CIVIL WAR

1861–1865

Florida In The Civil War

William Watson Davis

Florida In The Civil War:

Florida in the Civil War Lewis Nicholas Wynne, Robert A. Taylor, 2001 Documents in words and pictures the triumphs and tragedies faced by Florida and Floridians during the Civil War

Florida During the Civil War John Edwin Johns, 1963 Details the ramifications of Florida seceding from the United States and joining the Confederate States during the Civil War

Florida in the Civil War Lewis Nicholas Wynne, Robert A. Taylor, 2002

A Forgotten Front Seth A. Weitz, Jonathan C. Sheppard, 2018-06-12 An examination of the understudied yet significant role of Florida and its populace during the Civil War In many respects Florida remains the forgotten state of the Confederacy Journalist Horace Greeley once referred to Florida in the Civil War as the smallest tadpole in the dirty pool of secession Although it was the third state to secede Florida's small population and meager industrial resources made the state of little strategic importance Because it was the site of only one major battle it has with a few exceptions been overlooked within the field of Civil War studies During the Civil War more than fifteen thousand Floridians served the Confederacy a third of which were lost to combat and disease The Union also drew the service of another twelve hundred white Floridians and more than a thousand free blacks and escaped slaves Florida had more than eight thousand miles of coastline to defend and eventually found itself with Confederates holding the interior and Federals occupying the coasts a tenuous state of affairs for all Florida's substantial Hispanic and Catholic populations shaped wartime history in ways unique from many other states Florida also served as a valuable supplier of cattle salt cotton and other items to the blockaded South

A Forgotten Front Florida during the Civil War Era provides a much needed overview of the Civil War in Florida Editors Seth A Weitz and Jonathan C Sheppard provide insight into a commonly neglected area of Civil War historiography The essays in this volume examine the most significant military engagements and the guerrilla warfare necessitated by the occupied coastline Contributors look at the politics of war beginning with the decade prior to the outbreak of the war through secession and wartime leadership and examine the period through the lenses of race slavery women religion ethnicity and historical memory

The Civil War and Reconstruction in Florida William Watson Davis, 1913 Presents the course of political events in Florida to show how national policies affected local politics there during the 1800's From slavery to the Ante Bellum era to the Civil War and the political reconstruction following the war

Florida's Civil War Irvin D. S. Winsboro, 2007 Welcome to Florida Historical Society Press initial volume in its newly created Gold Seal series This is the first of what will eventually be a multi volume series of specialized books that deal with narrowly focused issues in Florida history Given the emotional and ongoing interest in the American Civil War it is appropriate that this inaugural issue focuses on that seminal event Just sixteen years after its admission to the Union as a state Florida under the control of a slave owning planter elite brushed aside the flimsy ties that bound it to the nation and joined its sister slave states in creating a new nation the Confederate States of America As every American knows the result was a long bloody and costly war that produced many changes in the body politic and economic

climate of the United States Pitting brother against brother state against state and ideology against ideology the war swept aside the dominance of agrarian Americans and ushered in a new era controlled by industrialists and bankers Florida and her fellow southern states was left to the task of picking up the pieces of its culture bolstered by a persistent and unflagging mentality of what should have been It has taken the more than a century and a half for the open wounds of defeat to heal Dr I D S Winsboro of Florida Gulf Coast University in Fort Meyers is the editor of the first Gold Seal volume His scholarship on the role African Americans played in the Civil War is well known Once again welcome to the inaugural volume Nick Wynne Executive Director The Florida Historical Society

Thunder on the River Daniel L Schafer,2010-01-03 When the Civil War finally came to North Florida it did so with an intermittent fury that destroyed much of Jacksonville and scattered its residents The city was taken four separate times by Federal forces but abandoned after each of the first three occupations During the fourth occupation it was used as a staging ground for the ill fated Union invasion of the Florida interior which ended in the bloody Battle of Olustee in February 1864 This late Confederate victory along with the deadly use of underwater mines against the U S Navy along the St Johns nearly succeeded in ending the fourth Union occupation of Jacksonville Writing in clear engaging prose Daniel Schafer sheds light on this oft forgotten theatre of war and details the dynamic racial and cultural factors that led to Florida s engagement on behalf of the South He investigates how fears about the black population increased and held sway over whites seeking out the true motives behind both the state and federal initiatives that drove freed blacks from the cities back to the plantations even before the war s end From the Missouri Compromise to Reconstruction Thunder on the River offers the history of a city and a region precariously situated as a major center of commerce on the brink of frontier Florida Historians and Civil War aficionados alike will not want to miss this important addition to the literature

On This Day in Florida Civil War History Nick Wynne & Joe Knetsch,2015-08-31 The most southern state has more than its share of Civil War stories In January 1861 Florida militia forces captured the old Spanish Castillo de San Marcos then known as Fort Marion from the single Union soldier who guarded it In 1862 Union forces recaptured it without a single shot fired Union general Edward Moody McCook later minister to Hawaii accepted the surrender of Tallahassee on May 10 1865 On May 13 he read the Emancipation Proclamation to an assembled crowd of white Floridians and former slaves on the steps of the Knott House in the city Authors Nick Wynne and Joe Knetsch detail a Civil War moment for each date on the calendar Learn a lesson a day or a month at a time

