brother s fraudulent financials as well as other fraudulent financials provided periodically to the bank Through an implied threat of revealing the brothers false financials to the authorities the banker obtained the brother s understanding to become involved with a group of professional community leaders in a web of deceit fraudulent real estate loans and other white collar criminal activities TJ attempted to extradite himself from the criminal activity but realized he had become too involved and was unable to get out **BROTHERS GREED THE LAW** takes the reader through a journey that the brothers experienced involving multiple dishonest brokers bankers FBI agents and lawyers Their fraudulent schemes involved the embezzlement of millions of dollars from innocent investors during the early days of the real estate boom in Florida in the 1980 s and 1990 s Through an intriguing misunderstanding by the mastermind of these illegal schemes and the inquisitiveness of several nonparticipants in the schemes several innocent persons were murdered thinking that their deaths would keep the schemes from being discovered A turn in events by several of the perpetrators and other unrelated parties to the schemes causes the illegal activities to be revealed to the authorities How the brothers extracted themselves from the legal consequences of the long time criminal enterprise was a turn in events that none of the participants or the informers of the criminal enterprise could have expected **ABA Journal** ,1969-02 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association *ABA Journal* ,1980-04 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association
