shaped their identities as they interacted with their society     **The History of Tuscany, Interspersed with Essays** Lorenzo Pignotti, John Browning, 1823     In Search of Florentine Civic Humanism, Volume 1 Hans Baron, 2014-07-14 Hans Baron s Crisis of the Early Italian Renaissance is widely considered one of the most important works in Italian Renaissance studies Princeton University Press published this seminal book in 1955 Now the Press makes available a two volume collection of eighteen of Professor Baron s essays most of them thoroughly revised unpublished or presented in English for the first time Spanning the larger part of his career they provide a continuation of and complement to the earlier book The essays demonstrate that contemporaneously with the revolution in art modern humanistic thought developed in the city state climate of early Renaissance Florence to a far greater extent than has generally been assumed The publication of these volumes is a major scholarly event a reinforcement and amplification of the author s conception of civic Humanism The book includes studies of medieval antecedents and special studies of Petrarch Leonardo Bruni and Leon Battista Alberti It offers a thoroughly re conceived profile of Machiavelli drawn against the background of civic Humanism as well as essays presenting evidence that French and English Humanism of the sixteenth and seventeenth centuries was closely tied to Italian civic thought of the fifteenth The work culminates in a reassessment of Jacob Burckhardt s pioneering thought on the Renaissance Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905     *Orsanmichele* Marie D'Aguanno Ito, 2023-10-09 This work provides a new narrative for Orsanmichele in the era before the Renaissance It examines Orsanmichele from the mid

thirteenth century as the piazza transformed into the city's grain market. It considers the market's tandem confraternity with its stunning Madonnas over three successive loggias. It examines the grain market and confraternity from a social, economic, political, and artistic perspective. It provides extensive data on the Florentine grain trade, sales at the market, and the nexus between traders, political leaders, and the confraternity. The work suggests that developments at Orsanmichele during the medieval period formed the basis for the Renaissance structure.

**Essays, Comments, and Reviews** William James, 1987

This generous omnium gatherum brings together all the writings William James published that have not appeared in previous volumes of this definitive edition of his works. The volume includes 25 essays, 44 letters to the editor commenting on sundry topics, and 113 reviews of a wide range of works in English, French, German, and Italian. *The history of Tuscany, interspersed with essays*, tr. by J. Browning, Lorenzo Pignotti, 1823

**Walter Pater and the Language of Sculpture** Lene

termark-Johansen, 2017-07-05. Walter Pater and the Language of Sculpture is the first monograph to discuss the Victorian critic Walter Pater's attitude to sculpture. It brings together Pater's aesthetic theories with his theories on language and writing to demonstrate how his ideas of the visual and written language are closely interlinked. Going beyond Pater's views on sculpture as an art form, this study traces the notion of relief, rilievo, and hybrid form in Pater and his view of the writer as sculptor, a carver in language. Alongside her treatment of rilievo as a pervasive trope, Lene termark-Johansen also employs the idea of rivalry, paragone, more broadly examining Pater's concern with positioning himself as an art critic in the late Victorian art world. Situating Pater within centuries of European aesthetic theories as never before done, Walter Pater and the Language of Sculpture throws new light on the extraordinary complexity and coherence of Pater's writing. The critic is repositioned solidly within Victorian art and literature.