Florida Civil War Blockades Nick Wynne,Joe Crankshaw,2011-08 Florida was the third Southern state to secede from the United States in 1860 61 With its small population of 140 000 and no manufacturing few Confederate resources were allocated to protect the state Some 15 000 Floridians served in the Union and Confederate armies the highest population percentage of any southern state but perhaps Florida s greatest contributions came from its production of salt an essential need for preserving meat and manufacturing gunpowder its large herds of cattle which fed two southern armies and its 1500 mile shoreline which allowed

smugglers to bring critical supplies from Europe and the Caribbean Florida in the Civil War Blockaders will focus on the men and ships that fought this prolonged battle at sea along the long and largely vacant coasts of the Sunshine State and on Florida soil The information will be drawn from official sources newspaper articles and private accounts Approximately fifty 50 period photographs and drawings will be incorporated into the text *The Civil War and Reconstruction in Florida* William Watson Davis,1964 *Grander in Her Daughters* Tracy J. Revels,2004 Though the women of Florida suffered Civil War traumas and privations commensurate with women throughout the Confederacy few of their experiences have become part of the historical record Drawing largely on primary source discoveries Tracy J Revels recounts the experiences of wives and widows Unionists and secessionists black female slaves and their plantation mistresses business owners and refugees

Central Florida's Civil War Veterans Bob Grenier,2014 The saga of the War Between the States in Florida is not well known beyond the borders of the Sunshine State except the actions within the third state to secede from the Union were quite prominent the battles of Olustee and Natural Bridge the sinking of the USS Columbine on the St Johns River Gen William Birney's Raid the intrepid Cow Cavalry Confederate spy sisters Lola Panchita and Eugenia Sanchez and the flight into oblivion of the Confederate cabinet members Following the war in the midst of Reconstruction many veterans from both sides of the Mason Dixon packed what remained of their lives and traveled to the warm climate of the Eastern Frontier to begin a new life This book serves as a memorial and tribute to those courageous veterans and their families who endured through this tumultuous time in American history In the eloquent words of Capt John Jackson Dickison Florida may be justly proud of her gallant sons wherever her standard has been borne they have covered it with glory and with their hearts blood secured for her an honorable position among her sister states *Florida During the Civil War* John E. Johns,1989 **Discovering the Civil War in Florida** Paul Taylor,2001 Chronicles both land and sea maneuvers in Florida during the Civil War

Florida's Civil War Years Keith W. Kohl,2011 The American Civil War would leave few parts of a divided land untouched Florida was one of the places far removed from the areas of heavy fighting Yet Florida would know the presence of war during the years of 1861 through 1865 The conflict nearly began in one of her coastal harbors and the state would find its role to be steadily more prominent as the war progressed Following early actions along the coasts and in surrounding waters Florida became the scene of a growing number of battles and skirmishes This is the story of Florida and the experiences of her citizens during this pivotal time in American history *The 1st Florida Cavalry Union Volunteers in the Civil War* Sharon D. Marsh,2016-08-22 A genealogical and historical account of the men and regiment called the 1st Florida Cavalry Union Volunteers *Florida in the Civil War* Sandra Downs,Sandra Friend,2001 Describes Florida's important role in the Civil War as a Confederate state despite its problems with Union sympathizers troop shortages and difficulty defending its 6 000 mile coastline **Hidden History of Civil War Florida** Robert Redd,2022 At the outset of the Civil War Florida's entire population was only a bit larger than present day Gainesville Still the state played an outsized role in the conflict Floridians

fought for the Union and Confederate armies Sunshine State farmers provided beef and other foodstuffs for the Confederacy rations that proved increasingly consequential as the years wore on The battles of Olustee and Natural Bridge where boys from the West Florida Seminary entered the fray helped keep Tallahassee as the only Confederate held capital east of the Mississippi River Even the conspirators involved in Lincoln s assassination wove a trail that led to Florida Publisher marketing

Way Down Upon the Suwannee River Gary Loderhose,2000-12-20 When the Civil War erupted Florida was a rough and independent frontier state recognized by few outside of its boundaries During the war Florida gave an equal amount of men in ratio to the state s population than any other Confederate state Yet Florida s Civil War involvement remains hidden in the obscure shadow of the more influential Southern states Are the names Bradford Dickison Finegan Lang Pearson or Perry familiar What was the importance of the Battle of Santa Rosa Island Why was the Florida Brigade criticized following the pivotal Battle of Gettysburg What was Florida s home front like What was the Cow Cavalry What was Florida s Civil War Governor like The answers to these colorful questions are found within these pages Florida s Civil War involvement was a substantial and costly one Those who molded history way down upon the Suwannee River tell their amazing stories

Recalling Deeds Immortal William B. Lees,Frederick P. Gaske,2014-10-07 One hundred and fifty years ago Florida was shaken by battle blockade economic deprivation and the death of native sons both within and far outside its borders Today tributes to the valor and sacrifice of Florida s soldiers sailors and civilians can be found from the Panhandle to the Keys Authors Lees and Gaske look at the diversity of Civil War monuments built in Florida between Reconstruction and the present day elucidating their emblematic and social dimensions Most monuments built in Florida honor the Confederacy praising the valor of Southern soldiers and often extolling the righteousness of their Lost Cause At the same time a fascinating minority of Union monuments also exists in the state and these bear notably muted messages Recalling Deeds Immortal shows how the creation of these bronze and stone monuments created new social battlegrounds as over the years groups such as the Ladies Memorial Associations United Daughters of the Confederacy and the Grand Army of the Republic competed to control the messages behind the memorialization of fallen soldiers and veterans Examining the evolution of Civil War monuments the authors demonstrate that the construction of these memorials is itself an important part of Civil War and post Civil War history

Florida In The Civil War Book Review: Unveiling the Magic of Language

Florida In The Civil War Introduction

In today's digital age, the availability of Florida In The Civil War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Florida In The Civil War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Florida In The Civil War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Florida In The Civil War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Florida In The Civil War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Florida In The Civil War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Florida In The Civil War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Florida In The Civil War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Florida In The Civil War books and manuals for download and embark on your journey of knowledge?

FAQs About Florida In The Civil War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
