Designing Dixie Reiko Hillyer,2014-12-29 Although many white

southerners chose to memorialize the Lost Cause in the aftermath of the Civil War boosters entrepreneurs and architects in southern cities believed that economic development rather than nostalgia would foster reconciliation between North and South In *Designing Dixie* Reiko Hillyer shows how these boosters crafted distinctive local pasts designed to promote their economic futures and to attract northern tourists and investors Neither romanticizing the Old South nor appealing to Lost Cause ideology promoters of New South industrialization used urban design to construct particular relationships to each city s southern slaveholding and Confederate pasts Drawing on the approaches of cultural history landscape studies and the history of memory Hillyer shows how the southern tourist destinations of St Augustine Richmond and Atlanta deployed historical imagery to attract northern investment St Augustine s Spanish Renaissance Revival resorts muted the town s Confederate past and linked northern investment in the city to the tradition of imperial expansion Richmond boasted its colonial and Revolutionary heritage depicting its industrial development as an outgrowth of national destiny Atlanta s use of northern architectural language displaced the southern identity of the city and substituted a narrative of long standing allegiance to a modern industrial order With its emphases on alternative southern pasts architectural design tourism and political economy *Designing Dixie* significantly revises our understandings of both southern historical memory and post Civil War sectional reconciliation 100 Year Tribute to First Baptist Church Brandon, Florida Rear Admiral Joseph H.

Miller,2016-03-29 This book is unique There is no other tribute like it The church is the people The people who are true Christians are listed in Gods Book in heaven This church has survived for 100 years because of small groups of people There is no church history book that lists over 100 pages of testimonies from people about how their church has blessed them Their testimonials are a book in itself One cannot read the testimonial section and not be blessed True Christians for the first time have been given the opportunity to speak for God as a testimony to the world about one of His universal churches This book lists some of the great sermons of the ministry leaders of the church The many problems that Gods people and the church must face the next hundred years are listed The churches in America are in a spiritual decline in influence and numbers The people must act Probably the only known course for this to happen is in the summary of this book There is only One Church

that will be exalted and glorified during the End Times Gods church founded by Jesus Apostles 2000 years ago is based on the teachings of Christ Jesus The First Baptist Church of Brandon was brought into existence by men of God based on New Testament teachings 700 years before Jesus was born there were fifty prophecies about Jesus in Isaiah alone Some scholars call Isaiah The Fifth Gospel after Matthew Mark Luke and John 46 p 187 Love your neighbor as yourself Lev 19 18 was written 1400 years before Christ John describes Jesus at the Creation In the beginning was the Word and the Word was with God and the Word was God John 1 1 This tribute is a model for any church **Annual Report** Henry E.