**A Discerning Eye: Essays on Early Italian Painting**,

**Transactions of the Royal Society of Edinburgh** Royal Society of Edinburgh, 1890. List of fellows in v 1 5 7 16 20 30

32 33 35 41 45 continued since 1908 in the Proceedings v 28. *Forged in the Shadow of Mars* Peter W. Sposato, 2022-03-15. In *Forged in the Shadow of Mars*, Peter W. Sposato traces chivalry's powerful influence on the mentality and behavior of a sizeable segment of the elite in late medieval Florence. He finds that the strenuous knights and men-at-arms of the Florentine chivalric elite, a cultural community comprised of men from both traditional and newly emerged elite lineages, embraced a chivalric ideology that was fundamentally martial and violent. Chivalry helped to shape a common identity among these men based on the profession of arms and the ready use of violence against both their peers and those they perceived to be their social inferiors. This violence, often transgressive in nature, was not only crucial to asserting and defending personal, familial, and corporate honor but was also inherently praiseworthy. In this way, Sposato highlights the sharp differences between chivalry and the more familiar civic ideology of the popolo grasso, the Florentine mercantile and banking elite who came to dominate Florence politically and economically during the thirteenth and fourteenth centuries. As a result, in *Forged in the Shadow of Mars*, Sposato challenges the traditional scholarly view of chivalry as foreign to the social and cultural landscape.

of Florence and contests its reputation as a civilizing force By reexamining the connection between chivalric literature and actual practice and identity formation among historical knights and men at arms he likewise provides an important corrective to assumptions about the nature of elite violence and identity in medieval Italian cities **Dante's Tenzone with Forese Donati** Fabian Alfie,2011-01-01

And by now mind it s too late to redeem your debts by giving up guzzling Dante s poetic correspondence or tenzone with Forese Donati a relative of his wife was rife with crude insults the two men derided one another on topics ranging from sexual dysfunction and cowardice to poverty and thievery But in his Commedia rather than denying this correspondence Dante repeatedly acknowledged and evoked the memory of his youthful put downs Dante s Tenzone with Forese Donati examines the lasting impact of these sonnets on Dante s writings and Italian literary culture notably in the work of Giovanni Boccaccio Fabian Alfie expands on derision as an ethical dimension of medieval literature both facilitating the reprehension of vice and encouraging ongoing debates about the true nature of nobility Outlining a broad perspective on the uses of literary insult Dante s Tenzone with Forese Donati also provides an evocative glimpse of Dante s day to day life in the twelfth century Machiavelli and the Elizabethan Drama Edward Stockton Meyer,1897

Benjamin Neukirch; sein Leben und seine Werke Edward Stockton Meyer,Richard Schwinger,Robert Garnier,Wilhelm Dorn,1897 **Engaging Symbols** Adrian W. B. Randolph,2002-01-01 Randolph shows how engaging political symbols were grounded in a revolutionary way in amorous discourses that drew on metaphors of affection desire courtship betrothal marriage homo and hetero eroticism and procreation BOOK JACKET **Florentine Tuscany** William J. Connell,Andrea Zorzi,2000 Florence has often been studied in the past for its distinctive urban culture and society while insufficient attention has been paid to the important Tuscan territorial state that was created by Florence in the fourteenth and fifteenth centuries Comprising a handful of formerly independent city states and numerous smaller communities in the plains and mountains the Florentine empire in Tuscany supplied the markets and fiscal coffers of the Renaissance republic while providing lessons in statecraft that nourished the political thought of Machiavelli and Guicciardini This volume comprises seventeen original essays representing the new directions being taken by historians of the Florentine Renaissance It offers new and exemplary approaches towards state building political vocabulary political economy civic humanism local history and social patronage in what is one of the most interesting and well documented of the states of late medieval and Renaissance Europe **Music**

**and Musicians in 16th-Century Florence** Frank A. D'Accone,2023-05-31 This second selection of studies by Frank D Accone again based principally on the documentary evidence follows the development through the mid 16th century of musical chapels at the Cathedral and the Baptistry of Florence and of musical establishments at the Santissima Annunziata and San Lorenzo The lives careers and works of composers associated with these churches are illustrated and their works analyzed particularly the theoretical treatise by Fra Mauro the madrigals of Mauro Matti and the ambitiously conceived canzone cycle of Mattia Rampollini The final studies moving into the 17th century look at the music for Holy Week and the

unprecedented programme of performances at Santa Maria Novella      The Strozzi of Florence Ann Crabb, 2000 Enter the  
turbulent world of a Florentine family through personal correspondence

Florentine Essays: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Florentine Essays : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Florentine Essays : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
